“The children and nature movement is fueled by this fundamental idea: the child in nature is an endangered species, and the health of children and the health of the Earth are inseparable.”

—Richard Louv, from the new edition In his landmark work *Last Child in the Woods*, Richard Louv brought together cutting-edge studies that pointed to direct exposure to nature as essential for a child’s healthy physical and emotional development. Now this new edition updates the growing body of evidence linking the lack of nature in children’s lives and the rise in obesity, attention disorders, and depression. Louv’s message has galvanized an international back-to-

nature campaign to “Leave No Child Inside.” His book will change the way you think about our future and the future of our children. “[The] national movement to ‘leave no child inside’ . . . has been the focus of Capitol Hill hearings, state legislative action, grass-roots projects, a U.S. Forest Service initiative to get more children into the woods and a national effort to promote a ‘green hour’ in each day. . . . The increased activism has been partly inspired by a best-selling book, *Last Child in the Woods*, and its author, Richard Louv.” —The Washington Post “*Last Child in the Woods*, which describes a generation so plugged into electronic diversions that it has lost its connection to the natural world, is helping drive a movement quickly flourishing across the nation.” —The Nation’s Health “This book is an absolute must-read for parents.” —The Boston Globe Now includes A Field Guide with 100 Practical Actions We Can Take Discussion Points for Book Groups, Classrooms, and Communities Additional Notes by the Author New and Updated Research from the U.S. and Abroad 2022 Pura Belpré Honor Book NYPL Best Book of 2021 Texas Bluebonnet Master List Selection NPR Best Book of 2021 Based on a true story, the tale of one girl's perilous journey to cross the U.S. border and lead her family to safety during the Mexican Revolution. Before her papa is dragged away by soldiers, Petra vows to him that she will care for the family she has left—her abuelita, little sister Amelia, and baby brother Luisito—until they can be reunited. They flee north through the unforgiving desert as their town burns, searching for safe harbor in a world that offers none. Each night when Petra closes her eyes, she holds her dreams close, especially her long-held desire to learn to read. Abuelita calls these barefoot dreams: "They're like us barefoot peasants and indios—they're not meant to go far." But Petra refuses to listen. Through battlefields and deserts, hunger and fear, Petra will stop at nothing to keep her family safe and lead them to a better life across the U.S. border—a life where her barefoot dreams could finally become reality. "Dobbs' wrenching debut, about family, loss, and finding the strength to carry on, illuminates the harsh realities of war, the heartbreaking disparities between the poor and the rich, and the racism faced by Petra and her family. Rediscovering Church is the candid story of Willow Creek Community Church's phenomenal growth, from 100 members meeting in a Palatine, Illinois, movie theater to its present Sunday morning attendance of 15,000. Bill Hybels and his wife, Lynne, tell about Willow Creek's beginnings, its struggles, the philosophy behind its success, and the strategies that have made it a model for church growth. The first half of the book, written by Lynne Hybels, explores the early years of Willow Creek and the personal accounts behind one of this century's most remarkable church stories. It offers an honest look at the ways God has used both the strengths and weaknesses of His people, creating a church of believers who have had tremendous impact for Christ in their community. In the second half of Rediscovering Church, Bill Hybels helps you apply the strengths of Willow Creek's ministry philosophy to your own congregation's mission. From mission statements to developing leadership, making sound financial decisions, and handling growth, Bill stresses that God wants to build His church to be an effective and committed community of faith that reaches

out to a hurting world, to be the body of Christ in real and tangible ways. Rediscovering Church draws on the experiences of Willow Creek to show how one fellowship crystallized its mission and methodology, its vision and values. The Willow Creek story provides an example that churches and individuals alike can turn to for inspiration, encouragement, and a means of uncovering the pattern for their own unique mission and ministry. Give your life away and discover God's unique purpose for you. As a first grader living deep in the Liberian jungle, Palmer Chinchon watched a young African girl quietly pull the shoes off her feet—her only shoes, her only protection from the parasites that crawl between the toes of so many tribal children—to slip them on his sister's feet, whose shoes were left behind in their burning bamboo mat house in the bush. That image of tribal love and empathy has stayed with Palmer and continues to drive his passions. Today, Palmer sees a new kind of tribe forming with the same kind of desires, a tribe of people who are bothered by the brokenness all around, who are passionate about goodness, justice, and beauty. They are leaving their places of comfort to feed the hungry, give clean water to the thirsty, build houses for the homeless, share clothes with the shivering and shoes with the barefoot. This tribe is ready to change the world for good, and we, too, must heed that call today. Conversational, fresh, and accessible, Barefoot Tribe dares us to

A 15-year-old planter's daughter commits the unpardonable social sin of marrying a man beneath her family's social station. But following her sudden death, the people of Murrell's Inlet, South Carolina, began to see a despondent ghost who haunts the countryside even today.

With nearly fifty years combined global church-planting experience, Craig Ott and Gene Wilson are well qualified to write a comprehensive, up-to-date guide for cross-cultural church planting. Combining substantive biblical principles and missiological understanding with practical insights, this book walks readers through the various models and development phases of church planting. Advocating methods that lead to church multiplication, the authors emphasize the role of the missionary church planter. They offer helpful reflection on current trends and provide best practices gathered from research and empirical findings around the globe. The book takes up a number of special issues not addressed in most church planting books, such as use of short-term teams, partnerships, and wise use of resources. Full of case studies and real examples from around the world, this practical text will benefit students, church planters, missionaries, and missional church readers.

A collection of three novellas celebrating the beauty of Christmas at Grace Chapel Inn. It s Christmas morning, and as the Howard sisters celebrate some of their family s treasured traditions, they reminisce about Christmases past. Jane reads from the Bible, as their father always did, and remembers when she took part in a living Nativity. Cast as an angel, she decided to make her part more exciting, resulting in a dangerous fall from a hayloft. She should have been seriously injured, but a Christmas miracle changed the course of her life. Louise studies the badly constructed stocking she made for her newborn

daughter Cynthia and recalls her first Christmas as a mother. And Alice examines the special ornament she received the year she organized a program to give all the animals from a nearby shelter a home for Christmas. The novellas capture a sense of nostalgia and the ideal of a good old-fashioned Christmas. Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.
