Marlene thinks the eighties are going to be stupendous. Her sister Joyce has her doubts. Her daughter Angie is just frightened. Since its premiere in 1982, *Top Girls* has become a seminal play of the modern theatre. Set during a period of British politics dominated by the presence of the newly elected Prime Minister Margaret Thatcher, Churchill's play prompts us to question our notions of women's success and solidarity. Its sharp look at the society and politics of the 1980s is combined with a timeless examination of women's choices and restrictions regarding career and family. This new Student Edition features an introduction by Sophie Bush, Senior Lecturer at Sheffield Hallam University, UK prepared with the contemporary student in mind. METHUEN DRAMA STUDENT EDITIONS are expertly annotated texts of a wide range of plays from the modern and classic repertoires. Hooking up is cool, but holding out can be even better.

Many women don't feel great about hooking up before they're really ready, but they're not sure how to go about holding out and still keep the guy interested. Most books that recommend holding out prescribe tired old retro games--not picking up the phone or pretending to have a date already. This straight-talking guide is new, different and smart. You can have a great time with men, hold plenty of power and just be yourself! Hooking Up or Holding Out shows you how to: Decide when the time is right and when it's just impulse sex Settle for nothing less than the very best sex life Hold off unwanted advances and play the field Make friends with lots of men and go on plenty of great dates Create a romance that's artful and full of passion Hook up with truly great men Have more fun in love than ever before

Emma Harte rises from impoverished, pregnant servant to the heights of wealth and power as she parlays a small shop into the world's finest department store, outwitting her enemies, seeking revenge on her betrayers, and realizing her greatest dreams.

In her breakthrough generational memoir, Boomer expert Carol Orsborn relates the ups and downs of a tumultuous year spent facing, busting, and ultimately triumphing over the stereotypes of growing old. Along the way, she nurtures a love-starved friend through a doomed affair with a younger man, wrestles with the meaning of an exploding fish, and regains her passion for life at the side of her squirrel-crazed dog, Lucky. The message is as deep as it is engaging. In Carol's own words, "Plummet into aging, stare mortality in the eye, surrender everything and what else is there left to fear? The way is perilous, danger on all sides. But we can be part of a generation no longer afraid of age. We are becoming, instead, a generation fierce with age."

Meeting new girls isn't easy and having the courage to talk to them isn't exactly as simple as it is in the movies. Even then, the shattering thought of being rejecting is one that most men would try to avoid at all cost. Rejection bounces from left and right and the good ones are usually hard to find. Most men worry about being stuck in the friend zone and other men worry about being straight up rejected without being given a chance to show who they are. In addition, the thought of constantly looking for someone new isn't as pleasing as it sounds, especially when you're too shy to approach them. Though the thought might sound frightening, you have nothing to lose. If you want to know how to attract the woman that you've been interested in then you have to take the first step into talking to her. that purpose and is filled with the compliments that teens and women want to hear. It's time for you to boost your confidence and give yourself a compliment! This collection addresses the idea of being a mixed girl telling the stories of what it feels like to be in her shoes. Being mixed race with black and white, having people look at you and not know what you are mixed with and not ask but just look at you wondering. In For a Black Girl we hear the voice of a mixed girl sharing her experience of being good, talented, pretty but only for a black girl. Then to get the compliment "You're pretty for a black girl." What is behind this comment? As if just being a black girl isn't good enough to hold the compliment. And in Not Black Enough- Not White Enough we hear her voice share what it feels like to not be black enough or white enough to fit in or be accepted by any group. The feeling of isolation and loneliness that people feel when a group that they are a part of tells them that they don't represent it enough to be accepted by the masses. The collection is a great example of what it feels like to look well put together on the outside and what it really feels like on the inside to be alone especially when it feels like an attack on their race, the main thing their parent gave to them.
