She was the face that launched a thousand ships, the fierce beauty at the heart of Olympus...and she was never ours to claim. *A scorchingly hot modern retelling of Helen of Troy, Achilles, and Patroclus that's as sinful as it is sweet.* In Olympus, you either have the power to rule...or you are ruled. Achilles Kallis may have been born with nothing, but as a child he vowed he would claw his way into the poisonous city's inner circle. Now that a coveted role has opened to anyone with the strength to claim it, he and his partner, Patroclus Fotos, plan to compete and double their odds of winning. Neither expect infamous beauty Helen Kasios to be part of the prize...or for the complicated fire that burns the moment she looks their way. Zeus may have decided Helen is his to give to away, but she has her own plans. She enters into the competition as a middle finger to the meddling Thirteen rulers, effectively vying for her own hand in marriage. Unfortunately, there are those who would rather see her dead than lead the city. The only people she can trust are the ones she can't keep her hands off—Achilles and Patroclus. But can she really believe they have her best interests at heart when every stolen kiss is a battlefield? "Deliciously inventive...Red-hot."—Publishers Weekly STARRED for *Neon Gods* "I get shivers just thinking of their interactions. An instant New York Times Bestseller! Longlisted for the 2019 National Book Award for Fiction, the Carnegie Medal in Fiction, the 2019 Aspen Words Literacy Prize, and the PEN/Hemingway Debut Novel Award Shortlisted for the 2019 Center for Fiction First Novel Prize Winner of the 2019 New England Book Award for Fiction! Named one of the most anticipated books of 2019 by Vulture, Entertainment Weekly, BuzzFeed, Los Angeles Times, Boston Globe, Oprah.com, Huffington Post, The A.V. Club, Nylon, The Week, The Rumpus, The Millions, The Guardian, Publishers Weekly, and more. “A lyrical work of self-discovery that’s shockingly intimate and insistently universal...Not so much briefly gorgeous as permanently stunning.” —Ron Charles, The Washington Post Poet Ocean Vuong’s debut novel is a shattering portrait of a family, a first love, and the redemptive power of storytelling On Earth We’re Briefly Gorgeous is a letter from a son to a mother who cannot read. Written when the speaker, Little Dog, is in his late twenties, the letter unearths a family’s history that began before he was born — a history whose epicenter is rooted in Vietnam — and serves as a doorway into parts of his life his mother has never known, all of it leading to an unforgettable revelation. At once a witness to the fraught yet undeniable love between a single mother and her son, it is also a brutally honest exploration of race, class, and masculinity. Asking questions central to our American moment, immersed as we are in addiction, violence, and trauma, but undergirded by compassion and tenderness, On Earth We’re Briefly Gorgeous is as much about the power of telling one’s own story as it is about the obliterating silence of not being heard. With stunning urgency and grace, Ocean Vuong writes of people caught between disparate worlds, and asks how we heal and rescue one another without forsaking who we are. The question of how to survive, and how to make of it a kind of joy, powers the most important debut novel of many years. Named a Best Book of the Year by: GQ, Kirkus Reviews, Booklist, Library Journal, TIME, Esquire, The Washington Post, Apple, Good Housekeeping, The New Yorker, The New York Public Library, Elle.com, The Guardian, The A.V. A NEW YORK TIMES BESTSELLER A New York Times Notable Book " Riveting, heartbreaking, sometimes difficult, always inspiring. " —The New York Times Book Review " An incredibly moving memoir about what it means to be a doctor. " —Ellen Pompeo As seen/heard on Fresh Air, The Daily Show with Trevor Noah, NBC Nightly News, MSNBC, Weekend Edition, and more An emergency room physician explores how a life of service to others taught her how to heal herself. Michele Harper is a female, African American emergency room physician in a profession that is overwhelmingly male and white. Brought up in Washington,

D.C., in a complicated family, she went to Harvard, where she met her husband. They stayed together through medical school until two months before she was scheduled to join the staff of a hospital in central Philadelphia, when he told her he couldn't move with her. Her marriage at an end, Harper began her new life in a new city, in a new job, as a newly single woman. In the ensuing years, as Harper learned to become an effective ER physician, bringing insight and empathy to every patient encounter, she came to understand that each of us is broken—physically, emotionally, psychically. How we recognize those breaks, how we try to mend them, and where we go from there are all crucial parts of the healing process. The Beauty in Breaking is the poignant true story of Harper's journey toward self-healing. Each of the patients Harper writes about taught her something important about recuperation and recovery. How to let go of fear even when the future is murky: How to tell the truth when it's simpler to overlook it. How to understand that compassion isn't the same as justice. As she shines a light on the systemic disenfranchisement of the patients she treats as they struggle to maintain their health and dignity, Harper comes to understand the importance of allowing ourselves to make peace with the past as we draw support from the present. In this hopeful, moving, and beautiful book, she passes along the precious, necessary lessons that she has learned as a daughter, a woman, and a physician.

Named to ten BEST OF THE YEAR lists and selected as a William C. Morris Award Winner, The Serpent King is the critically acclaimed, much-beloved story of three teens who find themselves--and each other--while on the cusp of graduating from high school with hopes of leaving their small-town behind.

Perfect for fans of John Green's Turtles All the Way Down. "Move over, John Green; Zentner is coming for you." –The New York Public Library "Will fill the infinite space that was left in your chest after you finished The Perks of Being a Wallflower."

–BookRiot.com Dill isn't the most popular kid at his rural Tennessee high school. After his father fell from grace in a public scandal that reverberated throughout their small town, Dill became a target. Fortunately, his two fellow misfits and best friends, Travis and Lydia, have his back. But as they begin their senior year, Dill feels the coils of his future tightening around him. His only escapes are music and his secret feelings for Lydia--neither of which he is brave enough to share.

Graduation feels more like an ending to Dill than a beginning. But even before then, he must cope with another ending--one that will rock his life to the core. Debut novelist Jeff Zentner provides an unblinking and at times comic view of the hard realities of growing up in the Bible belt, and an intimate look at the struggles to find one's true self in the wreckage of the past. "A story about friendship, family and forgiveness, it's as funny and witty as it is utterly heartbreaking."

Dutch House Like many before her, Maria Lagana has come to Hollywood to outrun her past. Born in Rome, where every Sunday her father took her to the cinema instead of church, Maria immigrates with her mother to Los Angeles after a childhood transgression leads to her father's arrest. Fifteen years later, on the eve of America's entry into World War II, Maria is an associate producer at Mercury Pictures, trying to keep her personal and professional lives from falling apart. Her mother won't speak to her. Her boss, a man of many toupees, has been summoned to Washington by congressional investigators. Her boyfriend, a virtuoso Chinese American actor, can't escape the studio's narrow typecasting. And the studio itself, Maria's only home in exile, teeters on the verge of bankruptcy. Over the coming months, as the bright lights go dark across Los Angeles, Mercury Pictures becomes a nexus of European émigrés: modernist poets trying their luck as B-movie screenwriters, once-celebrated architects becoming scale-model miniaturists, and refugee actors finding work playing the very villains they fled. While the world descends into war, Maria rises through a maze of conflicting politics, divided loyalties, and jockeying ambitions. But when the arrival of a stranger from her father's past threatens Maria's carefully constructed facade, she must finally confront her father's fate—and her own. Written with intelligence, wit, and an exhilarating sense of possibility, *Mercury Pictures Presents* spans many moods and tones, from the heartbreaking to the ecstatic. It is a love letter to life's bit players, a panorama of an era that casts a long shadow over our own, and a tour de force by a novelist whose work *The Washington Post* calls "a flash in the heavens that makes you look up and believe in miracles."

When Billy, a junior at Princeton, is arrested for assaulting his ex-girlfriend, Cassie races home to Manhattan to join forces with her big brother Nate and their parents, Lawrence and Eleanor. The Quinns scramble to hire the best legal minds money can buy, but Billy fits the all-too-familiar sex-offender profile—white, athletic, and privileged—that makes headlines and sways juries. Meanwhile, Cassie struggles to understand why Billy ’ s ex Diana would go this far, even if the breakup was painful. And she knows how the end of first love can destroy someone: Her own years-long affair with a powerful, charismatic man left her shattered, and she ’ s only recently regained her footing. As reporters converge outside their Upper East Side landmark building, the Quinns gird themselves for a media-saturated trial, and Cassie vows she ’ ll do whatever it takes to save Billy. But what if that means exposing her own darkest secrets to the world? Lightning-paced and psychologically astute as it rockets toward an explosive ending, *When We Were Bright and Beautiful* is a dazzling novel that asks: who will pay the price when the truth is revealed?

A Most Anticipated Book by: Crime Reads, BuzzFeed, Popsugar, Bustle, New York Post From "master of clever misdirection" (Kirkus Reviews) Aimee Molloy, author of the New York Times bestseller The Perfect Mother, comes an irresistible psychological thriller featuring a newly married woman whose life is turned upside down when her husband goes missing. A handsome psychotherapist. His lonely wife. And in his home office ceiling, a vent ... You'd listen too, wouldn't you? (You know you would.) Newlyweds Sam Statler and Annie Potter are head over heels, and excited to say good-bye to New York City and start a life together in Sam's sleepy hometown upstate. Or, it turns out, a life where Annie spends most of her time alone while Sam, her therapist husband, works long hours in his downstairs office, tending to the egos of his (mostly female) clientele. Little does Sam know that through a vent in his ceiling, every word of his sessions can be heard from the room upstairs. The pharmacist's wife, contemplating a divorce. The well-known painter whose boyfriend doesn't satisfy her in bed. Who could resist listening? Everything is fine until the French girl in the green mini Cooper shows up, and Sam decides to go to work and not come home, throwing a wrench into Sam and Annie's happily ever after. Showcasing Molloy's deft ability to subvert norms and culminating in the kind of stunning twist that is becoming her trademark, Goodnight Beautiful is a thrilling tale of domestic suspense that not only questions assumptions but defies expectations.
