"Entertainers and trainers have a lot in common. Both require an audience. Both require a polished, professional delivery. And both must attract -- and keep -- attention. Or else the show is over. Unlike the audience at a show, training participants are often

Acces PDF Bess And Tess

disinterested and easily distracted. In order to keep them tuned in and help them retain information, trainers are constantly in search of new ways to engage learners. Grounded in the latest adult learning and training theories, "Show Biz Training" provides creative

Acces PDF Bess And Tess

techniques that use comedy, props, magic, theater, and music, giving readers all the tools they need to perform the many activities found inside. The book uses specific examples and provides step-by-step instructions, resource lists, and worksheets to help trainers support and further

Acces PDF Bess And Tess

learning by engaging emotion, building rapport, creating the proper atmosphere, and crafting lessons out of a host of entertainment-inspired ideas.

Packed with fun, original concepts for serious educators, "Show Biz Training" is a highly informative way to set the stage

for exciting, effective learning."

"Read Assure" takes advantage of the best asset all children have in abundance:

tremendous brain power hungry for challenges. Children as young as four have successfully mastered reading English through phonics using "Read Assure." The

Acces PDF Bess And Tess

ability to read raises children's confidence and leads to a love of reading and the desire to devour ever more challenging material. Parents have recognized that starting their children on the road to mastering English gives young learners the necessary tools to become active and

Acces PDF Bess And Tess

engaged players in an increasingly competitive world.

"Read Assure" provides an entry point by which young learners can pick up any English book - from picture books to more challenging works - and read them with delight.

Having tried and tested this volume on

Acces PDF Bess And Tess

numerous children with great success, the author can say without hesitation that this may be just what your child needs to develop a lifelong love of and proficiency in the English language.

About the Author:
Everett Ofori, MBA is a Canadian instructor with more than 20 years of experience

Acces PDF Bess And Tess

as a teacher of English as a Second Language. Currently residing in Japan, Everett has had the privilege of teaching the whole spectrum of learners, from children as young as four to seasoned business executives. The writing of "Read Assure" arose out of the simple

Acces PDF Bess And Tess

observation that many of the methods by which children are taught to speak English miss the point, especially when these children do not have the benefit of regular daily interaction with native speakers. The results obtained from the use of this book have been nothing short of

Acces PDF Bess And Tess

spectacular and it is hoped that parents and teachers who are determined to bequeath the gift of English mastery to young learners will find in this book just what they need.

In Victorian London, a boy known as Joe Rat scrounges for valuables which he gives to "Mother," a

These timeless sayings are still popular and have important messages even today, for both young and old alike. The poems are in "kid speak" and contain

subjects young
readers can
identify with.
Each poem has
a
corresponding
short story
that
emphasizes and
illustrates
the meaning
behind the

proverb. Each story is set in a different surrounding and with a different plot, which keeps it fresh and interesting.
