The Washington Post The Vegetarian meets Heathers in this darkly funny, seductively strange novel from the acclaimed author of 13 Ways of Looking at a Fat Girl "We were just these innocent girls in the night trying to make something beautiful. We nearly died. We very nearly did, didn't we?" Samantha Heather Mackey couldn't be more of an outsider in her small, highly selective MFA program at New England's Warren University. A scholarship student who prefers the company of her dark imagination to that of most people, she is utterly repelled by the rest of her fiction writing cohort--a clique of unbearably twee rich girls who call each other "Bunny," and seem to move and speak as one. But everything changes when Samantha receives an invitation to the Bunnies' fabled "Smut Salon," and finds herself inexplicably drawn to their front door--ditching her only friend, Ava, in the process. As Samantha plunges deeper and deeper into the Bunnies' sinister yet saccharine world, beginning to take part in the ritualistic off-campus "Workshop" where they conjure their monstrous creations, the edges of reality begin to blur. Soon, her friendships with Ava and the Bunnies will be brought into deadly collision. The spellbinding new novel from

The Rabbit Who Wants to Fall Asleep

A Nicaraguan Journey

Down the Rabbit Hole

The real, untold, and unvarnished story of life inside the legendary Playboy Mansion—and the man who holds the key—from the woman who was Hef’s #1 girlfriend and star of The Girls Next Door. A spontaneous decision at age twenty-one transformed small-town Oregon girl Holly Sue Cullen into Holly Madison, Hugh Hefner’s #1 girlfriend. But like Alice in Wonderland after she plunged down the rabbit hole, what seemed like a fairytale life inside the Playboy Mansion—including A-list celebrity parties and her own #1-rated television show—quickly devolved into an oppressive routine of strict rules, manipulation, and battles with ambitious, backstabbing bunnies. Losing her identity,

her sense of self-worth, and her hope for the future, Holly found herself sitting alone in a bathtub contemplating suicide. But instead of ending her life, Holly chose to take charge of it. In this shockingly candid and surprisingly moving memoir, this thoughtful and introspective woman opens up about life inside the Mansion, the drugs, the sex and the infamous parties, as well as what her relationships with her Girls Next Door co-stars, Bridget and Kendra were really like. Holly talks candidly about a subsequent abusive relationship, her own successful television series, and the hard work of healing, including her turn on Dancing with the Stars. A cautionary tale and a celebration of personal empowerment, Down the Rabbit Hole reminds us of the importance of fighting for our dreams—and finding the life we deserve.

When his helper robot creations malfunction spectacularly because of a programming glitch, Stone Rabbit races to shut down the mechanical monsters before they destroy Happy Glades. Simultaneous.

WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD FOR CRITICISM A FINALIST FOR THE PEN/DIAMONSTEIN-SPIELVOGEL AWARD FOR THE ART OF THE ESSAY "If Hollywood's treatment of women leaves you wanting, you'll find good, heady

company in *You Play the Girl*."—ELLE As a kid in the 1970s and 80s, Carina Chocano was confused by the mixed messages all around her; messages that told her who she could be—and who she couldn't. Dutifully absorbing all the conflicting information the culture has to offer on how to be a woman, Chocano grappled with sexed up sidekicks, princesses waiting to be saved, and morally infallible angels who seemed to have no opinions of their own. She learned that "the girl" is not a person, but a man's idea of what a woman should be—she's whatever the hero needs her to be in order to become himself. It wasn't until she spent five years as a movie critic, and was laid off just after her daughter was born, however, that she really came to understand how the stories the culture tells us about what it means to be a girl limit our lives and shape our destinies. She resolved to rewrite her own story. In *You Play the Girl*, Chocano blends formative personal stories with insightful and emotionally powerful analysis. Moving from *Bugs Bunny* to *Playboy Bunnies*, from *Flashdance* to *Frozen*, from the progressive '70s through the backlash '80s, the glib '90s, and the pornified aughts—and at stops in between—she explains how growing up in the shadow of "the girl" taught her to think about herself and the world and what it

means to raise a daughter in the face of these contorted reflections. In the tradition of Roxane Gay, Rebecca Solnit, and Susan Sontag, Chocano brilliantly shows that our identities are more fluid than we think, and certainly more complex than anything we see on any kind of screen.

***A 2011 National Book Award Finalist* A spellbinding story of renunciation, conversion, and radicalism from Pulitzer Prize-finalist biographer Deborah Baker** What drives a young woman raised in a postwar New York City suburb to convert to Islam, abandon her country and Jewish faith, and embrace a life of exile in Pakistan? **The Convert** tells the story of how Margaret Marcus of Larchmont became Maryam Jameelah of Lahore, one of the most trenchant and celebrated voices of Islam's argument with the West. A cache of Maryam's letters to her parents in the archives of the New York Public Library sends the acclaimed biographer Deborah Baker on her own odyssey into the labyrinthine heart of twentieth-century Islam. Casting a shadow over these letters is the mysterious figure of Mawlana Abul Ala Mawdudi, both Maryam's adoptive father and the man who laid the intellectual foundations for militant Islam. As she assembles the pieces of a singularly

perplexing life, Baker finds herself captive to questions raised by Maryam's journey. Is her story just another bleak chapter in a so-called clash of civilizations? Or does it signify something else entirely? And then there's this: Is the life depicted in Maryam's letters home and in her books an honest reflection of the one she lived? Like many compelling and true tales, The Convert is stranger than fiction. It is a gripping account of a life lived on the radical edge and a profound meditation on the cultural conflicts that frustrate mutual understanding.

Bunny Cakes

The classic novel of suspense is “a headlong story of nerve-wracking tension, psychological validity and emotional drive” (Oakland Tribune). Blanche Lake is not like the other mothers who come to collect their children at the local nursery school on New York’s Upper East Side. She lives alone, has a job, and has never been married. It’s the first day of school when this story begins, and Blanche is eager to see how her daughter, Bunny, has fared away from home. But her expectant waiting becomes a mother’s most dreaded nightmare: Bunny never materializes.

Neither teachers nor students recall the small girl,

and soon Blanche is engaged in a frantic search for any trace of her missing daughter. And the worst part is . . . no one believes her. In this fraught and at times freakish tale of suspense, Evelyn Piper takes us deep into the psyche of the 1950s to explore American fetishes, fallacies, and fears around motherhood and sexuality. Blanche emerges as a new kind of heroine—a hard-boiled mom with gun in hand, willing to take any risk to find her missing daughter. “A classic thriller—a riveting revisit to the dark side of the fifties, where the tension beneath the calm surface has an undertow that drags the reader into its grip. Prime pulp—pure pleasure.” —Linda Fairstein, author of *The Bone Vault*

A bunny family spends the day together.

"The magical book that will have your kids asleep in minutes." —The New York Post This groundbreaking #1 international bestseller is sure to calm racing minds and make bedtime easy and fun for kids and parents! Do you struggle with getting your child to fall asleep? Do anxiety or worries ever interfere with bedtime? A showdown ensues between the Tooth Fairy and the Easter Bunny, who always works alone, when young Veda loses her second tooth the day before Easter.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players

themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Offering a surprising new take on a twentieth-century icon, *Bachelors and Bunnies* goes beyond the smoking jacket and the centerfold to uncover an unlikely ally for the feminist cause. While Stone Rabbit, Andy Wolf, and Henri Tortoise are trick-or-treating, zombie dust bunnies are taking over their town.

Arc of Justice

Step inside the Playboy Mansion, where the

sexy stars of E!'s hit reality show The Girls Next Door are giving readers full access to the action you don't see on TV.... Hugh Hefner's girlfriends -- Holly Madison, Bridget Marquardt, and Kendra Wilkinson -- have become superstars in their own right, thanks to their hit reality show on E!, in which all three gorgeous ladies share their glamorous lives with the cameras. But what crazy antics and juicy details didn't make the cut? This exclusive, behind-the-scenes companion to the show features never-before-seen photos, all new commentary, and three unique perspectives on life in the Playboy Mansion. Want to look, act, or throw a party just like a Girl Next Door? Let Holly, Bridget, and Kendra show you how. In addition to sharing the secrets of their sexy style, the Girls talk candidly about their childhoods, their daily lives (including Hef's famous bashes), and their relationships with the ultimate Playboy himself...not to mention each other. In episode guides to all four seasons, the Girls share their take on what really happened each week, while interviews with the Mansion's memorable staff members reveal how they see the Girls and themselves. And Hef himself shares new insights and fond memories about his life with the Girls. Being

blonde and beautiful in the most famous bachelor pad in the world isn't as easy as it looks, but Holly, Bridget, and Kendra are having the time of their lives. Sharing stories from their favorite travel destinations, recipes from the Playboy kitchen, treasured photos, and much more, this insider's guide is a unique look at life with The Girls Next Door.

Fluffy is story of unanswerable questions, love, despair, adventure and happiness. Fluffy is a baby rabbit who is being looked after by an anxious, single man called Michael Pulcino. Michael tries to make it clear to Fluffy that he is not his daddy, but Fluffy appears to be in denial. Michael is being pursued by Fluffy's nursery school teacher, and partly to escape her, he and Fluffy set off to visit his family in Sicily. Will Michael escape her? Will Fluffy come to terms with the reality that he is not a human being? All is at least partly resolved in Simone Lia's utterly irresistible graphic novel.

It's time for school, and the day is packed with activities and fun! Whether these little bunnies are making sweet music, growing a plant, or sharing at show-and-tell, everyone enjoys the pleasures of learning. Rick Walton's rhyming text and Paige Miglio's

detailed illustrations are a treat that will make any toddler eager for school to begin. In exploring the history of America's most widely read and influential men's magazine, Elizabeth Fraterrigo hones in on the values, style, and gender formulations put forth in its pages and how they gained widespread currency in American culture.

Bunny Day

A rhyming romp of a tale about a badger and a band of bunnies. Lavinia the badger loves vegetables and tends her garden with care, but one morning she discovers that her lettuce has been nibbled and her potatoes and beans have disappeared! She decides to set a snare for the culprit, who turns out to be a frightened bunny. When Lavinia threatens to turn him into stew, the bunny pleads for his life, promising a rich reward if she lets him go. The next night, when the moon rises, Lavinia is amazed to see dozens and dozens of bunnies in her garden, carrying banjos, bassoons, harps, ukuleles, trumpets, bagpipes, fifes and drums. Night after

night, the bunnies play enchanting music, and Lavinia's vegetables grow and grow and grow. At the end of the season, Lavinia lays her table with a wonderful vegetable feast for the bunny band, who promise they'll return in the spring. Once again, Bill Richardson and Roxanna Bikadoroff bring us a story full of old-fashioned charm and humor – a pure delight.

Correlates to the Common Core State Standards in English Language Arts:

CCSS.ELA-LITERACY.RL.1.1 Ask and answer questions about key details in a text.

CCSS.ELA-LITERACY.RL.2.4 Describe how words and phrases (e.g., regular beats, alliteration, rhymes, repeated lines) supply rhythm and meaning in a story, poem, or song.

In the Sea of Japan lies Okunoshima Island, a popular wildlife tourist destination that is teeming with wild bunnies. Visitors come from near and far to visit the island's furry inhabitants, who are surprisingly tame and accustomed to human interaction. Now kids can come spend a day with the bunnies of Bunny Island. These irresistible creatures, captured in full-color, full-page photographs, are naturals in front of the camera. Young children will delight in these close-up photos of wiggling, yawning

and kissing bunnies. The brief but endearing text will appeal to the animal lover in all of us. These are seriously busy bunnies! Flip through the pages to see how the bunnies hop, hop, hop and zoom, zoom, zoom across the page. Actions are accentuated with repetitive text to teach young children action words and invite them to join in on the fun. There is no quicker way to learn about bunnies! The book also includes facts about bunnies and Okunoshima Island.

Published for the first time in 1953, Playboy was not only the first pornographic popular magazine in America; it also came to embody an entirely new lifestyle through the construction of a series of utopian multimedia spaces – from the Playboy Mansion and fictional Playboy’s Penthouse of 1959 to the Playboy Clubs and hotels appearing around the world in the 1960s. Simultaneously, the invention of the contraceptive pill provided access to a biochemical technique that separated (hetero) sexuality and reproduction. Addressing these concurrent cultural shifts, Paul Preciado investigates the strategic relationships between space, gender, and sexuality in popular sites related to the production and consumption of pornography that have

tended to reside at the margins of traditional histories of architecture: bachelor pads, multimedia rotating beds, and design objects, among others. Combining historical perspectives with contemporary critical theory, gender and queer theory, porn studies, the history of technology, and a range of primary transdisciplinary sources – treatises on sexuality, medical and pharmaceutical handbooks, architecture journals, erotic magazines, building manuals, and novels – Pornotopia explores the use of architecture as a biopolitical technique for governing sexual relations and the production of gender in the postwar United States.

“Her commentary on the origins, allure, and challenges of each home reads like liner notes to a favorite album . . . she is in a class all her own.” –Flower In this story-filled monograph, Bunny Williams presents new work through 15 houses she has decorated and loved. She tells the tale of each “affair,” tracing the style of the spaces, what drew her to the projects, and her approach to decor that evolves with the lives of her clients. She offers personal secrets for choosing classics—and for decorating with flexible pieces that can play more than

one role in a design scheme. Along the way, she offers many amazingly chic, but always comfortable, residences whose interiors she has designed during the latest phase of her astounding career. As Bunny tells it, "The best pieces have the best stories," and in this book, she shows readers a fresh collection of projects that demonstrate just that. "A must-have addition to any interior design enthusiast's library." –The Glam Pad That's Not My Bunny...

Bachelors and Bunnies

Rabbits

The Tortoise and the Hare with a Louisiana Twist

Robot Frenzy

When this beach bunny caught the eye of Hugh Hefner at an L.A. nightclub, Izabella St. James was looking for a fun break from studying for the bar. As the latest Girlfriend of the Playboy founder, her "break" lasted two years, but life behind the gates of the Playboy Mansion was anything but fun. Sure there were parties, presents, puppies, and plastic surgery; but there was also a curfew, a strict regimen of who sits where on movie night, limited contact with the outside world,

and a sex life that was anything but wild and crazy. While the E! reality show, *The Girls Next Door*, has been a ratings hit, each of the three Playboy Bunnies in the series has since left the Mansion in newsworthy ways: one is engaged to a football player, and Hugh's "main" Girlfriend has finally understood that there would be no fairy-tale marriage and family with the man she literally transformed her life for. Izabella was there to witness how each of these relationships formed, where each Girlfriend fell in the pecking - and bed - order, and when, exactly, the fabled life turned shabby and cheap. From catfights to sneaking in boyfriends, from high-profile guests in the Grotto to the bizarre rituals of the octogenarian at the center of the sexual revolution, *Bunny Tales* is compulsively readable and endlessly entertaining! A deadly underground game might just be altering reality itself in this all-new adventure set in the world of the hit *Rabbits* podcast. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WALL STREET JOURNAL • "A wild ride . . . impossible to put down."—Publishers Weekly (starred review) It's an average work day. You've been wrapped up in a task, and you check the clock when you come up for air—4:44 p.m.

You check your email, and 44 unread messages have built up. With a shock, you realize the date is April 4—4/4. And when you get in your car to drive home, your odometer reads 44,444. Coincidence? Or have you just seen the edge of a rabbit hole? Rabbits is a mysterious alternate reality game so vast it uses the entire world as its canvas. Since the game started in 1959, ten iterations have appeared and nine winners have been declared. The identities of these winners are unknown. So is their reward, which is whispered to be NSA or CIA recruitment, vast wealth, immortality, or perhaps even the key to the secrets of the universe itself. But the deeper you get, the more dangerous the game becomes. Players have died in the past—and the body count is rising. And now the eleventh round is about to begin. Enter K—a Rabbits obsessive who has been trying to find a way into the game for years. That path opens when K is approached by billionaire Alan Scarpio, rumored to be the winner of the sixth iteration. Scarpio says that something has gone wrong with the game and that K needs to fix it before Eleven starts, or the whole world will pay the price. Five days later, Scarpio is declared missing. Two weeks after that, K blows the deadline:

Eleven begins. And suddenly, the fate of the entire universe is at stake.

"In this Louisiana version of the Aesop tale, young children will discover that slow and steady wins the race. Includes pecan praline recipe."--

Old Mother Rabbit lived in a shoe. She had twenty-six children and knew what to do. From Abel, who sleeps on a table, to Zed who sleeps on the shed, help Mother Rabbit tuck a whole alphabet of adorable little bunnies in for the night.

A bunny family takes a trip using many different types of transportation, including car, train, balloon, ferry, and tractor.

“Underneath it all—designer clothes and moxie aside—my mother was more than any daughter should ever have to handle.” - from Bachelor Degree Strolling the city sidewalks of Manhattan’s posh Upper East Side are a bevy of well-dressed, attractive, and notably eligible single men, but can Samantha Krasner snag one before the competition does? Finding Mr. Right would certainly help keep her mother at bay. After all, the only thing separating their two apartments is Central Park. Not big enough. A successful gallery diva who must answer to a boss from hell, thirty-eight-year-old Samantha nonetheless finally feels as if she’s leading her own life. But the ever-hovering, smothering Madeleine Krasner-Wolfe, a twice-divorced and filthy rich force of nature, always seems to have advice for her daughter about

everything from fashion and beauty regimens to men. When Samantha signs up the new rising star of the art world, Blake Hamilton, Madeleine immediately sees him as a prospective son-in-law. Hoping to help her daughter land a husband before it's too late, Madeleine launches a flirt campaign that both infuriates and enthralls Samantha—compelling her to finally take action. From the toniest penthouses of Park Avenue to the trendiest SoHo lofts, Samantha is on a mission—if only her mother would get out of the way. Praise for Judith Marks-White's *Seducing Harry*: "Judith Marks-White writes with lashings of humor and a healthy dose of cynicism laced with sweetness." —Jane Green, author of *Second Chance* "The literary equivalent of a bon bon . . . the perfect book to wedge between all those weighty Booker Prize-winning reads piled up by the bedside." —Elle.com "[Marks-White] has a sharp eye for absurdity and excess." —The Boston Globe From the Trade Paperback edition.

A brand new edition of this all-time best-selling title in Usborne's flagship *That's Not My ...* series. This edition has added foiling for even more tactile appeal! With the easy step-by-step instructions, everyone can learn to draw rabbits. With over 35 rabbits in different poses; jumping, sleeping, cuddling, and many more, there are also 11 rabbit breeds with their specific characteristics. You'll soon get the hang of how drawing bunnies works. If you need a break from sketching, you'll find 5 detailed colouring pages, of course, also rabbit-themed.

An Egg for Bunny

A Kid's Guide to Raising and Showing

The Bunny Band

A Saga of Race, Civil Rights, and Murder in the Jazz Age

A Learning Fun-for-All

An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began-a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder

trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. *Arc of Justice* is the winner of the 2004 National Book Award for Nonfiction.

Bunny sets out to find a friend and is delighted to meet Egg, who seems shy and never says a word but makes playtime more fun.

Designed for children ages 9 and up who are interested in raising rabbits, this comprehensive guide covers all aspects of rabbit care with an encouraging tone and age-appropriate language. Nancy Searle provides expert advice on breed selection, housing, feeding, safety, and understanding rabbit behavior. Whether your child is hoping to keep rabbits as pets or breed them for showing, *Your Rabbit* has everything she'll need to know to confidently raise happy and healthy animals.
