I Believe in Angels...

Becoming an Angel

It is 1974 and the country is still struggling to come to terms with the Vietnam War. In the small town of Conners, Georgia, Darcy has just started high school, her older sister Adel goes to weekend dances at the local Army base, and their mother tends her beautiful garden—the biggest and best in town. But Darcy’s world is soon changed forever when her mother goes to Atlanta for tests. The diagnosis is not good—breast cancer. There is so much Darcy wants to talk to her mother about: the war and what happened to the soldiers who were there; the feelings she is having for the new (and troubled) boy in school. But she can’t. So she finds solace in her mother’s garden. There she can help the flowers her mother planted bloom.

In a world filled with violence, wars, and fear, Angela felt that a book of true angel stories would be a flash of positive light to the public. She hopes it will help to inspire others that angels are real, and all we have to do is have faith in that reality of protection, love, and joy.

How is Philip ever going to get a pet, the one thing he wants most in the world, when his parents say no to his every request? With Angel’s help Philip tries again. Philip knows it’s his last chance. How will this plan turn out? Will Philip’s wish come true, or will he meet with disappointment again?

A Tribute to My Wife, “Rutha M. Hall” with “3” Little Angels God Sent

Take Pleasure Louiseann's Struggle

This tribute is to the woman that before her, I was less than nothing, and with her, I started to become something, and now I’m invincible. She brought me from nothing to something to someone who can change the world. When I was a boy growing up, most people said I wouldn’t live to reach manhood, but if I did, I would end up in jail. But by the grace of God and the support from my wife, I proved them all wrong. I give thanks every day to God for putting you in my life. I also give thanks to you for staying with me after all the wrong, pain, disappointment, and suffering I caused you. But most of all, for not killing me in my sleep (God knows you had every reason to do so). You have been the anchor that kept my ship from drifting away, the thing that held it in place when it was drifting out to the open sea. Because of you, I was able to charter a new course, maintain it, and reach our goals. If God had not put you in my life, my ship would have sail to places unknown!a place where there is no future (where time stands still), a place where lost people end up (hell on earth). Thank you for saving me from that, thank you for showing me the right directions to the right places in life, and a thank you for helping me get there. I can’t even see life without you with me; all I can see without you is an empty space!like a black hole with no light at the end (a dead end). My future would be nothing without you being in the future with me. You are my better half. That part of me where good exists. The part that will take me from the darkness into the light. This book is a tribute to you, my wife, Rutha M. Hall, because you are the wind in my sails wherever my ship ends up. It’s because of your wind and God’s navigation. I was just the tool he used, a blind man that couldn’t see. So this book is a tribute to the most wonderful woman God could ever send a man. He sent me you, Rutha M. Hall, a woman who could stay with a man after all the wrong and bad things he did to you. Thank you from the bottom of my heart. You stayed with me after all the disrespect, the women, the drugs, and alcohol for over thirty years. Again, thank you, and please, please, forgive me (once more)! Because I know this (ship) has other goals to reach, and I know this (ship) will reach those goals because of your wind and God’s navigation. How can it not? Thank you for being my wife, Rutha M. Hall. You saved my life.
