*WHAT DOES IT MEAN TO BE HUMAN? The lovely, deadly cyborg Alita returns in 664 pages of cyberpunk action! Alita wakes up alone in the sky city of Tiphares, her brain and body reconstructed by the mad scientist Desty Nova. There's no time to wonder why Alita's greatest enemy would resurrect her, though - the royal city has been thrown into chaos by Nova's revelation that the Tiphareans have had their brains replaced by bio-chips! Everyone needs answers - and Alita will fight to get them! INCLUDES TWO ORIGINAL STORIES BY YUKITO KISHIRO NEVER BEFORE PUBLISHED IN ENGLISH!*

*Own the manga thrill ride that changed global comics and inspired the James Cameron and Robert Rodriguez's cyberpunk action film Alita- Battle Angel! This new paperback edition features an updated translation in six affordable, 300-page volumes. Contains chapters 26-34 of Battle Angel Alita. In a dump in the lawless settlement of Scrapyard, far beneath the mysterious space city of Zalem, disgraced cyber-doctor Daisuke Ido makes a strange find- the detached head of a cyborg woman who has lost all her memories. He names her Alita and equips her with a powerful new body, the Berserker. While Alita remembers no details of her former life, a moment of desperation reawakens in her nerves the legendary school of martial arts known as Panzer Kunst. In a place where there is no justice but what people make for themselves, Alita decides to become a hunter-killer, tracking down and taking out those who prey on the weak. But can she hold onto her humanity as she begins to revel in her own bloodlust?*

*The official prequel novelization to the highly anticipated science fiction movie, Alita: Battle Angel. The official prequel novel to the highly anticipated film. A long time ago there was the Great War. The reasons for the war have been lost to time. On the shattered surface of the Earth, there is a metropolis that lives amidst the garbage thrown down from the inhabitants of a sky city floating above it. Welcome to Iron City. A lonely doctor specialising in cyborg repair, Ido, is doing his best to help the citizens of Iron City. But Ido has a double life, another persona born from the pieces of his broken heart. Hugo, a young man surviving on a life of crime, spots the ultimate steal: an object that will unearth secrets from his own past. And Vector, the most powerful businessman in the city, has his sights set on a new technology that will change the future of Iron City forever...*
