Christians know that God loves them, but can easily feel that he is perpetually disappointed and frustrated, maybe even close to giving up on them. As a result, they focus a lot—and rightly so—on what Jesus has done to appease God ’ s wrath for sin. But how does Jesus Christ actually feel about his people amid all their sins and failures? This book draws us to Matthew 11, where Jesus describes himself as “ gentle and lowly in heart, ” longing for his people to find rest in him. The gospel flows from God ’ s deepest heart for his people, a heart of tender love for the sinful and suffering. These chapters take readers into the depths of Christ ’ s very heart for sinners, diving deep into Bible passages that speak of who Christ is and encouraging readers with the affections of Christ for his people. His longing heart for sinners comforts and sustains readers in their up-and-down lives.

Participants will plunge into the heart of Genesis, to God’s remarkable pursuit of relationship and to the unfolding of His earthly plan: that through one nationand ultimately, one manall people on earth will be blessed.

The most important disciple a parent will make is within their own home, and yet this is the most difficult disciple to make. Family Discipleship by Matt Chandler and Adam Griffin helps readers develop a sustainable rhythm of gospel-centered discipleship through a guided framework focusing on moments of discipleship in 3 key areas: time (intentional time gathering your family around gospel activities or conversations), moments (leveraging opportunities throughout the day), and milestones (celebrating significant life events). Each section provides parents with Scriptures to consider, questions to answer, structures to implement, and ideas to try out as they seek to see Christ formed in their children. Here is a book that begins with the end in mind, offering ideas and examples of what gospel-centered family discipleship looks like, helping parents design their own discipleship plan as they seek to raise children in the love and fear of the Lord.

*“Lord, Whatever It Takes, Make Me Like You!” You long to serve God with grace and strength, to reflect Christ in every word and action. Yet you find yourself continually struggling to bring that vision to life in your daily walk. At our very core, every one of us is a “twisted sister” within whom the flesh and spirit battle constantly for control. We are afflicted with spiritual schizophrenia, the disconnect between our “good girl” desire to put Jesus first and our “bad girl” realities that crowd our thoughts and push him out of the way. In this life-changing book, Joanna Weaver, author of the perennial bestseller, Having a Mary Heart in a Martha World, directs your gaze past your own shortcomings to the God who stands ready, willing, and able to make a new woman out of you. She equips you with biblical insights and practical tools to partner with Christ, inviting him into the hidden places of your soul and giving him full permission to redeem and renovate. Drawing on the stories of biblical Marys and others whose experience with God transformed their lives, Joanna shows how you can find the hope, healing, wholeness, and joy your heart longs for. Having a Mary Spirit will launch you toward lasting personal transformation–soul-deep change that results in a complete makeover, from the inside out. **Includes a 12-week Bible study for both individual reflection and group discussion***

Life is painful. Everyone’s story comes with unique challenges, difficulties, bumps, and bruises that leave you lost and drowning in their wake. It could be a financial disaster, a health issue, a broken relationship, or the loss of a loved one. Dr. Tony Evans, bestselling author and pastor of Oak Cliff Bible Fellowship, understands life’s hardships firsthand. In a span of less than two years, he lost his brother, sister, brother-in-law, two nieces, father, and wife. At the same time, both of his daughters received cancer diagnoses. In the wake of all this pain, Dr. Evans had to put into practice, at the deepest levels, the truths he has preached about God for more than forty years. God's Word doesn't promise us a life free from pain and trouble. It promises us something else—Someone else. Someone who will walk with us through all of life’s trials and troubles. There is hope for the hurting: His name is Jesus.

The prophet Daniel faced unbelievable pressures to compromise his faith, to live in a hostile culture, and to confront temptations and threats. Believers in Jesus Christ face many of the same trials. Join Beth Moore for an in-depth look at the life of Dan

“Is it working? Your belief system, that is. Is it really working? God’s intention all along has been for the believer’s life to work. From divine perspective toward terrestrial turf, God meant for his children to succeed. . . Are our Christian lives successful? Are they achieving and experiencing what Scripture said they

would? In a recent sermon my son-in-law preached, Curt told us the only way we were going to impact the world and the next generation is to prove that our faith in Christ is real and that it works. For countless Christians I’m convinced it’s real. My concern is whether or not we have the fruit to suggest it works.”—Beth Moore; *Believing God*

From her first breath of fresh air beyond the pit, it has never been enough for Beth Moore to be free. This best-selling author and Bible teacher who has opened the riches of Scripture to millions longs for you to be free as well—to know the Love and Presence that are better than life and the power of God’s Word that defies all darkness. Beth’s journey out of the pit has been heart-rending. But from this and the poetic expressions of Psalm 40 has come the reward: a new song for her soul, given by her Saviour and offered to you in Get Out of That Pit—friend to friend. This is Beth’s most stirring message yet of the sheer hope, utter deliverance, and complete and glorious freedom of God: I waited patiently for the Lord He turned to me and heard my cry He lifted me out of the slimy pit He set my feet on a rock He put a new song in my mouth It is a story, a song—a salvation—that you can know too.

Now available in paperback and one of Beth Moore's most popular writings to date, *Breaking Free* is the breakthrough book on how to overcome the strongholds of sin and discover a better life.

A Woman’s Heart

Living the King Jesus Gospel brings together biblical scholars, theologians, church historians, and ministry practitioners to discuss the Good News of Jesus Christ, discipleship, and the Christian life throughout the centuries and in the world today. Drawing from across the New Testament, the Church Fathers, the Reformers, the Anglican and various modern contexts, the contributors bring diverse perspectives to key questions about the gospel. What ties them all together is the person of King Jesus and the hope for a church that embodies and reflects a life-giving and flourishing kingdom.

A 10-week bible study exploring freedom in Christ for women. Focuses on themes from the Book of Isaiah.

It is reported in the headlines, confessed in the pulpits, and hidden in the pews in churches around the world. The seduction of God's people by the deceiver is a tale as old as the garden, but we are always surprised when it happens. We must realize that Satan is a lion on the prowl and we are his prey. Beth writes with a passion fueled by the schemes of Satan's seductive activity and the broken-hearted concern of a teacher who receives countless letters from repentant Christians limping on the road to finding restoration. Delivering dire warnings to Christians to safeguard themselves against Satan's attacks, Beth also reveals how you can know if someone is vulnerable. Beth is in desperate need of developing His heart and mind in issues like these." She fears that often God is far more merciful than the Body of Christ is with the deeply repentant and those desperate to find their way home. When Godly People Do Ungodly Things will be a guide to authentic repentance and restoration.

Discipleship and Ministry Then and Now (A Tribute to Scot McKnight)

2014 “Christian Retailing’s Best” award finalist! What did Jesus really mean when he said, “Follow Me”? In this new book, David Platt, author of the New York Times bestselling book, *Radical: Taking Back Your Faith from the American Dream*, contends that multitudes of people around the world culturally think they are Christians yet biblically are not followers of Christ. Scores of men, women, and children have been told that becoming a follower of Jesus simply involves believing certain truths or saying certain words. As a result, churches today are filled with people who believe they are Christians . . . but aren’t. We want to be disciples as long as doing so does not intrude on our lifestyles, our preferences, our comforts, and even our religion. Revealing a biblical picture of what it means to truly be a Christian, *Follow Me* explores the gravity of what we must forsake in this world, as well as the indescribable joy and deep satisfaction to be found when we live for Christ. The call to follow Jesus is not simply an invitation to pray a prayer; it’s a summons to lose your life—and to find new life in him. This book will show you what such life actually looks like.

A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master’s candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government’s Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for *Good and Cheap* is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, *Good and Cheap* is poised to become a cookbook that every food lover with a conscience will embrace.

A modern classic--revised with more than 70 percent new material--is based on seven Scriptural realities that teach Christians how to develop a true relationship with the Creator.

It turns out, giving up your “right” to be offended can be one of the most freeing, healthy, simplifying, relaxing, refreshing, stress-relieving, encouraging things you can do. It’s a radical, provocative idea: We’re not entitled to get offended or stay angry. The idea of our own “righteous anger” is a myth. It is the number one problem in our societies today and, as Dallas Willard says, Christians have not been taught out of it. In *Unoffendable* you’ll will find things of immeasurable value: a concrete, practical way to live life with less stress adjusting your expectations to fit human nature and replacing perpetual anger with refreshing humility and gratitude. *Unoffendable* seeks to lift religious burdens from our backs and allow us to experience the joy of gratitude, perhaps for the first time, every single day of their lives.
