

## Battle Angel Alita Vol 1

**Alita is close to recovering her friend's brain, but not before she is greeted by Mbadi and a duplicitous Desty Nova doppelganger.**

**Alita wakes to find that she has been moved into a different cyborg body, as beautiful as ever, but more powerful. She also finds that while she was "gone," Nova revealed the terrible secret of Tiphares. Now, those that know the truth are being hunted down by killer robots, and a group of children needs Alita's help. But who can she trust?**

**Go Nagai's groundbreaking horror classic that inspired the genre for decades. Hordes of demons, once thought entombed forever in the underworld, have now returned to Earth. Evil and corruption begin to seep into our world, as demons seize human hosts. Mankind's only hope for salvation is to use the demons' power against them--and only a pure-hearted man like Fudo Akira can do so without losing his humanity. Once little more than a crybaby, Akira now wields the terrible power of a devil, yet holds the innocent soul of a man-Devilman!**

**A new entry in the legendary series starring cyborg sweetheart Battle Angel Alita! After a four-year wait, Alita is back, making her way through an apocalyptic universe. Picking up from the middle of the previous book, Angel's Ascension, our heroine encounters a new group of bizarre characters and revisits many of her old friends and foes. Reconstructed by Doc Ido, a talented cyborg physician, Alita has lost all memory of her former life. But there's one thing her body has not forgotten -- it still instinctively recalls the Panzer Kunst, the most powerful cyborg fighting technique ever known. Bounty hunter, singer, killer: as the secrets of Alita's past unfold, every day is a struggle for survival, and her fighting talents are stretched to the limit. Can Alita alone stop the war chaos between the robotic denizens of the M.I.B. bureau and the Tipharians?**

Rockwell Granger put his misspent life on the line in pursuit of cooking for a living...and it's not going well. In debt to the notorious Bardem Brothers — who control the Portland food cart scene with an iron fist — he struggles to make a profit and fights with the few customers he has. When the Bardems call in his marker and force him to track down a rogue food truck invading their turf, Rock has no choice left but to say yes. Meanwhile, Rock's taco truck has been invaded by his newest (and only) employee, Harper Marbury who took backseat driving to a new level, replacing his menu with her vegetarian agenda. As Harper polishes her cooking skills, she's thrown into the chaotic food cart underground, helping Rockwell on his morally grey mission for the Bardems. With two jobs on their plate, Rock and Harper will have to learn how to get along and, even harder, how to cook together as they navigate a world of food pirates, evil hippies, and irate foodies before Rock gets 86'd forever.

The monster Goketsu appears at the martial arts tournament, and in an attempt to turn its participants into monsters, he gives them monster cells. Tournament champ Suiryu fights the newly monsterized fighters one after another, until a certain hero rushes to his side to help! – VIZ Media

A FIREFIGHT ACROSS THE GENERATION GAP! Nanotechnology made humanity immortal, and the resulting population explosion pushed the Solar System's resources to the breaking point. As a result, new births are banned and even the planets' disparate governments cooperate to annihilate any children already born. With the tournament looming, Alita and her comrades find themselves caught between a spacefaring refuge for young innocents and a bloodthirsty mob intent on killing the children for sport!

Leopoldstadt

Battle Angel Alita: Last Order

Angel Reborn

At the beginning of the twentieth century, Leopoldstadt was the old, crowded Jewish quarter of Vienna, a city humming with artistic and intellectual excitement. Stoppard's epic yet intimate drama centers on Hermann Merz, a manufacturer and baptized Jew married to Catholic Gretl, whose extended family convene at their fashionable apartment on Christmas Day in 1899. Yet by the time the play closes, Austria has passed through the convulsions of war, revolution, impoverishment, annexation by Nazi Germany, and the Holocaust, which stole the lives of 65,000 Austrian Jews alone. From one of today's most acclaimed playwrights, Leopoldstadt is a human and heartbreaking drama of literary brilliance, historical verisimilitude, and powerful emotion.
