

Bears Gold

Bear's Boys is a collection of inspiring stories featuring 36 men whose lives were altered by their encounter with the legendary coach while they were players and coaches at Alabama. The stories of star players such as Joe Namath, Ken Stabler, Marty Lyons, Bob Baumhower, Ozzie Newsome, and Gene Stallings show how the Coach forever changed them as young men and ball players on the field and later in life after football. When Bob Baumhower was released from the Dolphins in 1986, he immediately did what Coach Bryant would have done: he made a plan. Instead of feeling sorry for himself, he snapped into practical mode. First, he sold his boat and his big house. Then, he systematically began exploring business opportunities and setting goals for the next several decades of his life. When he started his first restaurant, he knew he had yet another chance to apply the principles he learned on the football field in real life. "Coach Bryant said there's a lot of blood, sweat and guts between dreams and success," Baumhower said. "That's true in the restaurant business. . . . Today, every success I have, every win that I have, in my opinion, came from the fact that Coach Bryant cared enough to talk to me and turn the light on for me Includes stories for such men as Bob Baumhower Jeremiah Castille Paul Crane Sylvester Croom John Hannah Dennis Homan Scott Hunter Lee Roy Jordan E. Jenny shouted with alarm, 'It looks like a sandstorm is heading our way. Hurry, we've got to get between those large rocks over there!' They ran as fast as they could and dove down between the rocks and covered their faces as the sandstorm blew over them. Zaramenie was gazing into his magic pendulum watching as the sand covered them. He threw his head back and roared with evil laughter. 'Well, King, that should be the end of those three. No more of my gold stars will be taken.' When Jenny missed the school bus on the last day of school, she had no idea about the adventures in store for her! In many ways Jenny was a typical young girl. She had a close-knit family, performed well in school. She was a daydreamer and perhaps a little shy at times. How could she be prepared for the wonder, the magic, and the danger of Star Island?
