Can she withstand the storms of life that blow her way? Gloriana Womack's family is much smaller since scarlet fever killed her mother and two of her siblings. She's dedicated her modest life in Duluth, Minnesota, to holding the remains of her fractured family together, caring for her father and younger brother. Luke Carson has come to Duluth to help shepherd the arrival of the railroad to the city's port, and he's eager to be reunited with his brother and sister-in-law, who recently moved there and are expecting their first child. Love on the Lake

The Dragon in the Library

Everything I Never Told You

A Novel

Corrupting Cinderella (Lost Kings MC, Book 2)

*When wild magic starts causing trouble at the park, wizard Kit and her friends investigate—and find themselves on another journey to save the world. A lively and witty sequel to *The Dragon in the Library*. Kit may be the youngest wizard ever, but she sure doesn't feel like the best wizard. Her magic just keeps going wrong, and other weird stuff is happening, too: talking animals, exploding fireballs, and a very strange new arrival in the local park. Even Dogon (the half dog, half dragon) is droopy! So Kit and her two best friends—animal-whispering Alita and studious Josh—set off with Faith the librarian to investigate this wild magic that's causing so much commotion. Their journey takes them to a Scottish loch, where they meet an eco-conscious wizard and some very grumpy mermaids (careful, they pinch!). But the danger is greater than they imagined, and it will take everybody's help to set things right again. This action-packed adventure features plenty of humor, a diverse cast, and delightful illustrations.*

A tragedy on a hot summer night at a lake house forever alters the lives of two best friends—and the man they both love. But the truth isn't as simple as it appears in this intricate novel of love, friendship, betrayal, and forgiveness. Leah has been waiting for this moment a long time: Her boyfriend, Ollie, is taking her to his family's home on Seneca Lake for a week of lazy summer bliss, boating, and barbeque. The couple have been

*together four years, and Leah is convinced that Ollie is finally going to pop the question. Leah can't wait to share the joyous news with her best friend, June, who is joining them on their getaway, and whose presence will make everything feel more real. Seven years later, the moment June has been dreading has finally arrived: Her fiancé, Ollie, is taking her to his family's lake house. But this is not an ordinary visit to an ordinary place; it is a house haunted by June's long-buried memories of her lost friend Leah—and the connection that appears to remain between Leah and the man for whom June's love is as deep as her grief. Alternating between the two women's vibrant voices, *One Night at the Lake* is an emotional novel that explores a complex tangle of friendship, loyalty, and betrayal, all driving toward one question: Can love overcome what happened on that hot summer night? Praise for *One Night at the Lake* "Captivating and compelling . . . This is the perfect book to slip into your weekend bag for your own trip to the lake this summer."—Jill Santopolo, *New York Times* bestselling author of *The Light We Lost* "With gripping prose and a setting that is as sentient as the characters who inhabit it, *Bethany Chase* draws a tale that is immediate and real, the kind of story you'll feel to your gut."—Michelle Gable, *New York Times* bestselling author of *A Paris Apartment* "Chase has crafted the perfect blend of fully realized characters and a burning question I couldn't wait to have the answer to. You won't be able to turn the pages fast enough."—Tracey Garvis Graves,*

At the beginning of World War II, the British Government decided to evacuate the children from the cities to safer places in the countryside, and also overseas to other countries where they could be safer in the country? The logic behind the plan was that if Hitler succeeded in occupying Great Britain, the children could return someday and take their country back. This is the story of my brother, age 4, and myself, age 9, who were evacuated September 1939, to America. My brother's mother, who was my step-mother, accompanied us to relatives that lived in New York State. Then for reasons known only to herself, at that time she decided to travel back across the U-boat infested waters of the Atlantic to England. Different homes were found eventually for us which was a miracle, as there were at least 2,664 Children's Overseas Reception Board (CORB) children to find homes for. The Kodak Company's families in New York opened their homes to these British evacuees, primarily the children of the Kodak Company in Great Britain, however they ended up taking a lot of the other children. Lady in the Lake

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times

In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered

experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page. In a fast-paced and funny adventure, Kit must use the magic of books to save the library--and its resident dragon--from a power-

hungry tycoon. Kit Spencer can't stand reading. She'd rather be outside playing and getting muddy than stuck inside with a book. But when her best friends, Josh and Alita, drag her to the local library, Kit makes an incredible discovery: she's a wizard--and books are the key to her abilities. Unfortunately, a greedy businessman wants to tear down the beloved library, destroying all its magic. To make matters worse, there's a sleeping dragon hidden there, and if she's awakened, her wild power will wreak havoc. With the help of a friendly dragon-dog hybrid named Dogon, Kit and her companions will have to find a way to save the dragon in the library--and maybe the world! A humorous romp full of library enchantment, with a diverse cast of characters and dynamic illustrations.

Iris Standish has always been the responsible older sibling: the one with the steady marriage, loving family, and sensible job. But all of a sudden, as her carefully-constructed life spins out of her control, a cryptic postcard from her estranged sister Leah arrives at the perfect time: Please Come. Iris

seizes her chance to escape to her childhood lakeside home, where Leah is planning her summer wedding to a man their New Hampshire clan has never met. Against a backdrop of dress fittings, floral arrangements, and rehearsal dinners, Leah hides secrets of her own. And while her sister faces a past that has finally caught up to her, Iris prepares to say good-bye to a future that is suddenly far from certain. As new love beckons and Hampstead Lake shimmers in the background, Iris must decide when to wade in cautiously and when to dive—and, ultimately, how to ferry herself to safe harbors in this enticing novel of second chances and the ties that bind.

For fans of Small Spaces, Doll Bones, and Mary Downing Hahn, a truly chilling (and historically inspired) ghost story from the talented author of The Forgotten Girl. Celeste knows she should be excited to spend two weeks at her grandparents' lake house with her brother, Owen, and their cousins Capri and Daisy, but she's not. Bugs, bad cell reception, and the dark waters of the lake... no thanks. On top of that, she just failed her swim test and hates being in the water—it's terrifying. But her grandparents are strong believers in their family knowing how to swim, especially having grown up during a time of segregation at public pools. And soon

strange things start happening—the sound of footsteps overhead late at night. A flickering light in the attic window. And Celeste's cousins start accusing her of pranking them when she's been nowhere near them! Things at the old house only get spookier until one evening when Celeste looks in the steamy mirror after a shower and sees her face, but twisted, different... Who is the girl in the mirror? And what does she want? Past and present mingle in this spine-tingling ghost story by award-winning author India Hill Brown.

SOON TO BE A SERIES FROM APPLE TV! A New York Times Bestseller The revered New York Times bestselling author returns with a novel set in 1960s Baltimore that combines modern psychological insights with elements of classic noir, about a middle-aged housewife turned aspiring reporter who pursues the murder of a forgotten young woman. In 1966, Baltimore is a

city of secrets that everyone seems to know—everyone, that is, except Madeline —Maddie— Schwartz. Last year, she was a happy, even pampered housewife. This year, she’s bolted from her marriage of almost twenty years, determined to make good on her youthful ambitions to live a passionate, meaningful life. Maddie wants to matter, to leave her mark on a swiftly changing world. Drawing on her own secrets, she helps Baltimore police find a murdered girl—assistance that leads to a job at the city’s afternoon newspaper, the Star. Working at the newspaper offers Maddie the opportunity to make her name, and she has found just the story to do it: Cleo Sherwood, a missing woman whose body was discovered in the fountain of a city park lake. If Cleo were white, every reporter in Baltimore would be clamoring to tell her story. Instead, her mysterious death receives only cursory mention in the daily newspapers, and no one cares when Maddie starts poking around in a young Black woman's life—except for Cleo's ghost, who is determined to keep her secrets and her dignity. Cleo scolds the ambitious Maddie: You're interested in my death, not my life. They're not the same thing. Maddie’s investigation brings her into contact with people that used to be on the periphery of her life—a jewelry store clerk, a waitress, a rising star on the Baltimore Orioles, a patrol cop, a hardened female reporter, a lonely man in a movie theater. But for all her ambition and drive, Maddie often fails to see the people right in front of her. Her inability to look beyond her own needs will lead to tragedy and turmoil for all sorts of people—including Ferdie, the man who shares her bed, a police officer who is risking far more than Maddie can understand.

searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. A new take on the traditional rhetorical modes, showing how they are used in the kinds of writing college students are most often assigned--arguments, analyses, reports, narratives, and more.

*The celebrated author of *Border* explores a mysterious, ancient, and little-understood corner of Europe Lake Ohrid and Lake Prespa. Two ancient lakes joined by underground rivers. Two lakes that seem to hold both the turbulent memories of the region's past and the secret of its enduring allure. Two lakes that have played a central role in Kapka Kassabova's maternal family. As she journeys to her grandmother's place of origin, Kassabova encounters a historic crossroads. The lakes are set within the mountainous borderlands of North Macedonia, Albania, and Greece, and crowned by the old Via Egnatia, which once connected Rome to Constantinople. A former trading and spiritual nexus of the southern Balkans, this lake region remains one of Eurasia's most diverse corners. Meanwhile, with their remote rock churches, changeable currents, and large population of migratory birds, the lakes live in their own time. By exploring on water and land the stories of poets, fishermen, and caretakers, misfits, rulers, and inheritors of war and exile, Kassabova uncovers the human destinies shaped by the lakes. Setting out to resolve her own ancestral legacy, Kassabova locates a deeper inquiry into how geography*

and politics imprint themselves upon families and nations, one that confronts her with universal questions about human suffering and the capacity for change.

*For fans of Hatchet and Island of the Blue Dolphins comes Theodore Taylor's classic bestseller and Lewis Carroll Shelf Award winner, The Cay. Phillip is excited when the Germans invade the small island of Curaçao. War has always been a game to him, and he's eager to glimpse it firsthand—until the freighter he and his mother are traveling to the United States on is torpedoed. When Phillip comes to, he is on a small raft in the middle of the sea. Besides Stew Cat, his only companion is an old West Indian, Timothy. Phillip remembers his mother's warning about black people: "They are different, and they live differently." But by the time the castaways arrive on a small island, Phillip's head injury has made him blind and dependent on Timothy. "Mr. Taylor has provided an exciting story...The idea that all humanity would benefit from this special form of color blindness permeates the whole book...The result is a story with a high ethical purpose but no sermon."—New York Times Book Review "A taut tightly compressed story of endurance and revelation...At once barbed and tender, tense and fragile—as Timothy would say, 'outrageous good.'"—Kirkus Reviews * "Fully realized setting...artful, unobtrusive use of*

dialect...the representation of a hauntingly deep love, the poignancy of which is rarely achieved in children's literature."—School Library Journal, Starred "Starkly dramatic, believable and compelling."—Saturday Review "A tense and moving experience in reading."—Publishers Weekly "Eloquently underscores the intrinsic brotherhood of man."—Booklist "This is one of the best survival stories since Robinson Crusoe."—The Washington Star · A New York Times Best Book of the Year · A School Library Journal Best Book of the Year · A Horn Book Honor Book · An American Library Association Notable Book · A Publishers Weekly Children's Book to Remember · A Child Study Association's Pick of Children's Books of the Year · Jane Addams Book Award · Lewis Carroll Shelf Award · Commonwealth Club of California: Literature Award · Southern California Council on Literature for Children and Young People Award · Woodward School Annual Book Award · Friends of the Library Award, University of California at Irvine
