Men, jobs, children, personal
crises, irreconcilable social

strange and confusing reasons
which may cause a female

Even more upsetting is that
women suffering from broken
friendships often have no one to

are less... beloved projects, we won't be discussing 47 Ronin here. Now that the John Wick franchise has brought Keanu back into the spotlight, any cinematic flops in which he starred may now be considered

as experimental performance art. So sure, we all know and love KR for his most iconic roles. But did you know that he was born in Beirut? Or that Keanu was on track for a career as a professional hockey player until

he was derailed by an injury? Or that the "sad Keanu" meme was actually just a picture of the actor enjoying a sandwich alone? Well, this book is packed with these tidbits, told in the only appropriate way: photocollage.
