“The Twelve Healers And Other Remedies” is a book of herbal remedies and ingredients that may be used to treat a variety of ailments. The author claims that it is because of our fears, cares, and worries that we get ill; and, by treating these problems, we will be happier and healthier. To that end, he presents simple herbal remedies for a variety of problems ranging from indecision and apathy to hay fever and beyond. Contents include: “For Fear”, “For Uncertainty”, “For Insufficient Interest in Present Circumstances”, “For Loneliness”, “For Those Over-Sensitive to Influences and Ideas”, “For despondency or Despair”, “For Over-Care for Welfare of Others”, etc. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with the original text and artwork.

A Fine Balance, Rohinton Mistry’s stunning internationally acclaimed bestseller, is set in mid-1970s India. It tells the story of four unlikely people whose lives come together during a time of political turmoil soon after the government declares a “State of Internal Emergency.” Through days of bleakness and hope, their circumstances - and their fates - become inextricably linked in ways no one could have foreseen. Mistry’s prose is alive with enduring images and a cast of unforgettable characters. Written with compassion, humour, and insight, A Fine Balance is a vivid, richly textured, and powerful novel written by one of the most gifted writers of our time.

Dr Farokh undertook a journey to Sao Paulo (Brazil) and visited Instituto Butanta to study venomous snakes and insects. He learnt all about snakes and observed them, which allowed him to perceive every snake remedy. After returning from Brazil, Dr F.J. Master decided to start proving those snakes whose Materia Medica was not sufficient enough to evolve the mental picture in homeopathic language. This book is the result of his exhaustive efforts and consists of detailed provings of lesser known snake remedies.

This is a most interesting book that combines psychology with homeopathy. Philip Bailey describes in depth the personality profiles of some 35 polychrests. The last pages of the book cover a mix of psychological astrology and homeopathy when he explores the elements and some polychrests. Bailey provides detailed information on 35 major types, giving insight on diagnosis, mental and emotional traits, and physical characteristics. His broad profiles of major constitutional remedies give the reader a good overall picture of the personality type and therefore ways of remembering facts about the archetype, by having a unifying theory for each remedy.

Snakes to Simillimum

We often hear that alternative medicine is superior to classical medicine, for it treats us holistically, both the physical body and the immaterial part of our nature. Although such an approach seems desirable, it is precisely this aspect that opens the door to spiritual views incompatible with Christianity. Many forms of alternative medicine speak of a divine essence we allegedly possess, of a vital force that we can manipulate, of spiritual beings that can help us, and other such views closely related to Eastern religions and New Age thought. In their desire to find healing at any price, Christians often resort to these methods without realizing the spiritual danger involved. For Christians who want to live consistently with their faith, this book is intended to raise awareness of the hidden beliefs of alternative medicine.

The thirty-eight Bach Flower Remedies are made from non-poisonous wild flowers and offer a simple means to establish inner harmony. This book is an essential dictionary listing the positive and negative qualities associated with each natural remedy. Whereas a person categorised by the positive aspect would have little need for the remedy in question, those who share the qualities listed under the negative aspect would benefit from taking it. There is also a separate section on the uses and health benefits of Rescue Remedy.

Nosodes Are Remedies Derived From Diseased Tissues And Secretions Containing The Specific Organism Of The Disease. All The Nosodes Have Their Own Characteristics And It Is Important For A Student To Study From All Reliable Sources.

One of the reasons for popularity of this book as expressed by many readers is the inclusion of some selected practical case histories at the end of the book.
