

Bark George Jules Feiffer Tbreak

A cumulative tale about a small dog named Gracie whose quiet life is disrupted by some noisy painters.

A novel-in-cartoons follows the fortunes of a man who no longer wants to be a husband and father, who no longer wants any responsibilities, who wants only to be a two year old

Everyone--even children--can make a difference! From Picasso to Malala Yousafzai, the 50 kids profiled in Never Too Young! are inspiring and empowering. This book includes historical and contemporary figures; diverse races, genders, and cultural backgrounds; and prominent names as well as more obscure stories. The featured kids have shone in philanthropy, the arts, science, sports . . . and everything in between. Includes: Louis Armstrong, Louis Braille, Ruby Bridges, Thandiwe Chama, Michael Chang, Nadia Comaneci, Kelvin Doe, Bobby Fisher, Anne Frank, Tavi Gevinson, Om Prakash Gurjar, S.E. Hinton, Askrit JawaI, Joan of Arc, Helen Keller, Wolfgang Amadeus Mozart, Pelé, Pablo Picasso, Pocahontas, Sacagawea, Shirley Temple, Venus and Serena Williams. Stevie Wonder, Malala Yousafzai, and more!

Come along for the ride as a busy toy locomotive makes its rounds through a bustling playroom. Featuring rhyming couplets and bright, bold illustrations, this story is sure to be a hit with young train lovers.

How Jessie and John Frémont Mapped the West, Invented Celebrity, and Helped Cause the Civil War

Sketches and Observations

The Annotated Phantom Tollbooth

Dog Breath

Whenever Ava can't sleep, she counts sheep. But Ava takes so long to fall asleep, it's the sheep that are growing tired-until finally, they quit! When the sheep promise to find a replacement that Ava can count on, chaos ensues as chickens, cows, pigs, hippos, and more try their hand at jumping over Ava's fence. Finding the perfectly peaceful replacement for sheep might not be so easy after all. With irresistibly adorable art, this delightful novel on a familiar sleep tactic is sure to become a bedtime favorite.

Drywater Gulch has a toad problem. Not the hop-down-your-britches, croaking-all-night toad kind of problem. The thievin', hootin' and hollerin', steal-your-gold never-say-thank-you outlaw toad kind of problem. Then hope rides into town. Sheriff Ryan might only be seven years old, and he might not know much about shooting and roping. But he knows a lot about dinosaurs. Yes, dinosaurs. And it turns out that knowing a thing or two about paleontology can come in handy when it comes to hoodwinking and rounding up a few no-good bandits. From Bob Shea and Lane Smith comes this hilarious picture book, Kid Sheriff and the Terrible Toads. This title has Common Core connections.

‘Prince Roger sets out eagerly on a quest and finds a few adventures, a lot of friends, a damsel or two in distress (not!) and himself, in the end. A ‘carrier of joy’ whose mere presence causes everyone to laugh uncontrollably, Roger finds cruelty and kindness equally amusing, and expects his quest to be a lark. It’s anything but: As Roger passes through the Forever Forest, nearly starves at the Dastardly Divide, sees people at their worst in the Valley of Vengeance, and temporarily despairs in the Mountains of Malice, he sobers up, learns to care for others, becomes an expert peacemaker, does Good Deeds, and falls in love with Lady Sadie, who says what she thinks as she repeatedly saves his bacon.’-K. ‘Feiffer’s worldly-wise, confiding tone and sense of the absurd are highly congenial, and the drawings are a vintage Feiffer delight.’-Publishers Weekly. 100 Books for Reading and Sharing 1995 (NY Public Library)

Presents advice to librarians on building a children's collection, discussing how to display works and set up a storytelling program, along with a list of one hundred classic and award-winning titles that should be standard to the collection.

The Great Gracie Chase

Knock, Knock! Who's There?

Can You Make a Scary Face?

Books Out Loud

*In Fly on the Wall, a moving and hilarious diary-style illustrated novel from the award-winning author of Pie in the Sky, a twelve-year-old boy goes on a (forbidden) solo adventure halfway around the world to prove his independence to his overprotective family. A Best Book of the Year for Kirkus, Booklist, Chicago Public Library, and School Library Journal! Henry Khoo's family treats him like a baby. He's not allowed to go anywhere without his sister/chaaperone/bodyguard. And he definitely CAN'T take a journey halfway around the world all by himself! But that's exactly his plan. After his family's annual trip to visit his father in Singapore is cancelled, Henry decides he doesn't want to be cooped up at home with his overprotective family and BFF turned NREIF (Not Really Friend Forever). Plus, he's hiding a year-life-is-over-if-you're-caught secret: he's the creator of an anonymous gossip cartoon, and he's on the verge of getting caught. Determined to prove his independence and avoid punishment for his crimes, Henry embarks on the greatest adventure everrrr... hoping it won't turn into the greatest disaster ever. Remy Lai takes readers on an adventure filled with humor, heart, and hijinks that's a sure bet for fans of Jerry Craft, Terri Libenson, and Shannon Hale! "Funny, enthralling, and a great reminder that being a little odd isn't a bad thing." —Kayla Miller, author of Click and Camp * "Near-misses and laugh-out-loud moments abound, which will endear it to readers who like 'Big Nate' and 'Wimpy Kid.'" —School Library Journal, starred review*

"In this middle-grade graphic novel, a witch named Abby and her three friends-a wolf-girl, a ghost, and a pumpkinhead-band together to try and save their supernatural town from an invasion of rabid (but adorable) chaos bunnies"--

A Vanity Fair Best Book of 2014. A Kirkus Reviews Best Fiction Book of 2014. When three daunting dolls intersect with one hapless heroine and a hard-boiled private eye, deception, betrayal, and murder stalk every mean street in...Kill My Mother. Adding to a legendary career that includes a Pulitzer Prize, an Academy Award, Obie Awards, and Lifetime Achievement Awards from the National Cartoonist Society and the Writers Guild of America, Jules Feiffer now presents his first noir graphic novel. Kill My Mother is a loving homage to the pulp-inspired films and comic strips of his youth.

Channeing Eisner's The Spirit, along with the likes of Hammett, Chandler, Cain, John Huston, and Billy Wilder, and Billy Wilder, and spiced with the deft humor for which Feiffer is renowned, Kill My Mother centers on five formidable women from two unrelated families, linked fatefully and fatally by a has-been, hard-drinking private detective. As our story begins, we meet Annie Hannigan, an out-of-control teenager, jitterbugging in the 1930s. Annie dreams of offing her mother, Elsie, whom she blames for abandoning her for a job soon after her husband, a cop, is shot and killed. Now, employed by her husband's best friend—an over-the-hill and perpetually soused private eye—Elsie finds herself covering up his missteps as she is drawn into a case of a mysterious client, who leads her into a decade-long drama of deception and dual identities sprawling from the Depression era to World War II Hollywood and the jungles of the South Pacific. Along with three femme fatales, an obsessed daughter, and a loner heroine, Kill My Mother features a fighter turned tap dancer, a small-time thug who dreams of being a hit man, a name-dropping cab driver, a communist liquor store owner, and a hunky movie star with a mind-boggling secret. Culminating in a U.S.O. tour on a war-torn Pacific island, this disparate band of old enemies congregate to settle scores. In a drawing style derived from Steve Canyon and The Spirit, Feiffer combines his long-honed skills as cartoonist, playwright, and screenwriter to draw us into this seductively menacing world where streets are black with soot and rain, and base motives and betrayal are served on the rocks in bars unsafe to enter. Bluesy, fast-moving, and funny, Kill My Mother is a trip to Hammett-Chandler-Cain Land: a noir-graphic novel like the movies they don't make anymore.

Bug! Rug! Mug! Hug! These dust bunnies love to rhyme. Well, except for Bob. Much to the other bunnies' frustration, Bob can never get the rhythm right. Then he saves everyone from a big, scary monster wielding—gasp!—a broom, and they all breathe a sigh of relief. But can Bob save them from the big, scary monster's next attack? Vrrrrroooooomm...

Snoring Beauty is a sweetly hilarious spin on the classic fairy tale "Sleeping Beauty." Written in bouncy rhymed verse perfect for reading aloud, this whimsical reimagining from Sudipta Bardhan-Quallen is sure to appeal to children and parents alike. Tucked in his little bed inside the castle walls, Mouse is eager to get a good night's sleep before his wedding tomorrow. But just as he begins to drift off, he's awoken by a tremendous roar. SNOOOOGA-SNOOOOOM! KER-SCHUPPPI! Sleep Beauty is snoring... again! When the handsome Prince Max arrives, Mouse thinks he's found the perfect scheme: He'll convince the prince to kiss Beauty and wake her up! But when Prince Max learns that Beauty is the one making such monstrous noises, will he still want to kiss her... or will he run away from the noisy princess, leaving her snoring for another hundred years?

"When local park fixture (and spy-master) Pops gets squirrel-napped. It's up to Norma, Bely, and their friend little B to save him!--

Using a "magical" word from his comic books, Raymond escapes his mother's calls into a series of dangerous adventures.

A long-run Broadway hit, this warmly humorous--and human--play by our theatre's most renowned comic writer, offers a wise and witty examination of a family hilariously beset by marital and domestic problems. ...one of the most professional pieces of work Bro

Rhyming Dust Bunnies

Explores Jung's psychological concepts regarding the nature, function and importance of man's symbols as they appear on both the conscious and subconscious level

*Bark, George**Harper Collins*

"Bark, George," says George's mother, and George goes: "Meow," which definitely isn't right, because George is a dog. And so is his mother, who repeats, "Bark, George." And George goes, "Quack, quack." What's going on with George? Find out in this hilarious new picture book from Jules Feiffer.

From Dav Pilkey, creator of the New York Times bestselling Dog Man and Captain Underpants series, comes Hally Tosis, the adorable dog that will take your breath away! Hally Tosis is a great family dog, but there is one rotten thing about her: her breath! It is so smelly, Hally's pet parents want to find a new home for her. The children, desperate to keep their beloved pet, try everything to rid Hally of her stinky stench. They take her for a breathtaking view, a movie that would leave her breathless, and a ride on a roller coaster that would make her lose her breath, but Hally's putrid panting persists! Only a miracle could save her now!

Never Too Young!

Lift-the-flaps and laugh out loud at hilarious punch lines in this first collection of Knock-knock jokes!

Steve Inskeep tells the riveting story of John and Jessie Fr é mont, the husband and wife team who in the 1800s were instrumental in the westward expansion of the United States, and thus became America's first great political couple John C. Fr é mont, one of the United States ' s leading explorers of the nineteenth century, was relatively unknown in 1842, when he commanded the first of his expeditions to the uncharted West. But in only a few years, he was one of the most acclaimed people of the age – known as a wilderness explorer, bestselling writer, gallant army officer, and latter-day conquistador, who in 1846 began the United States ' s takeover of California from Mexico. He was not even 40 years old when Americans began naming mountains and towns after him. He had perfect timing, exploring the West just as it captured the nation ' s attention. But the most important factor in his fame may be the person who made it all possible: his wife, Jessie Benton Fr é mont. Jessie, the daughter of a United States senator who was deeply involved in the West, provided her husband with entr é e to the highest levels of government and media, and his career reached new heights only a few months after their elopement. During a time when women were allowed to make few choices for themselves, Jessie – who herself aspired to roles in exploration and politics – threw her skill and passion into promoting her husband. She worked to carefully edit and publicize his accounts of his travels, attracted talented young men to his circle, and lashed out at his enemies. She became her husband ' s political adviser, as well as a power player in her own right. In 1856, the famous couple strategized as John became the first-ever presidential nominee of the newly established Republican Party. With rare detail and in consummate style, Steve Inskeep tells the story of a couple whose joint ambition and talents intertwined with those of the nascent United States itself. Taking advantage of expanding news media, aided by an increasingly literate public, the two linked their names to the three great national movements of the time—westward settlement, women ' s rights, and opposition to slavery. Together, John and Jessie Fr é mont took parts in events that defined the country and gave rise to a new, more global America. Theirs is a surprisingly modern tale of ambition and fame, they lived in a time of social and technological disruption and divisive politics that foreshadowed our own. In Imperfect Union, as Inskeep navigates these deeply transformative years through Jessie and John ' s own union, he reveals how the Fr é monts ' adventures amount to nothing less than a tour of the early American soul.

When a fairy's curse—a deathlike sleep via paper cut—threatens to make her kingdom barren of books, it's up to space princess Lex to break the spell and bring books back to her people. Set in the universe of the acclaimed Interstellar Cinderella, this irrepressible fairy tale retelling will charm young readers with its brave heroine, its star-studded setting, and its hilarious, heartwarming happy ending.
