*"The Cathedral Builders" by Leader Scott is a book about Church architecture and the efforts of various Cathedral builders. They found love cruising to exotic destinations Finding a way to be together would turn their world upside down. When Tanya accepts a job on the Regal Princess cruise ship touring the Caribbean, she looks forward to travel, adventure, inspiration, sunshine, and just maybe, some lighthearted romance. Little does

she imagine that fate will intervene, bringing her together with Josef, the ship's sexy pastry chef, with whom she falls deeply in love. But while the pair enjoys an idyllic romance aboard the very ship where scenes from *The Love Boat* were filmed and on the shores of various exciting ports of call—Aruba, St. Thomas, Acapulco, Puerto Rico, and more—the reality of their circumstances looms: Tanya's home is in British Columbia. Josef hails from a village in the Austrian Alps. What will they do when their contracts end? In *All Over the Map: Two Lovers, Six Continents, and a Date with Destiny*, Tanya takes

readers along on the exhilarating journey as she and the man of her dreams struggle to maintain their bond beyond the fantasy world of the cruise ship. Back in their respective homes and oceans apart, their ardent quest to be together is thwarted time and again by circumstances beyond their control: tragic accidents, denied immigration visas, misunderstandings both heartbreaking and hilarious. Meeting up on fleeting romantic vacations all over the globe, they hold steadfastly on to their vision of a shared future . . . until a fateful incident threatens to drive them apart. Brimming with

suspense, lust, longing, and the magic of travel, *All Over the Map* is a poignant reminder that—even more than romance—compromise, sacrifice, and patience are the keys to everlasting love.

In this memorable first book, *Behind the Dolphin Smile*, Richard O'Barry told the inspiring story of his personal transformation from world-famous dolphin trainer (*Flipper* was his pupil) to dolphin liberator. Now, in *To Free a Dolphin*, he passionately recounts the dramatic story of his heart-breaking campaign to release captive dolphins back into the wild. With wit and insight

# Acces PDF Bavaro Princess All Suites Resort Punta Cana Caribbean

he chronicles the extreme opposition he has faced from bureaucrats, major players in the captive-dolphin industry, rival wildlife groups, and well-meaning sentimentalists. He introduces readers to famous show animals he has helped, including Bogie and Bacall of Key Largo. And, most fascinating, he describes his struggles to deprogram and rehabilitate dolphins emotionally scarred from years of captivity--struggles that become battles for the animals' souls.
