

## Bad Habit Bad Love Book 1

*Twenty-something Kat Reid is loving life as an in-demand Hollywood makeup artist. She has absolutely no interest in rock 'n' roll, but in order to pay the mortgage, she agrees to work on the set of a rock video for the world-famous rockers known as Bad Habit...which brings her face-to-face with Nico Nyx, lead singer of Bad Habit and Adonis in the flesh. However, the fiercely independent Kat isn't impressed by the hard-living, womanizing rock star. But when Nico's model girlfriend shows up to the set drunk and Kat is tapped to replace her as the video's sexy bride, her combustible chemistry with Nico suddenly threatens to consume the set. Nico feels it, too--and becomes determined to win Kat over, body and soul. Yet behind his rock god swagger, Nico hides a dark secret. Can he rock Kat's world forever, or will he just break her heart?*

**LEARN:: How to Break Bad Habits and Build Powerful, Positive Routines** Do you: Often snack on junk food, watch too much T.V., spend too much money or binge eat? Wish you could stop smoking or drinking excessively? Have a small (but annoying) habit you'd like to break? We all have a specific bad habit we'd like to break. Odds are, you've tried in the past and maybe you were successful for a few days. Then something unexpected came up where you slipped for a day or two. One mistake snowballs into a series of setbacks. Eventually you give up on the idea of making a habit change simply because it's too difficult to do. The interesting thing? We've all experienced this pattern at some point in our lives. Fortunately there's a quick fix: Make a plan for breaking that habit and follow it on a daily basis. **RIGHT NOW:: Pick a Bad Habit, Make a Plan and Start Today!** It doesn't matter if you've failed with your habit efforts in the past. It doesn't mean you're lazy or weak-willed. It means you didn't have the right tools for making a lasting habit change. What you need is a strategy for identifying your worst habits and learning how to overcome them. That solution is a book called: **"Bad Habits No More: 25 Steps to Break ANY Bad Habit."** **Bad Habits No More: 25 Steps to Break ANY Bad Habit** With this book you will learn: Why "Willpower" is a Dangerous Word for Changing Routines The \*One Thing\* People Get Wrong with Building Habits (Step #2) A 3-Step Process for Identifying the "Why" Behind Your Bad Habit (Step #9) Why Cold-Turkey Solutions Rarely Work (Step #6) How Certain Locations can Short-Circuit Your Efforts (Step #19) The "What-The-Hell Effect" and How it Causes Binge Behaviors (Step #21) How a 30-Day Challenge is the First Step to Permanent Habit Change (Step #3) The Best Tools & Apps to Track Your New Habits (Steps #15 & #17) You don't have to be controlled by bad habits. You can break them by following a step-by-step blueprint. **Would You Like To Know More?** Download now and take that first step to breaking that specific habit. Scroll to the top of the page and select the Buy Now button.

**NEW YORK TIMES BESTSELLER** • The author of *The Happiness Project* and “a force for real change” (Brené Brown) examines how changing our habits can change our lives. “If anyone can help us stop procrastinating, start exercising, or get organized, it’s Gretchen Rubin. The happiness guru takes a sledgehammer to old-

*fashioned notions about change.”—Parade Most of us have a habit we’d like to change, and there’s no shortage of expert advice. But as we all know from tough experience, no magic, one-size-fits-all solution exists. It takes work to make a habit, but once that habit is set, we can harness the energy of habits to build happier, stronger, more productive lives. In *Better Than Before*, acclaimed writer Gretchen Rubin identifies every approach that actually works. She presents a practical, concrete framework to allow readers to understand their habits—and to change them for good. Infused with Rubin’s compelling voice, rigorous research, and easy humor, and packed with vivid stories of lives transformed, *Better Than Before* explains the (sometimes counterintuitive) core principles of habit formation and answers the most perplexing questions about habits: • Why do we find it tough to create a habit for something we love to do? • How can we keep our healthy habits when we’re surrounded by temptations? • How can we help someone else change a habit? Rubin reveals the true secret to habit change: first, we must know ourselves. When we shape our habits to suit ourselves, we can find success—even if we’ve failed before. Whether you want to eat more healthfully, stop checking devices, or finish a project, the invaluable ideas in *Better Than Before* will start you working on your own habits—even before you’ve finished the book.*

*Creating Authentic Customer Connections in a High-Tech World In The Relationship Economy, author John DiJulius teaches business leaders about the importance of relationship building in the digital age. He argues that in spite of (and because of) the advances in tech, we’ve become a less connected society. We have dramatically evolved away from face-to-face communication, and the skill of building rapport is evaporating. This means that customer personalization and relationships are more important now than ever—and they will be the key to success for businesses moving forward. As he aptly states, “Being able to build true sustainable relationships is the biggest competitive advantage in a world where automation, artificial intelligence, and machine learning are eliminating the human experience, which is what creates the emotional connections that build true customer loyalty.” This book reminds readers of the importance of personal connections and shows them how to attain meaningful, lasting relationships with their customers.*

*Evangeline Thorne is privileged. Beautiful and popular, if not a little jaded. A chance encounter with a green-eyed stuntman sets off a chain of events that turns her perfect, little world upside down. Short on options and desperate for adventure, she joins the traveling carnival for the summer. Thrust into a world full of drama, deception, and secrecy, Evangeline tries to find herself and protect her heart in the process. Sebastian McAllister is cursed. He knows better than to think otherwise. He’s content to live out the rest of his life traveling the country as one of the four Sons of Eastlake, seeking thrills the only way he knows how. The one thing he doesn’t see coming is the spoiled blond with stars in her eyes. The only problem is, the more time he spends with her, the more hope starts to stir in his dormant heart. Too bad hope is a dangerous thing when you’re a McAllister.*

*What I Learned About Making and Breaking Habits--to Sleep More, Quit Sugar, Procrastinate Less, and Generally Build a Happier Life*

Definitive novel of the "Lost Generation" focuses on the coming of age of Amory Blaine, a handsome, wealthy Princeton student. Fitzgerald's first novel and an immediate, spectacular success. Note. From four stunning and accomplished French women—a charming bestseller about how to slip into your inner cool and be a Parisienne. In short, frisky sections, these Parisian women give you their very original views on style, beauty, culture, attitude and men. The authors—Anne Berest, Audrey Diwan, Caroline de Maigret, and Sophie Mas—unmarried but attached, with children—have been friends for years. Talented bohemian iconoclasts with careers in the worlds of music, film, fashion and publishing, they are untypically frank and outspoken as they debunk the myths about what it means to be a French woman today. Letting you in on their secrets and flaws, they also make fun of their complicated, often contradictory feelings and behavior. They admit to being snobs, a bit self-centered, unpredictable but not unreliable. Bossy and opinionated, they are also tender and romantic. You will be taken on a first date, to a party, to some favorite haunts in Paris, to the countryside, and to one of their dinners at home with recipes even you could do -- but to be out with them is to be in for some mischief and surprises. They will tell you how to be mysterious and sensual, look natural, make your boyfriend jealous, and how they feel about children, weddings and going to the gym. And they will share their address book in Paris for where to go: *At the End of the Night*, for *A Birthday*, for *A Smart Date*, *A Hangover*, for *Vintage Finds* and much more.

Offers general advice on training dogs to be obedient and provides solutions for dealing with specific problems

Jenny McCarthy--actress, comedian, activist, and New York Times bestselling author--candidly recounts her humorous Catholic upbringing, from her childhood dream of becoming a nun to her *Playmate of the Year* centerfold, and all of the Hail Mary's in between. In keeping with the theme of her comedic New York Times bestsellers, from *Belly Laughs* to *Love, Lust & Faking It*, McCarthy brings her trademark honesty, humility, and humor to bear as she chronicles her often embarrassing, occasionally outlandish, and always entertaining life as a born-and-raised Catholic girl. Jenny attended one of the most prestigious all-girl Catholic schools in Chicago. While most young girls in Jenny's neighborhood were playing with Cabbage Patch dolls for fun, Jenny was playing with Jesus, Mary, and Joseph dolls. She had every intention of growing up and becoming a nun, but a few hilarious speed bumps and blinking red lights along the way changed her mind. Jenny never did accept Sister Mary's reasoning that she could avoid purgatory if she just bought a string

necklace for \$10. The fact that two of her aunts are simultaneously nuns and cops-yes, they carry guns and shoot people while wearing a habit-never made complete sense to her. And neither does her mother's insistence that Jenny bury certain religious statues in the front lawns of her houses before she sells them. But then again, Jenny does have four of them buried across Southern California. This book tells the story of what went wrong during Jenny's Catholic upbringing, or, as Jenny puts it now, what went right. Chapters include: "I Knew I Should Have Worn Underwear to Church", "Jesus' Baby Mama", "Can Someone Kill Our Dog, Please?", and "Oh No, My Mom is Going to Hell." Bad Habits is a brutally honest, hilarious memoir that will delight the legions of Jenny McCarthy fans.

From USA Today bestselling author, Willow Winters, comes a seductive and emotionally captivating second-chance romance. It's impossible to get over what we had. He was everything – irresistibly handsome, ruthlessly elite, and seemingly untouchable – while I was nothing. Yet he protected me when I was at my lowest; more than that, he wanted me. He devoured me... and I did the same to him. Until it all fell apart and I ran as far away from Madox as I could. After all, the two of us were never meant to be together. I never thought I'd see him again, years later. Let alone be under him in the way I've craved since we said goodbye. The attraction between us still burns like fire, but time can't change the past. And I don't know if it's possible for us to mend all of our broken pieces. "Winters creates another masterpiece of beautiful storytelling and leaves her readers breathless." - Nicki - The Overflowing Bookcase This romance was originally published in the Cards of Love collection. It has been revised with additional scenes. Happy reading xx. Topics include: sweet romances, alpha man book, small town romance, possessive alpha romance, willow winters books, w. winters books, contemporary romance, contemporary, romance novels, survival romance, the best romance series ever, bestselling series, free romance, top 100 free romance, best selling free romance, free book, new adult, college.

Badass Habits

*Imani Jones believed a man was meant to be nurtured into his true self. She often made the common mistake many women made of taking some dirt, adding blood, sweat and tears to turn it to clay, molding it, fashioning it, polishing it up and putting it in the window for display. Then, they went out and found a more refined piece of pottery to match the beauty she had bestowed in them. It was a Catch-22 and she had come to the conclusion that she was meant to be alone... A woman of affairs. Affairs that left a new scent lingering on her skin each night. Until Vincent Garvey entered the picture. A tall, dark, sexy man who demanded her attention almost immediately. He saw her as his rib, the completion of himself and shows her another side of love. The tender, loving and caring side she thought she would never embrace again. Will Imani get past her love, lust, and trust issues and allow herself to receive the love the Vincent would like to mold her with and restore all that she has given away? Or will Vincent prove to be just another man who is playing games with her heart?*

*Come for a visit in Bear Country with this classic First Time Book® from Stan and Jan Berenstain. Join Mama, Papa, and Brother, as they try and help Sister break a very bad habit . . . biting her nails. Will she manage to get her bad habit under control, or will she end up stuck as a nail nibbler. This beloved story is a perfect way to teach children about the importance of overcoming bad habits.*

*Why do we stay stuck in unwanted relationship patterns that keep us in addictive relationships, breaking hearts and being broken hearted? How can we break free from the relationship issues that keep us locked in unfulfilling romantic partnerships? In her self-help relationship book for women, Emily Rose guides the reader through an inner journey that facilitates a perspective shift, answering these and other challenging questions that hopeless (and hopeful) romantics have been seeking for years. This book will teach you not just how to break a bad habit, but how to break your bad love habits. In this how-to guide and corresponding relationship workbook, you'll discover: - Exercises to implement immediately to help you attract the love and respect you deserve - Practices to take into your everyday life to instill healthy habits in life and love - Worksheets that will reveal unconscious patterns so you can stop playing relationship games and start having successful, fulfilling romantic relationships Break Your Bad Love Habits takes the reader through a 5-step process that helps them to have more authentic, fulfilling, and successful romantic relationships. This book will teach single ladies and gentlemen and people currently in relationships techniques that will help them let go of the past, stop being codependent, and learn to love themselves first and then call in their ideal partnership. This book presents familiar scenarios and gives clear, actionable steps for creating the best dynamic possible in (and out) of romantic relationships. The download of this book includes a free relationship workbook that will add another dimension to the reader's transformation process. This relationship advice book will help you ditch those toxic relationships, build trust in relationship, have better relationship communication, and ultimately help you call in the happy relationship you crave. Amplify your personal power with these invaluable relationship tips, and learn how to love from a place of love rather than fear.*

*The past she can't remember. The secret he hides. And a love that's worth risking it all. After a devastating car crash stole both her family and her memory, Grace Stanton was left with no past and an uncertain future. Now Grace likes to keep things simple. No sleepovers, never date a guy more than a month, and never, ever fall in love. Which is exactly why Grace avoids Bad Habit's lead guitarist, Brody Scott, at all costs. The green-eyed, sexy-as-hell musician has "trouble" tattooed all over him, and Grace isn't taking any chances with her heart. Brody knows he doesn't deserve an amazing woman like Grace—her creamy skin, red hair, or that smart mouth that fuels his every fantasy—but there's something between them that's more than chemistry. Something real. He'll just have to convince Grace that he's worth the risk—and hide the secret that haunts his worst dreams. But when fate plays a cruel hand, Brody's darkest sin suddenly threatens his last chance at redemption...and the life of the woman he loves.*

*A leading neuroscientist and pioneer in the study of mindfulness explains why addictions are so tenacious and how we can learn to conquer them We are all vulnerable to addiction. Whether it's a compulsion to constantly check social media, binge eating, smoking, excessive drinking, or any other behaviors, we may find ourselves uncontrollably repeating. Why are bad habits so hard to overcome? Is there a key to conquering the cravings we know are unhealthy for us? This book provides groundbreaking answers to the most important questions about addiction. Dr. Judson Brewer, a psychiatrist and neuroscientist who has studied the science of addictions for twenty years, reveals how we can tap into the very processes that encourage addictive behaviors in order to step out of them. He describes the mechanisms of habit and addiction formation, then explains how the practice of mindfulness can interrupt these habits. Weaving together patient stories, his own experience with mindfulness practice, and current scientific findings from his own lab and others, Dr. Brewer offers a path for moving beyond our cravings, reducing stress, and ultimately living a fuller life.*

NOW WITH A FOREWORD BY RON RASH AND AN APPRECIATION BY DWIGHT GARNER "One of the finest books I know about blue-collar work in America, its rewards and frustrations . . . If you are among the tens of millions who have never read Brown, this is a perfect introduction." —Dwight Garner, *The New York Times* On January 6, 1990, after seventeen years on the job, Larry Brown quit the Oxford, Mississippi, fire department to try writing full-time. In *On Fire*, he looks back on his life as a firefighter. His unflinching accounts of daily trauma—from the blistering heat of burning trailer homes to the crunch of broken glass at crash scenes—catapult readers into the hard reality that drove this award-winning novelist. As a firefighter and fireman-turned-author, as husband and hunter, and as father and son, Brown offers insights into the choices men face pursuing their life's work. And, in the forthright style we expect from Larry Brown, his narrative builds to the explanation of how one man who regularly confronted death began to burn with the desire to write about life. Jonah taught Cas a million ways to protect his body but not one to protect his heart. Smart-mouthed hacker Caspian escaped an abusive home at sixteen. Now he's one of the most sought-after black hatters in the world. Jonah is a ruthless contract killer with only one weakness, the vibrant runaway he took in years ago: Caspian. But Cas bailed when he turned eighteen, and Jonah has maintained a steady diet of eat, kill, sleep since then. Jonah had always been the fatal flaw in Cas's code, the bug that froze the part of his brain separating logic from emotion. A threat to Cas's life brings him back years later—not as the boy Jonah remembers, but as a hardened computer hacker with a price on his head and a list of names everybody wants. The chemistry between them is as undeniable as it is dangerous. In a world of secrets and murder, trust is a liability and feelings can get you killed. But Jonah let Cas go once, and he's not willing to do it again. Even if it means confronting his past, solving a twisted puzzle, and taking out half of New York City's seedy underbelly to keep Cas safe. *Bad Habits* is a steamy, action-packed thrill ride of a romance with a HEA and no cliffhangers. It features morally ambiguous men, pancakes drizzled with snark, chosen family, drive-in movies, and the kind of love that drives a guy to murder in order to protect. In short: all the emo, heat, and sarcasm you'd probably expect from an Onley/Neve collaboration. This is book 1 in the *Wages of Sin* series. Each book will follow a new couple.

tepdaddy Savage is a smutty Taboo novella featuring an over-the-top alpha. Read at your own risk You do not say no to Graham Savage, because Graham Savage doesn't ask. Just like his name suggests, he takes, and right now, he believes I'm his. He is a cold, calculated, ruthless, formidable Irish mobster, and... my step-dad. Regardless of the fact that it's nothing more than a business transaction, he's technically married to my mom. Even still, I find myself scared to be caught, yet even more terrified of being cut loose. They say love is like a butterfly—well, we are about to prove to the world that it's also like a punch in the face. Sometimes inevitable—and always painful

Asher and Briar are attracted even though the odds are against them.

Three things my mother acquired when she became engaged: 1. A brand new Tiffany's ring. 2. A lavish home on Heartbreak Hill. 3. Three privileged stepsons. The last thing I expected was to fall for one of them, least of all Thayer Ames. Beautiful, brooding, and untouchable. I knew it was a bad idea. He warned me himself. But he was a thunderstorm, and I never could resist the rain. It was perfect...Until it wasn't. One night was all it took for our world to crumble, leaving only secrets and lies between us. Now, I have to face him again, but the boy I used to know has become the man who loves to hate me.

Chloe Carmichael's life feels pretty sweet--she's both maid of honor and florist for her best friend's A-list wedding, things are getting serious with her boyfriend, and her flower shop is about to get a spread in a national magazine. But it all quickly turns sour whenever the best man, Bad Habit drummer A.J.

Edwards, shows his face...his handsome, unforgettable face. A.J. is everything Chloe doesn't want: tattooed, selfish, and all-around bad news. So why can't she stop thinking about him? Goody two-shoes Chloe isn't exactly A.J.'s type, either, but the chemistry between them is undeniable. A.J. will be the first to say he isn't a saint, but there's something he's not saying--something that would devastate Chloe. The only way he can protect her is to push her away, but the drummer finds he needs her now more than ever. When a wedding-day confrontation reveals secrets they're both hiding, will Chloe and A.J. ever find their rhythm again?

Remington Stringer has never been like most girls. She's outspoken, brazen and wants nothing more than to escape the Nevadan hell hole that she calls home. On the brink of eighteen, with a deceased mother and a well-meaning, yet absent father, she is forced to fend for herself. The only person she's ever had to depend on is her borderline obsessive stepbrother, Ryan. But, what used to be her anchor is quickly becoming a loose cannon. When Remi gets the opportunity to attend the best private school in the state during her senior year of high school, she jumps at the chance. Then she meets Mr. James. Ornerly, aloof, and totally irresistible. Most girls would swoon in secrecy. Most girls would doodle his name with hearts in their notebook. But Remi Stringer has never been like most girls.

A seemingly ordinary village participates in a yearly lottery to determine a sacrificial victim.

A landmark book about how we form habits, and what we can do with this knowledge to make positive change We spend a shocking 43 percent of our day doing things without thinking about them. That means that almost half of our actions aren't conscious choices but the result of our non-conscious mind nudging our body to act along learned behaviors. How we respond to the people around us; the way we conduct ourselves in a meeting; what we buy; when and how we exercise, eat, and drink—a truly remarkable number of things we do every day, regardless of their complexity, operate outside of our awareness. We do them automatically. We do them by habit. And yet, whenever we want to change something about ourselves, we rely on willpower. We keep turning to our conscious selves, hoping that our determination and intention will be enough to effect positive change. And that is why almost all of us fail. But what if you could harness the extraordinary power of your unconscious mind, which already determines so much of what you do, to truly reach your goals? Wendy Wood draws on three decades of original research to explain the fascinating science of how we form habits, and offers the key to unlocking our habitual mind in order to make the changes we seek. A potent mix of neuroscience, case studies, and experiments conducted in her lab, *Good Habits, Bad Habits* is a comprehensive, accessible, and above all deeply practical book that will change the way you think about almost every aspect of your life. By explaining how our brains are wired to respond to rewards, receive cues from our surroundings, and shut down when faced with too much friction, Wood skillfully dissects habit formation, demonstrating how we can take advantage of this knowledge to form better habits. Her clear and incisive work shows why willpower alone is woefully inadequate when we're working toward building the life we truly want, and offers real hope for those who want to make positive change.

The #1 New York Times bestseller. Over 4 million copies sold! *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad

habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to:

- make time for new habits (even when life gets crazy);
- overcome a lack of motivation and willpower;
- design your environment to make success easier;
- get back on track when you fall off course; ...and much more.

Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Break Your Bad Love Habits

Building Stronger Customer Connections in the Digital Age

**The world's leading expert on habit formation shows how you can have a happier, healthier life: by starting small. Myth: Change is hard. Reality: Change can be easy if you know the simple steps of Behavior Design. Myth: It's all about willpower. Reality: Willpower is fickle and finite, and exactly the wrong way to create habits. Myth: You have to make a plan and stick to it. Reality: You transform your life by starting small and being flexible. BJ FOGG is here to change your life--and revolutionize how we think about human behavior. Based on twenty years of research and Fogg's experience coaching more than 40,000 people, Tiny Habits cracks the code of habit formation. With breakthrough discoveries in every chapter, you'll learn the simplest proven ways to transform your life. Fogg shows you how to feel good about your successes instead of bad about your failures. Already the habit guru to companies around the world, Fogg brings his proven method to a global audience for the first time. Whether you want to lose weight, de-stress, sleep better, or be more productive each day, Tiny Habits makes it easy to achieve.**

**Bad HabitCreatespace Independent Publishing Platform**

**The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from the author of The Ministry of Utmost Happiness NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, The God of Small Things is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.**

**I HAVE A BAD REPUTATION. Call me what you want: Bad Boy Next Door. Trouble.**

**That Kid Who Can't Do Anything Right.** When Willow moves into my neighborhood, nothing should have happened. She's geeky. Shy. A true wallflower. Willow is a good girl. Too good for me. And how the hell was I supposed to know that she's related to Loren Hale--yeah, that douchebag celebrity that lives on my street. The same guy I've been pranking by spray painting vulgar words on his mailbox and worse. Much worse. Don't ask me why I do the things I do. Don't ask me why it had to be her. I'm cursed. Simple as that. But here's the thing about people who are cursed--they break everything they touch. And yet. . .I still want to touch her.

**Did Jesus have bad habits?** In our culture, we have a tendency to describe Jesus in ways that soften his revolutionary edge. Len Sweet uncovers and presents to us the offensive and scandalous Jesus described in the Bible. Did he disappear when people needed him most? Yes. Did he refuse to answer questions directly? Yes. Did Jesus offend the people of his day? Absolutely, yes. Popular author and speaker Len Sweet examines the words and actions of Jesus and places them in context. We need to understand who Jesus really is if we are to follow him wholeheartedly. That is why it is so crucial to see the "rebellious rabbi" for who he is and not for who we may imagine him to be. The Bad Habits of Jesus will help you see the untamed Jesus, who isn't sanitized for our culture. That Jesus just might transform how you live out your life.

Capturing the elusive, awesome force of momentum. Catch this, and you'll be unstoppable. The acceleration secrets of superachievers. Do they have an unfair advantage? Yes they do, and now you can too!*

*AllieWhen I moved to River's Edge, dating was the last thing on my mind. I definitely didn't expect to fall for him. Jesse Shepherd. Popular. Star athlete. Cocky as hell. You know the type. But as time passed, I realized there was more lurking beneath that gorgeous exterior. Secretive. Angry. A little bit broken. The more I peeled back his layers, the deeper I fell. Until I slammed headfirst into his sea of lies. JessI blew my shot. Pissed everything away--college, lacrosse, my future--only to end up right back where I started in River's Edge. I was content to revel in my misery, spending my days drowning in a bottomless pit of booze and girls. Until I saw her. Allison Parrish. Beautiful. Sarcastic. Perpetual bad attitude. The pretty little distraction from the shit show that was my life. But the sins of my past*

were closing in on me, and I learned the hard way that nothing gold can stay.

**#1 NEW YORK TIMES BESTSELLER • NEWBERY MEDAL WINNER • NATIONAL BOOK AWARD WINNER** Dig deep in this award-winning, modern classic that will remind readers that adventure is right around the corner--or just under your feet! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. "A smart jigsaw puzzle of a novel." —*New York Times* \*Includes a double bonus: an excerpt from *Small Steps*, the follow-up to *Holes*, as well as an excerpt from the *New York Times* bestseller *Fuzzy Mud*. *Pinocchio, The Tale of a Puppet* follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. *Pinocchio, The Tale of a Puppet* is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinocchio. It includes 40 illustrations.

*Lo Moving to River's Edge* was supposed to be a fresh start. Away from chaos. Away from bad influences and worse relationships. All I wanted was to give my little brother more of a chance than I ever had. It should've been simple. I didn't count on my transgressions following me. And I definitely didn't count on meeting Dare. Tall, tortured, and tattooed. A *Lost Boy* through and through. Falling for someone like him was asking for heartache. But I was a sucker for punishment. Dare I had a routine. Eat, work, sleep, repeat, only ever doing the bare minimum to keep up appearances. I kept my circle small and my guard high. I spent years making sure I didn't repeat the mistakes of my past, forming an impenetrable layer of ice around my heart. Then Logan showed up in my town, in my tattoo shop, testing my patience along with my self-control. She was fire and I was ice. I should've stayed away. But I had been cold for far too long.

*The God of Small Things*

'Heart-warming and hilarious, this is a book you need on your shelves in these bleak times.' *Irish Times* Perfect for fans of *Sex Education* and *Derry Girls*. Alex is a rebel with a purple fauxhawk and biker boots. St Mary's Catholic School is the strict boarding school where she's

currently trapped. Despite trying everything she can to get expelled, she's still stuck with the nuns, the prudish attitude and the sexism. So Alex decides to take matters into her own hands. She's going to stage the school's first ever production of *The Vagina Monologues* . . . Trouble is, no one else at St Mary's can even bear to say the word 'vagina' out loud! A riotously funny novel about the importance of friendship and finding your voice.

A whip-smart psychological thriller from the author of *Good as Gone* (a New York Times Notable Book), in which a grad student becomes embroiled in a deadly rivalry that changes her into someone unrecognizable to her struggling family, her ambitious academic friends, and even herself Claire "Mac" Woods--a professor enjoying her newfound hot-shot status at an academic conference--finally has the acceptance and admiration she has long craved. But at the conference's hotel bar, Mac is surprised to run into a face from a past she'd rather forget: the moneyed, effortlessly perfect Gwendolyn Whitney, Mac's foil, rival, and former best friend. When Gwen moved to town in high school, Claire--then known as Mac, a poor kid from a troubled family who had too much on her plate--saw what it meant to have. Money, sophistication, culture, the very blueprints to success. Mac had almost nothing, except the will to change. Change she did, habitually grinding herself to work as hard as straight-A Gwen, even eventually getting admitted into the same elite graduate program as Gwen. But then Mac and Gwen become entangled with the department's power-couple professors and compete head-to-head for a life changing fellowship. The more twisted the track toward success becomes, the more Mac has to contort herself to stay one step ahead--which deception signals the point of no return? Jack-knifing between Mac's world-expanding graduate days and the crucible of the hotel and its unexpected guests, *BAD HABITS* follows Mac's reckoning between her hardscrabble past and tenuous present. What, exactly, did Mac do to get what she has today? And what will she do to keep it? With taut, powerful prose, Amy Gentry asks how far we'll go to get what we want--and whether we can ever truly leave the past behind.

Mollie I was freshly fired from my job and betrayed by my boyfriend. It was a new low for me. A one-night stand with an arrogant stranger was just what I needed. I didn't know that he was a famous snowboarder, or that he'd give me the best sex of my life. I wasn't ever supposed to see him again. Fate had other plans. Cam I was young and rich with the whole world at my fingertips. I was in my prime. A one-night stand with a hot little tourist on the rebound was the perfect way to spend my weekend. I didn't know she'd leave in the middle of the night, or that I'd wake up wanting more. I never thought I'd see her again. Now she's

back. She's been keeping a secret. One that will change everything. The hidden brain is the voice in our ear when we make the most important decisions in our lives—but we're never aware of it. The hidden brain decides whom we fall in love with and whom we hate. It tells us to vote for the white candidate and convict the dark-skinned defendant, to hire the thin woman but pay her less than the man doing the same job. It can direct us to safety when disaster strikes and move us to extraordinary acts of altruism. But it can also be manipulated to turn an ordinary person into a suicide terrorist or a group of bystanders into a mob. In a series of compulsively readable narratives, Shankar Vedantam journeys through the latest discoveries in neuroscience, psychology, and behavioral science to uncover the darkest corner of our minds and its decisive impact on the choices we make as individuals and as a society. Filled with fascinating characters, dramatic storytelling, and cutting-edge science, this is an engrossing exploration of the secrets our brains keep from us—and how they are revealed.

A coloring book designed specifically for fans and readers of Douglas Preston and Lincoln Child's Pendergast series.

Good Habits, Bad Habits

New York Times bestselling author Jen Sincero gets to the core of transformation: habits--breaking, making, understanding, and sticking with them like you've never stuck before. *Badass Habits* is a eureka-sparking, easy-to-digest look at how our habits make us who we are, from the measly moments that happen in private to the resolutions we loudly broadcast (and, erm, often don't keep) on social media. Habit busting and building goes way beyond becoming a dedicated flosser or never showing up late again--our habits reveal our unmet desires, the gaps in our boundaries, our level of self-awareness, and our unconscious beliefs and fears. *Badass Habits* features Jen's trademark hilarious voice and offers a much-needed fresh take on the conventional wisdom and science that shape the optimism (or pessimism?) around the age-old topic of habits. The book includes enlightening interviews with people who've successfully strengthened their discipline backbones, new perspective on how to train our brains to become our best

selves, and offers a simple, 21 day, step-by-step guide for ditching habits that don't serve us and developing the habits we deem most important. Habits shouldn't be impossible to reset--and with healthy boundaries, knowledge of--and permission to go after--our desires, and an easy to implement plan of action, we can make any new goal a joyful habit.
