Two sisters, lost youth, and youthful obsessions; organized by day as the family sits shiva, Evening unfolds the paradoxes of love, ambition, siblings, and the way the past continues to inflect the present, sometimes against our will. In her thirties, Eve is summoned home by her distraught family to mourn the premature death of her sister, Tam, a return that becomes an unexpected encounter with the past. Eve bears the burden of a secret: Two weeks before Tam died, Eve and Tam argued so vehemently that they did not speak again. Her sister was famous, acclaimed for her career as a TV journalist and her devoted marriage. But Tam, too, had a secret, revealed the day after the funeral, one that inverts the story Eve has told herself since their childhood. In the aftermath, Eve is forced to revise her version of her fractured family, her sister’s accomplishments and vaunted marriage, and her own impeded ambition in work and love. Day by day as the family sits shiva, the stories unfold, illuminating the past to shape the present. Evening explores the dissonant love between sisters, the body in longing, the pride we take in sustaining our illusions, and the redemption that is possible only when they are dispelled. The paperback edition features a reading group guide for book clubs. From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her Blood and Ash series... Is Love Stronger Than Vengeance? A Betrayal... Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that’s one order she’s more than happy to obey. He may have taken her, but he will never have her. A Choice... Casteel Da’Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he’s the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she’s ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she’s far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenders want her dead. The wolver are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.

This is the book that started it all! The basis for the smash hit Tony Award-winning Broadway musical, Gregory Maguire’s breathtaking New York Times bestseller Wicked views the land of Oz, its inhabitants, its Wizard, and the Emerald City, through a darker and greener (not rosier) lens. Brilliantly inventive, Wicked offers us a radical new evaluation of one of the most feared and hated characters in all of literature: the much maligned Wicked Witch of the West who, as Maguire tells us, wasn’t nearly as Wicked as we imagined.

From the bestselling author of P.S. I Love You and Love, Rosie, Cecelia Ahern, comes an enchanting novel that leads you to wonder if Not Seeing is believing! Readers and critics alike adore Cecelia Ahern for her lighthearted yet insightful stories about modern women and their often unusual situations. In If You Could See Me Now, she takes that theme a step further, offering us a heroine who is entirely believable, and the new man in her life who is, well, slightly less so. Elizabeth Egan’s life runs on order: Both her home and her emotions are arranged just so, with little room for spontaneity. It’s how she counteracts the chaos of her family--an alcoholic mother who left when she was young, an emotionally distant father, and a free-spirited sister, who seems to be following in their mother’s footsteps, leaving her own six-yearold son, Luke, in Elizabeth’s care. When Ivan, Luke’s mysterious new grown-up friend, enters the picture, Elizabeth doesn’t know quite what to make of him. With his penchant for adventure and colorful take on things large and small, Ivan opens Elizabeth’s eyes to a whole new way of living. But is it for real? Is Ivan for real? If You Could See Me Now is a love story with heart--and just a touch of magic.

He gave his heart to Dain when they were just boys and has been by his side every day in sickness and health. These days it’s mostly in sickness as Dain’s health deteriorates. Though his attraction to Chanyng increases with every encounter, Khial can’t help but resent the young woman who comes into his love story to play the hero, but marriage to her may be the only way to save the man he loves. Years ago a scandal left the Temple of the Pleasure Hounds near destitute. The young monk responsible for the scandal is given a chance to redeem himself and the temple when he is called upon to train the bonded triad in the orgasmic arts. What starts as a simple ritual soon turns carnal when the monk’s heart begins to yearn for Chanyng, and hers for his.

Generally regarded as Nella Larsen's best work, Passing was first published in 1929 but has received a lot of renewed attention because of its close examination of racial and sexual ambiguities. It has achieved canonical status in many American universities. Clare Kendry is living on the edge. Light-skinned, elegant, and ambitious, she is married to a racist white man unaware of her African American heritage, and has severed all ties to her past after deciding to ‘pass’ as a white woman. Clare’s childhood friend, Irene Redfield, just as light-skinned, has chosen to remain within the African American community, and is simultaneously allured and repelled by Clare’s risky decision to engage in racial masquerade for personal and societal gain. After frequenting African American-centric gatherings together in Harlem, Clare's interest in Irene turns into a homoerotic longing for Irene's black identity that she abandoned and can never embrace again, and she is forced to grapple with her decision to pass for white in a way that is both tragic and telling.

This collection of essays from world-renowned scholar Hans Walter Gabler contains writings from a decade and a half of retirement spent exploring textual criticism, genetic criticism, and literary criticism. In these sixteen stimulating contributions, he develops theories of textual criticism and editing that are inflected by our advance into the digital era; structurally analyses arts of composition in literature and music; and traces the cultural implications discernible in book design, and in the canonisation of works of literature and their authors. Distinctive and ambitious, these essays move beyond the concerns of the community of critics and scholars. Gabler responds innovatively to the issues involved and often endeavours to re-think their urgencies by bringing together the orthodox tenets of different schools of textual criticism. He moves between a variety of topics, ranging from fresh genetic approaches to the work of James Joyce and Virginia Woolf, to significant contributions to the theorisation of scholarly editing in the digital age. Written in Gabler's fluent style, these rich and elegant compositions are essential reading for literary and textual critics, scholarly editors, readers of James Joyce, New Modernism specialists, and all those interested in textual scholarship and digital editing under the umbrella of Digital Humanities.

Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

A "profound and provocative" new work by the Pulitzer Prize-winning author of Disgraced and American Dervish: an immigrant father and his son search for belonging—in post-Trump America, and with each other (Kirkus Reviews). One of the New York Times 10 Best Books of the Year One of Barack Obama's Favorite Books of 2020 Finalist for the 2021 Andrew Carnegie Medal for Excellence in Fiction A Best Book of 2020 * Washington Post * O Magazine * New York Times Book Review * Publishers Weekly "Passionate, disturbing, unputdownable." —Salman Rushdie A deeply personal work about identity and belonging in a nation coming apart at the seams, Homeland Elegies blends fact and fiction to tell an epic story of longing and dispossession in the world that 9/11 made. Part family drama, part social essay, part picaresque novel, at its heart it is the story of a father, a son, and the country they both call home. Ayad Akhtar forges a new narrative voice to capture a country in which debt has ruined countless lives and the gods of finance rule, where immigrants live in fear, and where the nation's unhealed wounds wreak havoc around the world. Akhtar attempts to make sense of it all through the lens of a story about one family, from a heartland town in America to palatial suites in Central Europe to guerrilla lookouts in the mountains of Afghanistan, and spares no one—least of all himself—in the process.
