Explore the powers of DC Comics' greatest characters like never before through stunning anatomical cutaways and in-depth commentary from the Dark Knight. Concerned about the threat that so-called "metahumans" may pose to the world, Batman has begun compiling a detailed dossier on their incredible physiology and abilities. From villains like Killer Croc, Bane, and Brainiac, to Batman's own comrades, including Superman and Cyborg, the file brings together the Dark Knight's fascinating personal theories on the unique anatomical composition of these formidable individuals. This stunning and unique book delves into the incredible abilities of DC Comics characters like never before. Using beautifully illustrated anatomical cross sections depicting twelve different DC characters, the book, told from Batman's unique perspective, will explore how these "metahumans" physical makeup differs significantly from that of the average person. From detailed theories on how Superman's eyes shoot heat rays to an in-depth exploration of how Aquaman is able to breathe under water, the book delves into the deepest secrets of these classic characters. Also featuring chapters on the anatomy and abilities of Doomsday, Aquaman, Swamp Thing, Darkseid, Martian Manhunter, and more, this one-of-a-kind book will change the way you look at metahumans forever.

From Emmy Award-winning-producer Paul Dini and acclaimed designer Chip Kidd comes *Batman Animated*, the behind-the-scenes story of the hit show that revolutionized television animation and brought a stunning new look to the legendary Caped Crusader. Since its premiere in September 1992, *Batman: The Animated Series* has been acclaimed by enthusiastic viewers and longtime fans of the Batman character as the defining image of the Dark Knight onscreen. Now readers are offered an inside look into the creation of the series. Granted unprecedented access to the archives of the Warner Bros. Animation Studio, Chip Kidd has combined breathtaking photographs by Award-winning photographer Geoff Spear and fashioned an imaginative layout of never-before-published preproduction and finished artwork that echoes the boldness of producer-designer Bruce Timm's powerful TV show. Paul Dini's text offers entertaining and informative commentary on the series history, development, and continuing production. It includes glimpses into the making of the *Batman* animated features *Mask of the Phantasm* and *SubZero*, and a sneak peek into the future projects. Featuring a detailed episode guide, comments from the series creators and voice actors, and an introduction by Bruce Timm, *Batman Animated* is a must-have for *Batman* fans young and old.

The Ultimate Visual Guide

The Man Who Watched *Batman Vol. 2* is the ultimate companion book to *Batman: The Animated Series*. Whether you can quote every line or are watching for the very first time, this novel will leave no stone unturned to give you the ultimate BTAS experience. Every single episode, character, plot twist, reinterpretation, melody and metaphor. This academic and critical analysis is unlike anything you'll find on shelves. This isn't just plot summaries or fun facts from the internet. This is a personal, yet professional commentary of the greatest animated show of all time.

This is a Batman story like no other-the harrowing and eloquent autobiographical tale of writer Paul Dini's courageous struggle to overcome a desperate situation. The Caped Crusader has been the all-abiding icon of justice and authority for generations. But in this surprising original graphic novel, we see Batman in a new light-as the savior who helps a discouraged man recover from a brutal attack that left him unable to face the world. In the 1990s, legendary writer Paul Dini had a flourishing career writing the hugely popular **BATMAN: THE ANIMATED SERIES** and **TINY TOON ADVENTURES**. Walking home one evening, he was jumped and viciously beaten within an inch of his life. His recovery process was arduous, hampered by the imagined antics of the villains he was writing for television including the Joker, Harley Quinn and the Penguin. But despite how bleak his circumstances were, or perhaps because of it, Dini also always imagined the Batman at his side, chivvying him along during his darkest moments. A gripping graphic memoir of one writer's traumatic experience and his deep connection with his creative material. **DARK NIGHT: A TRUE BATMAN STORY** is an original graphic novel that will resonate profoundly with fans. Art by the incredible and talented Eduardo Risso (**100 BULLETS**, **TRANSMETROPOLITAN**).
