***During the seventeenth century, English Puritan pastors often encouraged their congregations in the spiritual discipline of meditating on God and His Word. Today, however, much of evangelicalism is either ignorant of or turned off to the idea of meditation. In God's Battle Plan for the Mind, pastor David Saxton seeks to convince God's people of the absolute necessity for personal meditation and motivate them to begin this work themselves. But he has not done this alone. Rather, he has labored through numerous Puritan works in order to bring together the best of their insights on meditation. Standing on the shoulders of these giants, Saxton teaches us how to meditate on divine truth and gives valuable guidance about how to rightly pattern our thinking throughout the day. With the rich experiential theology of the Puritans, this book lays out a course for enjoying true meditation on God's Word. "The popular conception of meditation has become so badly misshapen by mysticism, New Age influences, and Eastern religious notions that some otherwise sound Christians today seem to recoil from any mention of meditation as a necessary spiritual exercise. But nothing is more vital or more beneficial for understanding the truth and growing in sanctification than quiet, careful, focused reflection on the words and the meaning of Scripture. That's what the word meditation means in the Bible. No less than six times in Psalm 119 alone, the psalmist says 'I***

deviates from the original meaning in the Hebrew and Greek texts of the Bible, dampening its effectiveness. However, biblical meditation started with the patriarchs and persisted throughout the early church. God told Joshua that meditation is the recipe for a prosperous journey in life (Joshua 1:8). This study guide is designed as an accompaniment to the book, *Biblical Meditation*. It will enable you to hone your understanding of the concepts shared in *Biblical Meditation* by exploring questions, which expose any underlying beliefs, for further reflection and discussion. It will also challenge you to examine the practical ways these concepts can be applied and lived out. While the study guide is intended for group settings whether small or large, facilitated by leaders who have read *Biblical Meditation*, it can also be used for personal study. I recommend that readers begin by first completing *Biblical Meditation*, to receive a holistic understanding of the subject of meditation. Then start again, reading a chapter of the book before delving into the corresponding chapter in the study guide. The chapters in the study guide match the chapters in the book. It is best to take a sequential approach, building understanding and steering discussions from the first chapter to the last. Only some of the scripture passages referred to are written out in the study guide, so it is good to have a Bible with you as you go through the book. Writing space is provided to record your answers and reflections. Feel free however, to use a journal or other writing material to capture thoughts and information that do not fit in the space provided. Start each session with prayer, asking the Holy Spirit to give you insight. Inspired Bible prayers can be found in the appendices. Essential study aids for your devotional life are also listed. It is my prayer that as you journey through the study guide, you will receive insight into this ancient path and claim meditation back with its true meaning and practice. I commend this book to the precious Body of Christ who have been purchased by the blood of the Lamb of God and called to a high purpose. May your heart's hunger for more of God be satisfied through the power of the Holy Spirit.

**This Covenant experience will guide participants in a comprehensive, in-depth study of the Bible over twenty-four weeks. Unlike the learning participants may have experienced in other groups, this in-depth study of the whole Bible emphasizes the biblical concept of covenant as a unifying pattern through all the books in the Old and New Testaments. It underscores the unique relationship that God chooses to have with us as God's people. This relationship is grounded in the faithfulness of God's love and on our ongoing commitment to stay in love with God while we share signs of that love with others. Many participants find great personal benefit and contentment in an intimate**

updated and revised to equip a new generation of readers, this anniversary edition features in-depth discussions on each of the key disciplines.

In the twenty years since its publication, *Celebration of Discipline* has helped over a million seekers discover a richer spiritual life infused with joy, peace, and a deeper understanding of God. For this special twentieth anniversary edition, Richard J. Foster has added an introduction, in which he shares the story of how this beloved and enduring spiritual guidebook came to be. Hailed by many as the best modern book on Christian spirituality, *Celebration of Discipline* explores the "classic Disciplines," or central spiritual practices, of the Christian faith. Along the way, Foster shows that it is only by and through these practices that the true path to spiritual growth can be found. Dividing the Disciplines into three movements of the Spirit, Foster shows how each of these areas contribute to a balanced spiritual life. The inward Disciplines of meditation, prayer, fasting, and study, offer avenues of personal examination and change. The outward Disciplines of simplicity, solitude, submission, and service, help prepare us to make the world a better place. The corporate Disciplines of confession, worship, guidance, and celebration, bring us nearer to one another and to God. Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities-and how they can help us shed our superficial habits and "bring the abundance of God into our lives." He offers

crucial new insights on simplicity, demonstrating how the biblical view of simplicity, properly understood and applied, brings joy and balance to our inward and outward lives and "sets us free to enjoy the provision of God as a gift that can be shared with others." The discussion of celebration, often the most neglected of the Disciplines, shows its critical importance, for it stands at the heart of the way to Christ. Celebration of Discipline will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth.

***Richard J. Foster teaches readers how to use the classical Christian techniques of meditation to enhance times of prayer.***

***We have amazing power and strength at our fingertips through understanding and applying God's word to our lives. This discipline looks at the prayerful deliberation of and digging into the Scriptures in more than just a cursory read. "Being a devoted listener to Bible teaching and preaching means more than passively absorbing what we hear. Devout listeners know that Chris is present and that what we hear could change our lives. That said, it also means***

***"The twenty-four spiritual practices in this series are Acceptance, Bible Study & Meditation, Celebration, Community, Confession, Contemplation, Faith, Fasting, Forgiveness, Gratitude, Hospitality, Justice, Mentoring, Outreach, Prayer, Reconciliation, Sabbath Rest, Service, Silence, Simplicity, Solitude, Stewardship, Submission, and Worship."***

***In Taking Jesus Seriously, the words of Jesus become clearer when matched with the practices and insights of Buddhist meditation. This book presents a Christian way to implement the words of Jesus by looking inside to see what stands between the reader and God's kingdom. Cowan connects everyday examples and Jesus' words to the method of Buddhist vipassana or insight meditation by offering instruction, perception, and guidance. With practice, readers can begin to notice what is actual, leave anxiety to the Father, accept pain, and see the world as a child would. This book is designed to be read over twelve weeks while practicing 20-30 minutes of daily meditations. Each chapter includes questions and answers. ***Cowan, with his years of experience in both Eastern and Western forms of meditation, offers a guide for the traveler and a bridge between traditions.? Rt. Rev. James Jelinek Bishop of the Episcopal Diocese of Minnesota The Christian life is built on three seemingly unremarkable practices: reading the Bible, prayer, and fellowship with other believers. However, according to David Mathis, such “habits of grace” are the God-designed channels through which his glorious grace flows—making them life-giving practices for all Christians. Whether it’s hearing God’s voice (the Word), having his ear (prayer), or participating in his body (fellowship), such spiritual rhythms of the Christian life have the power to awaken our souls to God’s glory and stir our hearts for lifelong service in his name. What’s more, these seemingly simple practices grant us access to a host of spiritual blessings that we can only begin to imagine this side of eternity—and the incredible joy that such blessings bring to God’s children today.
