The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

You Must Know the Times

**Understanding the End Times was never intended to be a book describing world conditions to predict the closeness of the appearing of Jesus for His Church. Many books have come and gone written with the purpose of comparing world events to scriptures about end times and Jesus' return. However, this book was not; it was designed to provide a Bible understanding of God's plan for the ages by weaving together the prophecies of the Old and New Testaments. It**

**was also designed to describe the situations and events that will exist on earth at the time of the culmination of all things. For these reasons this book should be timeless. This book will challenge you to open your heart to the Word of God and your eyes to what is happening in the world. The atmosphere is lining up like never before, spiritually, morally, politically, economically, in every way. Don't let your heart fail for fear of what is coming on mankind and the world. Instead, look up in faith and anticipation. Your redemption is closer than ever! The impact of The Late Great Planet Earth cannot be overstated. The New York Times called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.**

*For many people, worry, anxiety, and fear are constant companions: fear of death, fear of danger, fear of disease. And too often, these fears are crippling, keeping us from the life God has called us to live. But it doesn't have to be that way, says Dr. David Jeremiah. As Christians, we have been given all we need in order to face down even the most frightening, unexpected, and overwhelming obstacles in life. In his new book, What Are You Afraid Of? Dr. Jeremiah explores the top ten fears that are holding so many of us back from the life God has called us to live and shares the supernatural secrets for facing down these fears with faith. We live in the days prophesied long ago by Jesus and given to the Apostle John, the writer of Revelation. Earthquakes, famine, death, disease, sexual immorality, and other prophecies are being fulfilled as we draw closer to Jesus' second coming. The spiritual alarms are sounding all around us as God is beckoning humanity to hear His voice and receive Him. It is ever so urgent for Christians to be students of the Word of God, for only through prayer, daily Bible studies, and having a personal relationship with God can we be equipped for the present and days to come. The Bible lets us know that the Bereans were commended for their daily studies of God's Word. They did not just receive what the Apostle Paul taught but searched the Scripture for themselves daily (Acts 17:11). In *What Does the Bible Say About the Future?*, radio host and prophecy expert Dr. Charlie Dyer offers you an insightful look at the end times that's grounded not in human fantasies but in the very revelation of God. The Pretribulation Rapture theory has had a foothold on many Christians in America for over a hundred years. This teaching is not allowed to be challenged in many Christian circles. Exposing the Fallacies of the Pretribulation Rapture takes the building blocks of this theory and dismantles them one by one in a serious, thought-provoking analogy of this doctrine. - Is the seven year tribulation really a biblical term? - Is the church literally raptured in Revelation chapter 4? - Are there signs that precede the return of Christ? - Is the rapture really an invisible event? - Are Christians exempt from tribulation? - Where did the true roots of the pretribulation rapture come from? - What does the day of the Lord have to do with the rapture? These questions and many more are answered in Exposing the Fallacies of the Pre-Tribulation Rapture. Not only is there a thorough examination of the rapture, but also a detailed account is given of the numerous discrepancies among leading pretribulation teachers over Bible passages on the second coming. Billy Broadwater's in-depth Bible based research for over twenty-years brings home the truth about the rapture.

*The message of the Messiah and His coming Kingdom weaves its way through the Bible from Genesis to Revelation. The canon of Scripture, long ago inspired by God's Spirit, reveals with great detail the course of the ages. However, we must look back at the Old Testament promises and prophecies and New Testament prophecies before we can accurately understand God's Word concerning our future. We begin by looking back. We will see the righteous line to the Messiah pass from Adam to Jesus. We will look at God's promises to Abraham, the nation of Israel and to the world. Next we will study the prophetic timelines God revealed to Daniel. We will also look at the Church, distinct from Israel with her own program, promises and prophecies. Only then can we understand God's plan for our future. With excitement, we will examine the scriptures concerning the coming Rapture and the Judgment Seat of Christ, Tribulation, the Return of Christ, the Millennial Kingdom, and life eternal in the new heavens and earth. This class is an 18 week study and is for both the new and the mature believer. Each weeks lesson is broken into five days, each day requiring 30-40 minutes of your time. I Believe Jesus Will Return... What More Do I Need to Know? Do you tend to avoid studying books of the Bible like Revelation and Ezekiel? Does it feel like words such as rapture

and apocalypse fly right over your head? It's common to dismiss these and other topics related to Bible prophecy as irrelevant and...well...too complicated. But God's Word says, "Blessed is the one who reads aloud the words of this prophecy, and blessed are those who hear it and take to heart what is written in it, because the time is near" (Revelation 1:3). Prepare to be blessed in an entertaining and meaningful way! The Non-Prophet's Guide to the End Times combines engaging illustrations with down-to-earth explanations to help you navigate the ins and outs of Bible prophecy. There's no better time to grasp God's plans for the future—and for you—than this very moment.

Wars and rumors of wars, blood moons, natural disasters, the onslaught of terrorism, spreading heresies—the news is filled with reports of such things. But which of them are truly “signs of the times,” according to biblical prophecy? God says, “I make known the end from the beginning, from ancient times, what is still to come” (Isaiah 46:10). The One who knows the future has revealed much about it in His Word, the Bible. This book contains one hundred questions concerning the end times, answered from a biblical perspective. “How can I understand the book of Revelation?” “What is Israel’s role?” “What is the rapture?” “Should I be worried about 666?” “Are we living in the end times?” We don’t have all the details of what will happen, but this book will point you consistently to the Bible for answers. The student of Scripture should have an advantage when it comes to prophecy: “You, brothers and sisters, are not in darkness so that this day should surprise you like a thief” (1 Thessalonians 5:4). Eschatology is a fascinating and beneficial study. Following current events is sometimes like watching pieces of a puzzle fall into place. We know God’s purposes will stand and what He has decreed will come to pass.

We all wonder about the end--when it will come, what it will be like and what will happen to us. The thirteen lessons in this LifeGuide Bible study will give you a solid overview of what the Bible says about end times--and it will help you be ready to face the future.

This book will give the reader a much better understanding of what God has planned for this world's future. Prior to Tribulation, the Church (the believers in Jesus Christ) will be caught up, raptured, and will meet the Lord in the air. Much of what is written in numerous books of the Bible that deal with prophecy is written in symbolic language, often making it difficult to understand. One purpose of this book is to reveal and explain to the reader what is meant by those symbols, thereby giving the reader a glimpse and a better understanding of what the future holds. Additionally, when dealing with a specific subject such as an event that was prophesied in the book of Revelation, often, that subject is covered in other verses of that book and/or in other books within the Bible. The comparing of scripture with scripture supports, sheds light, explains, and/or reinforces our understanding of that particular passage. Following the Tribulation is the Millennium, the one-thousand-year reign with Christ.

The world is spiraling out of control at an alarming pace. Wildfires, earthquakes, hurricanes, and floods devastate entire communities. Global pandemics kill hundreds of thousands of people. Social injustice, civil unrest, and lawlessness threaten our societies. Political instability and the threat of war increase hostilities between nations. The birth pangs of distress are getting more intense each day. The question is, what do all these things mean and where is this world headed? Unfortunately, at a time when people need answers the most, many do not know what the Bible says about the end times. *You Must Know the Times*, is an eye-opening book specifically designed to educate readers on a wide range of subjects concerning the last days. This book will equip you to discern the times in which we now live. You will learn what the Bible says about the signs of the times, the conflict in the middle east, the tribulation period, the nation of Israel, the mark of the beast, the Antichrist, the battle of Armageddon, the rapture of the church, the return of the Lord, and many more essential topics. Discover the powerful message the book of Revelation has for Christians and the perils that await a rebellious world. The Lord warns, "Look, I am coming like a thief. The one who is alert and remains clothed...is blessed." Therefore, it is vitally important that you must know the times.

The prophetic clock is ticking. We are living in tumultuous times. From corrupt world politics to global pandemics to an unprecedented rebellion against God and His Word, humanity has reached a critical stage. What happens next? In this eye-opening book, Jimmy Evans

examines biblical prophecies about the end times and points to their unmistakable parallels with today's world. With clear, insightful analysis of Scripture, he answers many common questions, such as: • Are we living in the end times? • How should Believers respond to increasing immorality? • Will Christians go through the Tribulation? • What role does Israel play in God's prophetic plan? • Are COVID-19 and other world events announcing the imminent return of Jesus? Ultimately, Tipping Point will help you understand current events with confidence. There is no going back, but hope and peace are possible as God's plan unfolds and we approach the end of the age. Jimmy Evans is senior pastor of Gateway Church in the Dallas/Fort Worth Metroplex and holds an honorary doctorate of literature from The King's University. In addition to authoring more than seventeen books, Jimmy has studied eschatology for more than 45 years and is passionate about helping believers find hope, peace, and encouragement in the Word of God.

The end is near! Signs, books, and movies predict it. What do the scriptures say about end-times? How can we decipher the clues written about wild beasts, vague symbols, false teachers, and mysterious timelines? In the beginning, God created the universe. 2000 years ago He handed the deed of the earth to His Son. In the End, Jesus will return to reign over the world as King of Kings and Lord of Lords. What happens in between? This book digs into the Old and New Testament and demystifies the apocalyptic writing in the book of Revelation. Hundreds of sources and thousands of scriptures are quoted to explain the end-time prophecies and when they occur. Tables and photos simplify the information to stimulate thinking and reasoning. Perhaps you have nibbled at Revelation and other prophecy books in the past but came away with more questions than answers. Would you like to sink your teeth into the meat of scripture and understand its meaning? If so, this book is for you!
