

Basic Edition Boys Shorts

Finally! Board member orientation truly simplified. Serving on a nonprofit board can be an incredibly rewarding experience for the properly prepared board member. This book is for the generous and busy people who agree to give of their time and talents by serving on nonprofit boards. Nonprofit boards often fail to do a good job of board member orientation for a variety of reasons. It takes a significant amount of time and effort to plan and conduct quality board member orientation programs, and every time a new board member arrives, it's time to do it again! Because of the challenges associated with providing quality board member orientation, many nonprofit organizations do not do it at all, leaving their board members to wing it. This book provides help and support to the truly great men and women serving on nonprofit boards whose service makes a positive difference in the lives of countless people every day. This book is a concise and appropriately comprehensive guide to nonprofit board service designed especially for new board members. It is a quick read, (about one hour), yet it addresses with accuracy the most significant elements of board service, such as mission, responsibility, duty, risk, liability, and board meeting dynamics. Hooley Alerts! Watch for Hooley Alerts! where the author identifies and dispels common myths and legends about nonprofit board service. There are many sources of false or misleading information about the nonprofit board service environment. A perfect example is the often vaguely-worded and intimidating assertion or implication that the Sarbanes-Oxley Act passed by Congress in 2002 applies to nonprofit organizations in a manner similar to how it applies to publicly-traded companies. (It does not.) Reviews "This book is the perfect guide for every nonprofit board member! Concise, highly informative, and loaded with nuggets of wisdom, it's a must read that will take board members to the next level of successful board governance." -- J. Todd Chasteen, General Counsel, Samaritan's Purse "Mike Batts has put his quarter century of advising and serving on nonprofit boards to good use in this accurate and easy-to-read book. In addition to describing major principles of nonprofit law and governance, the book provides helpful questions to guide board members in understanding the practical applications of the concepts discussed. While geared primarily toward helping new board members get up to speed quickly, it should also help veteran board members discharge their stewardship roles wisely and efficiently." -- Chuck Hartman, Associate Professor of Business Law and Accounting, Cedarville University "This book, Board Member Orientation, is exactly what a busy volunteer board member needs. The board member's duties are presented in a clear and concise manner from the perspective of someone who has been around many boards. With a focus on those issues that are most common and/or most important, it is perfect for board member orientation and for quick reference reminders for the experienced board member." -- Doug Starcher, Partner, Broad & Cassel "This book provides clear, no-nonsense guidance on the basic issues for new nonprofit board members. Using this book for board member orientation will ensure your organization has communicated fundamental governance issues and will assist the board in determining risk management strategies." -- Dan Busby, President, ECFA ***** The Simple Board Member Orientation Process Using This Book: 1.You board members read Chapters 1-9 of the book, which will provide them with insights regarding the key elements of nonprofit board service. 2.You provide the board members with copies of the documents described in Chapter 10 related to your organization. 3.You meet with your board members to discuss the unique attributes of your organization following the discussion questions provided in Chapter 10. Done!

This goes out for all the future models and designers of the world. Make your baby girls' dreams unfold before their eyes at an early age and train them step by step in fashion with this princess dresses coloring book. You shouldn't be surprised if the next thing they do is draft designs better than seen in this book. Grab a copy now! One morning, Emma decided she simply did not want to be a kid anymore. She didn't want an early bedtime or have to sit in the back seat of the car, or be interrupted for dinner while playing hide-and-seek with her friends, or be told that unless she ate her vegetables, she would never grow up. But what happens when Emma starts to be a grownup and do grownup things? " Great book, great story, great lesson. My kids ages 6 and 9 enjoyed the story. It made them realize that being a kid is fun" -- Daniel. "A wonderful lesson in living in the NOW and not growing up before it is time. This was such a delight to read and the way Ms Alony put it together was perfect!Great book with beautiful illustrations, and my little niece gave it five stars!"-- Author Joyce L. Mitchel. "Excellent vocabulary!" -- Kindle Costumer. Maria Alony creates high-quality, illustrated children's books that are not only fun and entertaining, but also contain an educational message and important values. As a mom herself, Maria reads picture books every night so that bedtime stories become part of her child's routine. She believes that reading children's books every day, for kids ages 4-8, is essential for developing language, fostering imagination, and promoting self-expression. When it comes to children, Maria knows that books are vital. Join Emma in the new edition of the children's book series "Emma and Everything" on her journey of self- discovery. As she learns to appreciate and love her life as it is, she discovers the beauty of being a kid. Scroll back up and grab your copy now! This fully-illustrated picture book is a great read aloud for preschool children and is highly recommended as a self-read book for beginner readers as well.

Over 2,300 Bubble Gum Card images of The Beatles from 1959 to 1970. Over 20 sets of trading cards with images on the fronts and backs. It even includes many "Bootleg" sets with very rare images. There are even several sets from foreign countries rarely seen in the US. Live "Beatlemania" through these images and invaluable information on the backs; Bios, stats, quotes and thoughts by the "Fab Four". This is a hefty book with over 400 pages in black and white. 8 1/2" x 11". A great "Coffee Table" book or a gift for that fan or fan to be!

The Mises Institute is thrilled to bring back this popular guide to ridiculous economic policy from the ancient world to modern times. This outstanding history illustrates the utter futility of fighting the market process through legislation. It always uses despotic measures to yield socially catastrophic results. It covers the ancient world, the Roman Republic and Empire, Medieval Europe, the first centuries of the U.S. and Canada, the French Revolution, the 19th century, World Wars I and II, the Nazis, the Soviets, postwar rent control, and the 1970s. It also includes a very helpful conclusion spelling out the theory of wage and price controls. This book is a treasure, and super entertaining!

Judy Made a Doody

The Author's Book Journal is a must have for anyone writing a book or a novel. It easily lets you keep track of events and characters in your chapters. There are dedicated pages for 100 chapters, plus main character profiles, secondary characters profiles and also pages to note reference research sources, acknowledgements, quotes, notes, prologue, epilogue, back cover blurb, beta readers, ARC reviews, publishing details, author details. You also have some extra pages at the back for making notes on ideas for your next book. Keep all your book information in one handy place. Journal size 7x10 inches.

The History of World Dress and Fashion presents a comprehensive survey of dress from around the world including China, Japan, India, Africa, the Islamic Empire, and the Ancient Americas. This extensive study features descriptions and analysis of men's, women's and children's clothing, accessories, and cultural styles from prehistory into the twenty-first century. Lavishly illustrated in color throughout, it features more than 1600 images - and is a valuable resource for fashion designers, theater costumers, textile researchers, costume collectors and curators, and anyone interest in clothing and style customs of the world.

"Judy Made a Doody" is a short, rhyming children's book that will be sure to make you giggle! Each character in the book faces a situation where they have made a mistake. The book is not only great for children ages 4 and up, but specifically those with OCD, perfectionism, all-or-nothing thinking, or any other thought-processing disorder that enables a child to internalize his/her mistakes. The moral of the story is that we can all learn and grow from our mistakes as long as we approach life with a little bit of humor!

How to Draw Cool Characters, Action Scenes and Modern Looks

There has been a great deal of recent interest in masculine clothing, examining both its production and consumption, and the ways in which it was used to create individual identities and to build businesses, from 1850 onwards. Drawing upon a wide range of sources this book studies the interaction between producers and consumers at a key period in the development of the ready-made clothing industry. It also shows that many innovations in advertising clothing, usually considered to have been developed in America, had earlier British precedents. To counter the lack of documentary evidence that has hitherto hampered research into the dress practices of non-elite groups, this book utilises thousands of unpublished visual documents. These include hundreds of manufacturers' designs, which underline an unexpected degree of investment by manufacturers in boys' clothing, and which was matched by heavy investment in advertising, with thousands of images of boys' clothing for shop catalogues in the Stationers' Hall copyright archive. Another key source is the archives of Dr Barnardo's Homes. This extraordinary collection contains over 15,000 documented photographs of boys entering between 1875 and 1900, allowing us to look beyond official polarization of 'raggedness' and 'respectability' used by charities and social reformers of all stripes and to establish the clothing that was actually worn by a large sample of boys. A close analysis of 1,800 images reveals that even when families were impoverished, they strove to present their boys in ways that reflected their position in the family group and in society. By drawing on these visual sources, and linking the design and retailing of boys' clothing with social, cultural and economic issues, this book shows that an understanding of the production and consumption of the boys clothing is central to debates on the growth of the consumer society, the development of mass-market fashion, and concepts of childhood and masculinity.

Don Newman's first volume of Savannah centric poetry reflects the close personal relationship between poet and subject often found in work dedicated to a particular place. Such intimate subjectivity may seem lofty at times. But this Savannah native has a way of bringing grandiose notions of his hometown down to earth. Here, the author's regional sensibilities-together with his stretch toward the universal-offer the reader a unique perspective and a tour of Savannah unattainable during a typical day of sightseeing. While by no means a comprehensive poetic look at the city, Newman's Little Poetry Book of Savannah will surely augment the traveler's backpack, give visitors a distinctive literary keepsake, and make the perfect gift for those back home who would like an authentic little piece of Savannah.Meditative, descriptive, fun, quirky, and enjoyably honest, Newman bares parts of his soul in this down-to-earth, head-in-the-clouds "poetry for everyone."For a slightly smaller, less expensive Black & White Edition go here: <https://www.createSPACE.com/3909405> The ultimate Hummel reference, with more than 3,000 listings for Hummel-related collectibles. Includes full descriptions with current production status, identification information, and pricing for figurines, plates, prints, jewelry and miniatures, as well as tips for recognizing fakes and forgeries.

The Concise and Complete Guide to Nonprofit Board Service

Parents

Have you ever done something you knew would make someone else happy, sad or angry? Have you ever bought a thoughtful gift for someone you love? Or realized someone was being sarcastic with you? Or enjoyed someone else's misfortune? These everyday events involve mind mapping, your brain's ability to create mental pictures of how someone else's mind works. Mind mapping underlies all aspects of daily life, from the best to the worst. You won't find an aspect of your life where mind mapping isn't involved-and you probably never heard about mind mapping before! Brain Talk offers what you need to know about mind mapping and the emerging brain science of interpersonal neurobiology (how interacting with other people affects your brain). Brain Talk is written for the general public in an easy-to-read style and establishes a personal relationship with you. It creates vivid pictures in your mind with attention-grabbling examples, and walks you into powerful new insights about yourself and the important people in your life. Reading Brain Talk can be a life-changing experience. * Part One explains mind mapping and increases your ability to "read" people and map their minds (and your own). It helps you know what they want, what they're feeling and thinking, and what they're likely to do. Part One also covers mind masking (shielding your mind from being mapped), lying and deception. Brain Talk revolutionizes your understandings of yourself, your spouse or romantic partner, and your children, parents, siblings, and coworkers. * Part Two explores the darker aspects of mind mapping, like traumatic mind mapping and antisocial empathy.Traumatic mind mapping occurs when mapping some else's mind leaves your brain/mind traumatized. Did you grow up in a troubled home with experiences that produced vivid "flashbulb memories" lingering in your mind? Do you have recurring thoughts about someone you're dealing with who does disturbing things? Brain Talk helps you understand subtle interpersonal trauma and reveals the short- and long-term negative impacts of traumatic mind mapping. * Part Three shows you how to repair the negative impacts of traumatic mind mapping and effectively handle the difficult people in your life. Brain Talk also details how to use mind mapping to create positive healthy interactions with those you love, and ends on an uplifting note. Brain Talk is based on Crucible(r) Neurobiological Therapy, developed through fifteen years of clinical research with highly troubled clients. Brain Talk is also a crossover book for therapists, educators, and avid readers of brain science. * Four Appendices contain the scientific research underlying the main text and offer in-depth discussions of important topics and treatment details (over 100 pages and 400 references). Brain Talk is available in three versions: paperback and TWO Kindle versions (Standard and Professional). Brain Talk Professional Edition offers the additional functionality of directly downloading FREE scientific brain research articles published online. Consider this electronic edition if you a mental health professional, academic, graduate student, or die-hard brain wonk.(Read about Brain Talk Pro here.) Brain Talk is written by the award-winning clinical psychologist, Dr. David Schnarch, renowned relationship expert and author of the international best-selling books, *Passionate Marriage and Intimacy & Desire*. He has a proven track record for creating innovative therapies, and making complex brain science understandable and useful to the general public. His ground-breaking professional contributions have received awards from the American Psychological Association, the American Assn. for Marriage and Family Therapy, and the American Assn. of Sex Educators, Counselors, and Therapists. He is Board Certified in Couple and Family Psychology (ABPP), and his textbook *Constructing the Sexual Crucible* is used by therapist training programs around the world. The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Chinese people are known for being philosophical. A person doesn't necessarily have to be religious in order to be philosophical. You just have to learn the best ways to live your life so that you can have a more prosperous future. A classic Chinese manual entitled "Tao Te Ching" teaches people the art of living and the path you must take in order to find fulfillment in your life. This classic Chinese text was written by a sage named Laozi, also known as Lao Tzu. Laozi means "Old Master" in Chinese. Some people like to refer to this classic Chinese text as Laozi instead of Tao Te Ching because they have so much respect for the author. The sage, Laozi, is believed to have lived around 600 B.C. In his professional life, he worked as a record keeper for the Zhou Dynasty Court. However, historians are still unsure about the exact date and time when the Tao Te Ching was actually written. The only thing they know is that the oldest Chinese texts that were excavated dates back to sometime in the late 4th century B.C. Even though they were originally written in the 6th century, the texts that were excavated in the 4th century are likely rewritten texts. The Tao Te Ching is one of the main Chinese classic texts that promote the religious and philosophical principles of Taoism. It is the most fundamental book of text that is studied by all Taoists. It is also a strong influence on other Chinese schools that teach Confucianism, Legalism and Chinese Buddhism. Chinese painters, poets, gardeners and calligraphers use the philosophies of the book as a source of inspiration. The influence of the Tao Te Ching has spread far throughout Eastern Asia and is one of the most translated books ever written in the history of literature. In Roman culture, the book was transcribed using the Wade-Giles Romanization system. They transcribed the title as "Daodejing." The words "Dao" and "Tao" both mean "the way." The words "De" and "Te" both mean inner strength or virtuosity. And finally, the words "Jing" and "Ching" mean "classic" or "the great book." Therefore, the translation of Tao Te Ching and Daodejing is said to be "The Classic Way to Inner Strength." In other words, if you learn the philosophies in this book then you will have the knowledge of finding the right path to strength and happiness. Tao Te Ching is not a long book to read by any means. It is only 5,000 Chinese characters long with about 81 very brief sections or chapters. The writing is of a classical form of Chinese called zhuan-shu. As the centuries went by, the later versions were written in Lishu or Kaishu. As for the chapters, no one knows if the separated chapters were originally placed there by Laozi or if they were added later on. Some people think they were added later on as a way to help memorize the information and add commentary. The whole book is divided into two main parts. The first part is the Tao Ching, which goes from chapter 1 to chapter 37. The second part is the Te Ching, which goes from chapter 38 to chapter 81. Some even refer to this style of writing as laconic and poetic because of its brief chapters and intentional contradictions. This writing is strategic in a sense because it creates memorable phrases and then forces the reader to create their own reconciliations from all the supposed contradictions.

This is why it takes some people their entire lives to fully understand the message behind the text. For others, they never fully grasp it.

The magazine that helps career moms balance their personal and professional lives.

Brain Talk

Working Mother

In this true story, Dr. Karen A. Kelly shares her husband's journey through a life-saving lung transplant. Learning about his battle can help any patient or caregiver understand the extensive responsibilities required for a successful organ transplant. As a pediatrician, Dr. Kelly found herself in a different role as caretaker not provider.

Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

Fenicus Flint, a young dragon, lives with the last of his fading species in a secluded mountain sanctuary known as Berathor Valley. When he awakens from an accident that leaves him injured and temporarily unable to fly, Fenicus discovers that the peace and tranquility of his homeland has been shattered; Berathor is in ruins and his loved ones abducted. With few clues to guide him, the young dragon embarks on a dangerous quest beyond the sheltering walls of his homeland to find his loved ones before their flame is extinguished forever.

Ancient Enemies

Emma Wants to Be a Grown- Up

The Mansion

The Author and Journalist

Forty Centuries of Wage and Price Controls

The story of "The Ancient" continues... Joseph Miller and Mike Samson are closing in on one of the Fallen on the busy streets of New York City, with the help of a young woman who just happens to grow fur and fangs. Little do they know someone from Miller's past is hunting them to settle a grudge over a thousand years old. Meanwhile, Namgung is desperately searching for her missing friend Ann. Much to her surprise, so is the FBI. As a new evil spreads across the city of Newark, Lizzie finds herself caught in a web of murder, mayhem, and monsters. Ancient Awakening is a Horror/Action novel with just the right touch of comedy. Ancient Enemies is the second book in the series that follows the adventures of eccentric demon hunter Joseph Miller. His job is to defend the human race against seven mythical demons and their offspring. Unfortunately for us, he has been dead for the last hundred years. The series begins with Ancient Awakening, continues here with Ancient Enemies, and is followed by Ancient Revelations. The all-new second edition of Ancient Enemies is professionally edited and 55,700 words.
