Jonathan Brinklin's debut novel is astounding for its intellectual playfulness and verbal ingenuity, and for the exuberant voice of Willy Nilly, the young hero of this unexpected adventure. Telepathy, Tetherball, Turtles, Politics, Pirates, Lemonade, Cryogenics, Waterslides and Holograms are some of the ingredients in this madcap frenzy of metaphorical escapism. If Raymond Chandler and Tom Robbins adopted a baby it might grow up to write a book like this.

A zoo volunteer shares her diary of 12 years working in the World of Primates at the Houston Zoo. She helped raise three orangutan babies and a baby siamang gibbon, and was loved, hugged, and peed on by all four. When she wasn't helping with the babies, she helped clean orangutan cages and continues to do so. In this book she shares her experience learning about the orangutans; watching their interactions with each other, the keepers, other volunteers, and vet staff. Orangutan means "person of the forest" and that's how she thinks about her orange ape buddies. They are her friends. This diary lets you share her experiences as a zoo volunteer; the best non-paying job in the world according to her.

The Vegan Guide to the Holy Scriptures leads you down a path towards The Garden of Eden. That fantasy land of Peace and Loving-kindness may be our next evolutionary step. Most people realize that the way the world of Death and Disease has taken over is not right or healthy in any way. The Veganism Movement will heal mankind thus healing the world as well. The modern thinking Vegan is ready to meet and overcome any non-Vegan resistance by learning every thing connected to the purpose of Veganism. There is a spiritual side of Veganism to consider and The Vegan Bible is a great place to begin researching the real history of our Mother earth and Father God. Most people never knew that the God of The Holy Bible is Vegan. This one little fact changes the face of society from innocent meat eaters to a mob of evil dead-flesh worshippers, especially the ones that refuse to accept the truth of our Vegan world. Don't be one of them. The right way is always the best way to live and enjoy the good health and clean conscious that the Vegan way of life represents. Now you will have all of the Vegan Holy Scriptures at your fingertips to rise over anyone whom decides to support their meat eating habits by miss-quoting The Holy Scriptures. The Vegan Bible proves that God and Jesus Christ are Vegans as well as some of the Holiest Prophets. Was Cain really the cold hearted monster we were taught he was or was he just an angry Vegan unwilling to control his temper? And who is this Lord God character that keeps on trying to ruin everyone's lives? Was Jesus Christ targeted by the religious leaders of His time for taking a firm stand against animal sacrifices? Did He offer his life as a one time human sacrifice to try and save them. By threatening the financial security of those selling the sacrificial animals this put a price on his head. His teachings of Love were not only aimed at people but they were for all living creatures. His personal sacrifice did put an end to most religiously motivated animal sacrifice in the world. Before Jesus Christ there was only a blood thirsty Lord God to pay off with daily sacrifices which was for sale at the Holy Temples. Now we face a world lost in a cloud of ignorance teaching our children it is normal and right to consume dead animal flesh and this has got to stop. We must learn everything there is to know about Veganism so we can begin to heal our world and save our souls. I have dedicated the rest of my life to the study and research of the Ancient Vegan Creation Story as it is found in every copy of the Bible that exist. Proving that we have an all-loving Father God that is Vegan was only the beginning of what I have discovered. The magnitude of this one important fact has yet to reach the ears of the normal every day church goer. The implications of the facts presented in the pages of The Vegan Bible is destined to cause some uproar with the religious institutions and their religious dogma. Why was it such a crime in the dark ages to be a Christian? Did the term Christian mean Vegan and were they hunted, tortured, burned and killed for the same reason that Jesus Christ was. Have you ever seen a normal person go into a fit of rage when you tried to explain Veganism to them? The Vegan Bible will help answer many religious questions and provide morally correct Vegan answers. It used to be just a matter of Faith but now the Medical Science is proving our Vegan heritage. Veganism is growing and it will influence the greater populations of every country. I hope that you are ready for The Vegan Apocalypse. Thank You.
