From the gutters of the Warrens to the opulent court at Khalidor, Brent Weeks's epic fantasy THE WAY OF SHADOWS unfolds on the page of this graphic novel adaptation as seen through the eyes of seasoned illustrator Andy MacDonald! For the orphan Azoth, there are precious few avenues out of the life of a guild rat in the back alleys of the Warrens. There are no rewards without risks, and there are few greater risks than apprenticing yourself to the city's most accomplished assassin, Durzo Blint. Reborn as Kylar Stern, the young man must learn to navigate the intrigues of politics and the intricacies of magic, but does he have both the killer instincts and the raw talent to survive the cutthroat life he's chosen? Neve McKnight sees monsters no one else can. Sentient shadows haunt her waking dreams. She tells herself her visions are nothing more than horrifying hallucinations. ... until the day her best friend tries to murder her. Neve can't afford to ignore the truth anymore. She sets out to learn how to control her rogue telekinesis and investigates her enigmatic heritage. At every turn, she encounters suspect allies-a vampire with a wicked past, a slightly unhinged hybrid, and two peculiar black cats. ... She must decide whom to trust and hone her skills, before the gates of hell are opened. New Adult Urban Fantasy with romantic elements. The book ends on a slight cliffhanger that will be resolved in book 2.

Kylar Stern has given up the way of shadows for a life of peace, but when an old ally returns, Kylar must make a deadly choice in the second novel of the Night Angel Trilogy by NYT bestselling author Brent Weeks. Kylar Stern has rejected the assassin's life. The Godking's successful coup has left Kylar's master, Durzo, and his best friend, Logan, dead. He is starting over: new city, new friends, and new profession. But when he learns that Logan might actually be alive and in hiding, Kylar is faced with an agonizing choice: will he give up the way of shadows forever and live in peace with his new family, or will he risk everything by taking on the ultimate hit? Devour this blockbuster tale of assassination and magic by Brent Weeks, which has delighted readers all over the world -- with over one million copies in print!

Logan Gyre now holds the throne, but Kylar Stern has acquired a powerful new enemy, a goddess bent on the destruction of all that Kylar holds dear in the concluding volume of the Night Angel Trilogy by NYT bestselling author Brent Weeks. Logan Gyre is king of Cenaria, a country under siege, with a threadbare army and little hope. He has one chance--a desperate gamble, but one that could destroy his kingdom. In the north, the new Godking has a plan. If it comes to fruition, no one will have the power to stop him. Kylar Stern has no choice. To save his friends--and perhaps his enemies--he must accomplish the impossible: assassinate a goddess. "The Book of Eli – Solara: The Verse of Shadow," is the story of Solara and her mission to save her blind mother from Carnegie. This story is a fan-toid expansion of the original 2010 movie The Book of Eli starring Denzel Washington (Eli) and Mila Kunis (Solara) . Throughout this book, the reader follows Solara as the main character and receives closure to the original story. This book will appeal to those who enjoy fan fiction.

Through poetry and story, Daydreams and Night Visions moves us through Charles Henley's transformational journey from a boy hopelessly addicted to drugs, alcohol, and the strife that accompanies addiction, to a man full of hope, love, and joy. In this book of rhymes and wisdom, we get a glimpse of an emotional state of mind we might not otherwise understand. We get a first-hand view of the conversion from and remorse for a life of sin to the daydreams and night visions that Henley experienced during and after his conversion. These visions made him acutely aware of the struggle between good and evil as demonic forces battled for the possession of his soul. This awareness helped him not only prepare for the battle but claim victory over it. This poetic look at a life of a sinner once saved is a look at faith and hope at the end of the road of despair. It's not only written for those who suffer from similar addictions, it's also written to give hope and advice to friends and relatives who feel helpless as they watch their loved ones losing the battle for their souls—if only for a season.

Destiny Allen, a Web designer for software giant Scenaria Security Systems, finds herself involved in a deadly puzzle that blurs the boundaries between the virtual and the real. At stake: the infrastructure of modern America. Her resources: Dina Gustafson, a college friend, and Karl Lustig, an Israeli technology journalist with friends in dark places. The challenge: sort the good guys from the bad before the lights go out. A fast-paced technology thriller, Web Games is about real risks and virtual worlds, about Internet threats as close as tomorrow's nightly news, and about the ever-escalating warfare between black-hat hackers and modern society.

A story about romance and everyday life that takes place in the Chicagoland area

Over the past thirty years, Cicimilan Lauer has captured the intensity of death camps in Germany, Poland, and Czechoslovakia, in dark and expressive photographs, telling of a world turned upside down, and, in contrast, the story of the "Danish exception": how the citizens and leadership of Denmark, under occupation and at tremendous risk to themselves, defied the Third Reich to transport the country's Jews to safety in Sweden

The highly anticipated metaphysical sandalooe from International Amazon Bestselling Author Kristen Martin The night sky holds more mystery than every continent on Earth combined--at least that's what thirty-three-year-old Elara Fris believes. And why wouldn't she, when she's been named after one of Jupiter's many moons? A long-time assistant to astrophysicist Professor Haven at the University of Colorado Boulder, Elara's unexpected change in employment status couldn't come at a worse time. Even more unnerving is the sudden disappearance of her professor just minutes after their last conversation--not to mention the fact that she's somehow traveled four days into the future... with no recollection of those days' events. As more professors begin to go missing and the police begin to ask questions, there's yet another unexpected development in Elara's life: one that goes by the name of Xero Sivalla. A fellow assistant at the university, Xero seems to have inside knowledge on not only the growing number of faculty disappearances, but on Elara herself. As Elara spends more time with Xero, the more she discovers just how wrong her assumptions about life, the cosmos, and existence itself have been. Blurring the lines of reality is one thing, but cracking the entire Universe wide open? She should be so lucky--that is, unless it's been predestined from the start.

Journey with this family as they rescue Young Savage, encounter beef, internal conflict, and situations that test their love and loyalty to each other .

The story of four sisters from Nepal who are forced into the world of human trafficking and how the experience influences their lives.

One winter's night the writer recounted an American dream of building a life in New York City to follow an enigmatic inner voice and embrace an unknown path, which goes on to occasion a life-changing journey in Peru, South America. He experiences the remarkable healing properties of shamanic ceremonies in the Amazon Jungle, the sublime energy of the ancient Inca Ciudad of Machu Picchu and the Andes Mountains, the openness of Peruvian villagers and their commendable life-styles in harmony with nature, and friendship of many individuals who 'coincidentally' enter his life at the most appropriate moments to help him integrate the vital changes taking place in his being. Part autobiographical, part travelogue, part philosophical musing and part poetry, wrapped up in language both sensitive to the writer's predicament and lyrically appreciative of the natural world, this book addresses the ethos of the world's current dominant civilizations. It also affirms for many seekers in the world, that it is possible to discover their true path in life and create their own reality based on their version of the absolute truth, which ultimately rests in all of us.

A narrative account of the pioneering photographer's life-risking effort to document a disappearing North American Indian nation offers insight into the danger and resolve behind his venture, his elevation to an impassioned advocate and the posthumous discovery of his considerable achievements. Shadow's Edge

How does it feel to be here and there - at the same time? Maxwell Greyson refers to himself as a project manager but really only makes use of that title in an attempt to mask his ridiculousness, which is something that has plagued him all of his life. He unwittingly embarks on a quest to find what he's always sought. He finds it, or rather he finds something, but doesn't know exactly how to process it or what to do with it. What ensues is a journey that starts at zero and ends up near the edge of the multiverse. Or is it the other way around?

Killian knows all about vampires and aliens. They're not real. But when a handsome swimmer climbs into his storm-tossed boat an hour from her summer destination, the worlds of fantasy and reality suddenly collide... Cutluya Island has no mall, no social scene, and no action. But it does have a mysterious stone tower, ageless islands, and a secret as astonishing as a mermaid's tale... Before the summer is through, Killian will find the truth of her family's past... and the role she is destined to play in a centuries-old curse.

A collection of four short dark stories. In "Self Defense" we explore the mind of a woman forced to kill in her defense and the unusual effect it has on her. In "The Cell" a young boy is trapped in a cell and tormented by a beastly jailor, but there are worse things waiting in the wings. Don't scream or you may draw them to you. In "Nightfall" a family struggles to survive the night in a world where darkness brings death. A new twist on the vampire mythology. "Ink" is a short piece detailing how a reader is swallowed by what he reads. This book is a detailed depiction of the "cuts" that people incur or will incur over the course of their lives, and how those "cuts" subsequently shape their lives. (Cuts are hurts, experiences, tragedies, and/or various pains incurred). Unfortunately, people will inevitably incur hurts and pains in life, which most are beyond their own control. One simply cannot control what happens to them at the hands of another. People hurt other people. It's not so much the hurt that causes the problem, but more so the effects of the hurt. Oftentimes, people ignore the hurt. live their lives as if the hurt never occurred. They are oblivious to their deep hurt because they've mastered the art of disguising the pain. The problem ensues when the severely wounded people interact with others, then they subsequently inflict others with the residual hurt that they've been harboring. Because of this, many fail to realize that they've been "cut" and are in need of healing. The purpose of this book is to aid in identifying and healing cuts from one's life (including their past, present, or possibly their future), as these cuts will affect one's life in a variety of ways. Oftentimes, people need healing to recover from some trauma or tragedy that they've endured, yet they're too afraid to ask for help. Many internalize their feelings, never properly articulating their mental anguish, ultimately forsaking the need and opportunity to heal. It's the lack of healing that causes people to hurt others or live unhappy lives. This book was written to aid people with identifying their hurt, their need for healing, and ultimately helping them to heal and subsequently live their best lives.

Elias Raven's poetry has been gaining critical acclaim since he came onto the poetry scene a few years ago. His book "The Painted Shadows" has been recognized by many as a work that is both refreshing and challenging at the same time. His poetry is familiar, yet the style is fully his own. The authors meditations on love & loss, life & death, religion & spirituality, his own personal identity, humanity, history & sexuality all form a compelling narrative for the reader as he pushes the absolute limits of his creativity. This poet delves deeply into his past and present taking us all on a very real and personal journey of the spirit as he seeks to articulate his visions with the rest of us. "The poetry of his writing embodies a range of feelings and images that are always unpredictable, yet beautiful and haunting at the same time. His words resonate with the reader and open doorways to the limitless possibilities [whether he] is proposing his own re-interpretation or vision to historical images and text. His words are painful to read at times, the images that come forth bleed from his heart echoing in the interior of his soul, screaming his pain... Still other passages are deeply erotic and mesmerizing, leaving the reader to wonder how much is from this poet's own personal reality. He can look into the night and transcend meaning, his words leave an indelible impression, causing the reader to dive back in again and again looking for hidden meanings and gems among the passages. Elias truly gives space to poetic meaning and initiates further dialogue leaving the reader wanting more and more." KB The assembled guest poets that are in the back of this book of poetry both old and new form a wonderful compliment to this gifted writers verse. Familiar names from the indie writing community like Ethan Radcliff, Alan Walker & Alexandria Sure along with a slew of new and upcoming poets all form a wonderful framework and introduction to this writers poetic vision.

"I will follow you to hell. You will never control any treasure and your army is dead where they stand. I promise you I will reach down from the heavens and take each of their lives".Imagine for a moment you are skiing downhill racing ahead of an avalanche, your chest is pounding, pulse racing. That is what you will experience reading this story as the momentum builds, and your heart beats faster and faster. You will be absorbed into the lives of the characters, becoming a part of the action even after the ending. There are struggles between honor and greed, right and wrong, battlefields are soaked crimson over them. It makes you think and question "What if?" due to the possibilities and theories contained within. It is purely fictional though based on a trilogy of poems I wrote. While hiking in Europe, Christian finds a unique rock formation resembling a rose hidden in shadows. While camping in the shadows, Christian hears the voice of a ghost telling a magnificent tale of times long past. The voice of Sir Rowan Baldin of the Knights Templar, born out of the aftermath of the Templar purge in France 600 years prior. Rowan's lineage managed to escape the purge to what is now known as Switzerland. There they helped shape a country while protecting their Templar roots in absolute secrecy. Rowan uses dreams and leads Christian on a fast paced adventure throughout Europe. Christian stumbles onto a number of remarkable discoveries, and is knighted by the modern day Templars he uncovers on his quest. Christian finds who he was meant to be. The Templars, these once 'warrior monks' are brought out of the shadows, and their reputation redeemed as their real story is told.This book is not suitable for children due to graphic nature of violence and adult situations.
