Charlie Rooster, Johnny Mouse, and Percy the pig are the best of friends. They do everything together. They ride their bike together, play games together, and even do their chores together. Because that's what good friends do. When night falls, though, and it's time to go to bed, they learn that sometimes friends have to be apart. But that's okay, because true friends always find each other, even if it's just in their dreams.

You'll always be mine.
