Behind the glamorous facade of elite Belgian society lies a seedy world unseen by the public eye—but nothing stays hidden forever Inspector Pieter Van In is begrudgingly finishing up a healthy lunch when he hears the news: While restoring their farmhouse, the Vermasts have found a skeleton in the backyard. Van In, who happens to be married to the deputy public prosecutor, is determined to solve the case in double-quick time and squeeze in one last vacation before the birth of his first child. But this murder is trickier than it looks. The Vermasts ’ land belonged to the most prominent businessman in West Flanders before it was suddenly handed over to a right-wing charity. The heavily endowed foundation appears to have no expenditures or investments. So who ’ s financing it—and why? Before he knows it, Van In finds himself in the middle of a complex web—one that involves high-level officials, local law enforcement, and common thugs. The harder he tries to unravel the thread, the more difficult it becomes to uncover the secrets that the charity ’ s benefactors are trying to hide. This time Van In will have to risk lives to find out the truth.

Who's to blame when a vain, heedless king meets his comeuppance? He is, of course! Fans of Tomi Ungerer's mischievous humor and Jon Agee's sly morality tales will be delighted by this hilarious read-aloud about a long, long beard and its short-sighted royal owner, by a popular Belgian illustrator, designer, and animation whiz. The lush, golden royal beard is a wondrous thing - especially to the king himself. He spends his days admiring and grooming it, and passes laws making it a crime punishable by death for anyone else's face to sport even a single hair. As the people of the kingdom nervously shave daily, the royal beard grows and grows until it appears at the palace's back gate. What happens next will have readers laughing along -- and cheering for the astronomers who, unlike the tyrannical king, know that the earth is round.

A sensuous, textured novel of life in a refugee camp, long-listed for the Orwell Prize for Political Fiction On a hill overlooking a refugee camp in Sudan, a young man strings up bedsheets that, in an act of imaginative resilience, will serve as a screen in his silent cinema. From the cinema he can see all the comings and goings in the camp, especially those of two new arrivals: a girl named Saba, and her mute brother, Hagos. For these siblings, adapting to life in the camp is not easy. Saba mourns the future she lost when she was forced to abandon school, while Hagos, scorned for his inability to speak, must live vicariously through his sister. Both resist societal expectations by seeking to redefine love, sex, and gender roles in their lives, and when a businessman opens a shop and befriends Hagos, they cast off those pressures and make an unconventional choice. With this cast of complex, beautifully drawn characters, Sulaiman Addonia details the textures and rhythms of everyday life in a refugee camp, and questions what it means to be an individual when one has lost all that makes a home or a future. Intimate and subversive, Silence Is My Mother Tongue dissects the ways society wages war on women and explores the stories we must tell to survive in a broken, inhospitable environment.
