The Batman Who Laughs

Heart of Hush

The Joker is dead. There is no doubt about that. But whether Batman finally snapped his scrawny neck or some other sinister force in Gotham City did the deed is still a mystery. Problem is, Batman can't remember... and the more he digs into this labyrinthian case, the more his mind starts to doubt everything he's uncovering. So who better to set him straight than... John Constantine? Problem with that is as much as John loves a good mystery, he loves messing with people's heads even more. So with John's "help," the pair will delve into the sordid underbelly of Gotham as they race toward the mind-blowing truth of who murdered The Joker. BATMAN: DAMNED is a supernatural horror story told by two of comics' greatest modern creators—a visceral thrill-ride that proudly puts the "black" in BLACK LABEL. This new collection includes a sketch gallery and other bonus features.

Celebrate the 10th anniversary of the greatest skateboard deck compilation with this special print edition of The Disposable Skateboard Bible. With the release of Disposable: A History of Skateboard Art in 2004, author Sean Cliver made a brilliant attempt at artfully cataloging every important skateboard deck ever released. In the process, he created a classic, but was left feeling less than satisfied. Ever the completist, the gaping omissions in the first book gnawed at him and drove him to envision compiling the ultimate encyclopedia of Skateboard decks. While Disposable was beautiful, capturing the essence of the aesthetic, The Disposable Skateboard Bible sets out to be the ultimate guide. The author's industry insider status (in 1989 he landed his first job as a designer at Powell-Peralta) allows him to guide readers through the culture and experience, the art and the mania of the skate world with authority and expertise. While the boards take center stage, fascinating vignettes and recollections by an A-list of skateboarding personalities from Tony Hawk to Mike Vallely, Mark Gonzales to Stacy Peralta and more. The complete 12-part saga from SUPERMAN #204-215 written by Brian Azzarello with sensational art by Jim Lee! A cataclysmic event has struck the Earth. Millions of people have vanished without a trace. No one is left unaffected; not even Superman! But after a year, Superman is left with many questions. For a hero who tries to have all the answers, it's torture. And, just as the action heats up and the stakes

are raised, one huge question emerges: Just how far is Superman willing to go "For Tomorrow?"
