Long Hair Don't Care is a poem picture book written about boys and men with long hair. It is a fun, colorful, rhyming book with a diverse cast of boys and men of varying ages with long hair. An entertaining picture book that teaches the importance of asking for permission first as a young girl attempts to escape the curious hands that want to touch her hair. It seems that wherever Aria goes, someone wants to touch her hair. In the street, strangers reach for her fluffy curls; and even under the sea, in the jungle, and in space, she's chased by a mermaid, monkeys, and poked by aliens...until, finally, Aria has had enough! Author-illustrator Sharee Miller takes the tradition of appreciation of black hair to a new, fresh, level as she doesn't seek to convince or remind young readers that their curls are beautiful--she simply acknowledges black beauty while telling a fun, imaginative story.

"Emi is a creative seven-year-old girl with a BIG imagination. She is a problem-solver at heart with an inquisitive mind. In this story, Emi talks about her curly, coily, cotton candy hair and what she likes most about it"--Page [4] of cover.

The Bronx Is Burning meets Chuck Klosterman in this wild pop-culture history of baseball's most colorful and controversial decade The Major Leagues witnessed more dramatic stories and changes in the '70s than in any other era. The American popular culture and counterculture collided head-on with the national pastime, rocking the once-conservative sport to its very foundations. Outspoken players embraced free agency, openly advocated drug use, and even swapped wives. Controversial owners such as Charlie Finley, Bill Veeck, and Ted Turner introduced Astroturf, prime-time World Series, garish polyester uniforms, and outlandish promotions such as Disco Demolition Night. Hank Aaron and Lou Brock set new heights in power and speed while

Access Free Big Hair Dont Care

Reggie Jackson and Carlton Fisk emerged as October heroes and All-Star characters like Mark "The Bird" Fidrych became pop icons. For the millions of fans who grew up during this time, and especially those who cared just as much about Oscar Gamble's afro as they did about his average, this book serves up a delicious, Technicolor trip down memory lane. Coloring is a most enjoyable activity that has several benefits. It helps boost your child's focus and concentration. The more complex the patterns are, the more that your child will be careful with every stroke of the crayon. He/she will become too focused in the moment that frustrations and other negative emotions will soon be forgotten. Grab a copy now!

The Amazing Book of No was just announced as a Winner of the 2015 Readers Favorite Award for K-3rd grade readers. "The Amazing Book of No" is a deceptively simple story that will teach your 3-7 year old how to accept the word "no" when you say it, and why they shouldn't argue. The story is about two moms and their children. One mom says "no" all the time,

Access Free Big Hair Dont Care

while the other says "yes" to everything. It is cute and engaging all in one, and designed not to take up too much of a parents valuable time, with the idea being to try and imprint wholesome ideals while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "NO" as they grow older. This really is: The Amazing Book of No!

The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this "vital, necessary, and beautiful book" (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and "allows us to understand racism as a practice not restricted to 'bad people' (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt,

Access Free Big Hair Dont Care

and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

parent's death and their quest for identity among the conflicting values of their adolescent society.

Bad Hair Does Not Exist is a tool of empowerment for all little girls who are black, afro-descendent, afro-Latinas, and Garifuna. It's to enhance the confidence of girls who are beautiful, intelligent, savvy, witty, and have extraordinary hair. The book is intended to teach little girls how to define and describe their hair so that they don't identify with the term "bad hair." It gives you cool illustrations of gorgeous girls with examples of each type of hair. The book serves to educate and calls for all of us to work as equal partners to build our girls up by using proper terminology to describe their hair because it is directly linked to their essence.

The Men's Hair Book: A Male's Guide To Hair Care, Hair Styles, Hair Grooming, Hair Products and Rocking It All Without The Baloney is exactly what it says in the title. Written by popular men's hair expert Rogelio Samson, The Men's Hair Book gives the modern male an in-depth blueprint to getting his hair looking as he wants it to look without the baloney that abounds the men's hair field. The Men's Hair Book: A Male's Guide To Hair Care, Hair Styles, Hair Grooming, Hair Products and Rocking It All Without The Baloney is based on Rogelio's "hair-management equation": a pioneering system that optimizes the profiling, grooming, styling and caring of your hair so as to yield the overall solution of great-looking, convenient hair.

Access Free Big Hair Dont Care

The hair-management equation covers and optimizes everything that has to do with having hair that you can finally be happy with, and this system serves as the backbone of The Men's Hair Book and Rogelio's goal of spreading the word so as to have men worldwide carrying their hair with pride and in a self-actualizing manner. What's more is that The Men's Hair Book is related to the real world through barbershop case studies in every chapter so that you are able to relate your newly-acquired knowledge to the practical side of male hair care. This is what you will find in the 240+ pages of The Men's Hair Book: - A hair-profiling system that puts your hair into a type and length category and that also measures how much your hair may curl, altogether creating your particular hair ID. - The Norwood male-balding classification explained in detail so that you can identify any current or future hair loss you may suffer. - Rogelio's popular hair-grooming method, including his No Shampoo method and his Sebum Coating method. - All about cleaning your hair, from how to use shampoo to cleaning your hair without shampoo and via natural alternatives. - All about conditioners and how to make the most of the sebum you secrete (yes, your hair follicles secrete sebum!). - A full analysis of all hair products and how to select the appropriate ones according to your unique hair ID. - An in-depth coverage of how to style your hair, including the relevant hairstyles that suit your hair ID. - The correct methods to optimally using hair dryers and hair straighteners as a male without frying your hair. - Guidelines for growing your hair long and working out how long your hair will take to reach certain lengths and hairstyles. - A guide on how to shop for the correct barber or hairdresser. - A plan of action that has you seeing the optimizing of your hair as a journey that follows an optimal and efficient order and that is made up of a set of steps and actions to be implemented. - A big

Access Free Big Hair Dont Care

list of busted myths that will not only be extremely helpful for your hair-optimizing efforts but will also be great for bar talk! - The last chapter contains 36 miscellaneous questions that Rogelio has answered in depth so as to bulletproof your journey. - An appendix section with 29 visual references used throughout the book. - Every chapter is neatly summarized at the end with a "Conclusion" section to ensure that you have picked all the important knowledge taught in the chapter. - Each chapter is ended with a real-life case study that has occurred in a professional barbershop and that is related to the lesson learnt in the given chapter. The Men's Hair Book is of great use and benefit for: - Men who want to finally master their hair and stop wasting time with Mickey-Mouse stuff. - Men who want to stop wasting money on their hair and want their hair to become economically viable. - Men desiring to spice up their image and improve their self-esteem. - Men with sons who need help managing and embracing their hair. The same applies for any other male family members who need a solution for their hair.

When Amelia Caldwell tries to begin a new life, she discovers that her birthmark means more than it seems. She has been marked by a vampire's soul; not only does she hold his soul, she is also his soulmate. Mitchell Lange has been searching almost a century for his soulmate and is determined not to let Amelia go. Since Amelia has no intention of belonging to anyone, they both become trapped on an emotional rollercoaster. As Amelia searches for answers, she becomes caught in the middle of a deadly game of revenge and is forced to realize that you can't run from destiny.

Why It's So Hard for White People to Talk About Racism

How to Meditate (As an Ordinary Person!) to Relieve Stress, Keep Calm and Be Successful

With thousands of hair care products on supermarket, drugstore, and salon shelves, each with its own grandiose claims, consumers are understandably confused. In this new edition - with over 75 percent new material - the "Ralph Nader of rouge" applies her high standards to shampoos and conditioners, styling gels, mousses, hairsprays, dyes, and permanents, and also devotes a chapter to the concerns women of color may have, from relaxing techniques to braiding and weaving.

If asked, almost all seniors will say they don't want their last home to be a nursing home. But for those who do live in a care facility, the responsibility to energize them falls primarily to the staff. Rabbi James R. Michaels and Rabbi Cary Kozberg, the editors of *Flourishing In The Later Years: Jewish Pastoral Insights On Senior Residential Care*, provide insights on senior residential care from Jewish and non-Jewish clinical care professionals. They share their wisdom on a variety of topics from a Jewish perspective to assist and guide team members responsible for the care of the residents living in their facility. While the focus of the book is pastoral counseling in senior residential care, its psycho-social insights into the very core of what it means to be old in our culture -

Access Free Big Hair Dont Care

whether in or out of a care facility; whether Jew or non-Jew - are invaluable. This book will be of considerable assistance to those of any spiritual background who interact with elders and to all of us as we continue along the "incredible adventure" of our own aging, making our own "voyage of discovery" into that unknown country.

What happens when Cooper, a newly adopted puppy, takes up residence in Henry's home? The little pooch sure is adorable, but who knew he had so much to learn! *Love Me Gently* is a kid's guide to man's best friend. It captures the everyday challenges of raising a pup through a child's eye. But who is teaching who? Henry may be coaching Cooper, but he is also discovering valuable lessons about responsibility, unconditional love, patience, and kindness along the way!

Tired of the lack of diversity in children's coloring books? Meet Cody & Jay, two adventurous boys who just love to have fun! Follow them throughout over 40 fun-filled coloring and activity pages that inspire creativity, promote self-confidence, and celebrate diversity. Activity pages include fill-in-the-blank exercises (for example, "You can do amazing things if you try"), thought-provoking questions ("If you could fly anywhere in the world, where would you go?"), and fun pictures to complete ("Add a design to Jay's race car!"). A wonderful gift for kids of all races, this book is engaging and is loads of fun! Like this? Check out the version for girls: "*The Colorful Adventures of Zoe & Star!*"

Stepping Out of the Purgatory of Living and Stepping Into a New Beginning!

Don't Touch My Hair!

A Coloring and Activity Book

This workbook contains a variety of exercises and activities designed to help young learners advance the fine motor skills that are essential to the handwriting process, beginning by tracing lines and curves, and then gently introducing some letter-writing practice. Several mazes are also included in the book as a fun way to promote visual motor skills, eye-hand coordination, and problem-solving skills. Young students are introduced to the letters of the alphabet in exercises that have them trace Lowercase Alphabet and then practice writing them on their own. Numbers are also presented in an engaging way, with a lesson in phonetics as well as exercises for tracing and writing numerals. A section of connect-the-dot games provides more motor skills development along with helping children learn the order of alphabet, while fill-in-the-blank games reinforce alphabet learning in a different way and provide more practice in writing the missing letters. My BIG Book of Writing! is a versatile tool that can help children who are struggling with writing skills to work at a comfortable level, as well as assisting those for whom writing comes more easily to experience the multitrack learning their

Access Free Big Hair Dont Care

developing minds are hungry to absorb. Whatever level a child is at, the activities and exercises in this workbook will stimulate the learning process and prepare him or her for reading and other learning challenges ahead.

African American Girl Big Lips and Kinky Hair dont care Wide Rule notebook / Journal, 100 pages, great to use to use it as a your journal, to write your thoughts, notes, poetry, etc. Carry your notebook with pride showing your melanin queen black women side. This notebook is printed on both sides.

Lola has curly hair which is much bigger than that of other kids at her school, but she tells anyone who listens how much she loves her hair. Designed to boost self-esteem and build confidence, this book is aimed at boys and girls who may need a reminder that it's okay to look different from the other kids at their school.

Meditation is not only about crystals, hypnotic folk music and incense sticks! Forget about sitting in unnatural and uncomfortable positions while going "ommmmm...." It is not a club full of yoga masters, Shaolin monks, hippies and new-agers. It is super practical and universal practice, that can improve your overall brain performance and happiness! -Looking to be truly happy... not just fake smiles anymore? -Sick of being held up and helpless, a victim of terrible circumstance? -Do you really want to be a slave to your emotions anymore? -Are you so depressed and negative that no one really enjoys spending time with you? Well, I was not necessarily talking to you, but if it speaks to

you, you have picked up the right book! Most People Walk Through Their Life In a Walking Daze And I was too. I was constantly fighting everything going on in my life; with my mind. Day to day stressors like traffic, the mean lady at the gas station with the bad breath that I had to see every morning, and the long hours put in at work, were enough to drain me. My boss, with his long nose hair, breathing down my neck about my productivity level was enough to deplete a person every day. "What do I do? What will happen next? What if, what if, what if...?" I could not even enjoy a second of my day, because I was lost in worry and stress over what was going to happen next and what I could do to maybe control it. In this book you will find techniques to step out of your thinking and allow your mind to finally rest. When meditating, you take a step back from actively thinking your thoughts, and instead, see them for what they are. The reason why meditation is helpful in reducing stress and attaining peace is that it gives your over-active conscious a break. Just like your body needs it, your mind does too! I give you the gift of peace that I was able to attain through present moment awareness. In This Book I'll Show You: -My favorite meditation and mindfulness techniques perfect for ordinary busy people like you and me -My personal experience -How exactly do I practice and how it helped me in so many ways -How to maintain stillness, peace and focus in everyday life -How to stick to your meditation practice and maintain high level of motivation -The right mindset you should have to keep your brain and thoughts healthy -A few simple

Access Free Big Hair Dont Care

things you can do to instantly feel better and happier! -And many, many more! Table of Contents: Introduction: Why Meditation For Life Success? Chapter 1: Meditation? What it's all about? masks that I recommend in my book are fantastic alternatives to commercial cosmetic products and have the very important advantage of being at the same time completely natural and with excellent results.

Designed to boost self-esteem, celebrate diversity, and build confidence in children ages 2-5, this beautifully illustrated rhyming picture book encourages kids to feel good about their hair, no matter how different it may be from other kids. In this hair-positivity book, children will meet Lola. Lola has really big curly hair, much bigger than the other kids at her school. While her big hair leads to lots of stares, ruins her games of hide and seek, and makes her easy to spot in a crowd, Lola embraces her differences and keeps kids entertained with the book's catchy refrain "I've got big hair and I don't care!"

He has one mission Since they were children, career cop Judd Hamilton has built his life around taking care of his best friend, Autumn Buchanan. While he might once have dreamed of a different future for them, everything changed the day her father tried to kill them both. Determined to keep her safe, Judd put his feelings aside and turned his focus to protecting her, always. She leads a double life Nobody in their small town would ever dream that Autumn, Wishful's friendly librarian, is really successful erotic romantic suspense author, Rumor Fairchild. No one knows that the swoon-worthy hero of her series is based on her best friend, Judd. He's been fulfilling her rescue fantasies for years, and now she's ready to catapult them out of the friend zone to make her real life romance come true. Their

nightmare returns But when the past comes full circle and Autumn's father returns to Wishful, even the power of Judd's badge isn't enough to keep her safe from the madman. If he wants the chance at a future with the one girl he's always loved, Judd may have to toss everything he's worked for aside to do the one job that matters.

Everything went wrong. And then she went gray. At 47, newly divorced makeup artist Lela Bennett is dreading her next steps. Dating. Meeting people. Not letting herself go. But then she runs into Donovan James and tries something different-sleeping with her sexy crush from college. Unfortunately, in a post-orgasm stupor, Lela confesses she was in love with Donovan all those years ago. He responds by leaving while she sleeps. The next morning, her gray hairs are practically taunting her. She knows she has to get it together. Forget men. Embrace her age. Own her gray. Donovan James is a marketing genius, but his ex-wives will tell you-nothing freaks him out like feelings. Three years after his one-night stand with Lela, he's focused on his daughter's lifestyle company, but unprepared to meet the face of their new beauty brand. It's Lela. With stunning silver locks and new confidence, she's no longer swayed by his charms. When business starts booming, the universe seems intent on throwing them together time and again. And suddenly, two people convinced that romance was behind them are wondering if love could be what's next.

How to Stop and Reduce Hair Loss

The Tyler family had the perfect life - until sixteen-year-old Leah decided she didn't want to be perfect anymore. While Leah's parents fight to save their daughter from destroying her brilliant future, Leah's younger sister, Justine, must cope with the damage her out-of-control sibling leaves in her wake. Will this family survive? What happens when love just isn't enough? Jodi Picoult fans will love *In Leah's Wake* - a heartbreaking, ultimately redemptive story about family, connection and our responsibility to those we love.

Collection of short stories and poems from the hopes , dreams and world view of a 8 yr old girl.

The author, a U.S. elder law attorney, uses real-life examples to illustrate how to evaluate current nursing home practices and policies, along with alternative care and associated living choices available for older adults;

includes appendices with a nursing home visit evaluation checklist for prospective residents and their family and home care licensing guidelines by state.

One day I woke up and realized that I had been lost for quite some time. I had got comfortable with how life was treating me. I no longer cared about how I presented myself, stuck between life and death, you know Purgatory. The real me had left long ago and the figure that I saw before me was just a shell that protects me until I could be found again. I had everything a woman could ask for and more yet somehow and someway I forgot about myself and ended up in the purgatory of living. When I had my epiphany, I discovered some things that I should have seen all along but was too busy allowing life to consume me that I didn't care to pay attention. You know, taking care of kids, husband, family, work, friends and oh yeah, then me if I'm not too tired.... Me! One day I found myself on the outside of the milk carton... Lost, hanging in the purgatory of living. It was the shock of my life yet not a shock for everyone else. Most

Access Free Big Hair Dont Care

often others can see what's going on in your life even when you cannot (or you think you do). Don't let that to happen to you or to allow it to continue. You can step out of the purgatory of living and into a new beginning. It could be easier than you think it is. For me... I have some changing to do and the changing can only be done by me for me. I cannot change you or the rest of the world but we can help each other with the process of changing for the better.... TOGETHER! And look who we shall find! (You and me too) Let's begin... how did I lose myself?

This Rapunzel is ready to let her hair down. Luckily, the local bad boy is all too willing to help. Most people save their midlife crisis for middle age. Not me. I can't even hold out for a solid quarter life crisis. What can I say? I'm an overachiever like that. I'm also pissed. At what? I don't even know anymore. My parents, my body, my doctor...myself? Take your pick. I don't do angry often but watching Roman-the-wannabe-rock-star ignore my best friend is the last straw. The guy has no idea how good he has it. He's hot, he's beloved, and oh yeah...he doesn't spend every waking second worried that he'll get sick again. The injustice of it all hits me at once and the result isn't pretty. Do I yell at Roman in front of his friends in the midst of a party? Yes. Yes, I do. I'm not proud of the temper tantrum, yet I

Access Free Big Hair Dont Care

don't regret it either. But when he tells me I'm right and asks for my help, I can't say no. Even if I didn't feel bad about the public setdown, it's becoming clear that I might need his help in return. Because as much as I hate how easy his life is, he definitely has one skill I don't. He knows how to have fun. And right now? That's all I want. My life needs a major makeover, and like it or not, Roman might just be the perfect guy to teach me how to let my hair down.

The One-Year Ultimate Natural Hair Journal is meant to help you take control of your hair routine and succeed in your hair journey. The journal is set up with blank months so you can start using it any month of any year. It comes with important basic information about naturally curly hair to help you get started on your hair journey, but it also has sections to help you set hair goals, record your favourite recipes, set up a hair regimen and more. The year calendar opens with a month preview where you set your big To-Do's or Goals for the month. The month calendar is then divided into weeks where you can be more detailed about weekly hair care practices and products used, how you used them, what were your results, favourite product combinations and more. Being able to be this consistent and detailed about your hair journey is what will determine your success. By doing this you will learn what is working, what can be changed or improved and you will be able to build your ultimate hair regimen - one that will actually work

A Good Girl's Guide to Murder

"Me and E: A Baseball Odyssey is a reflection on parenting a highly skilled, nationally-ranked and difficult baseball prodigy, told through the author's eyes as he witnessed and participated in the successes and failures of his son playing baseball and growing up in Central Florida. It deals with the changing world of competitive youth sports, over-involved parents, fanatical coaches, the hypocrisies inherent in high school athletics, the college recruiting process and how we teach

our kids to grow up and become decent human beings - despite ourselves. It involves well-known sports figures as well as local sports icons with traits and characteristics that everyone will recognize. It's a book about flawed parenting, about living vicariously through a gifted child and learning, finally, that being a good father is as much about letting go as it is about being there. Call it Moneyball meets Everything I Know I Learned in Kindergarten.

Bertie Byrd Fortney never thought she'd be spending her wedding night in a maternity ward. But her best friend went into labor right in the middle of the conga line at Bertie and Arch's wedding reception, and it wasn't until her friend's son made his entrance into the world that Bertie, her husband, and her stepdaughter could leave on their motor home honeymoon. The trip's trials, however, leave Bertie wondering if a honeymoon is some kind of test a woman must pass before becoming a wife. To add to her tribulations, Bertie returns to Bertie's Garage and Towing to find Linc, her tow truck driver, is being threatened by the Redneck Mafia. The mob boss has told Linc to return to Atlanta to marry his daughter, or he will move him there himself, one body part at a time. And then Bertie is taken hostage by a man who has taught his goats to bark and his twins to talk. A mistake on both counts, in Bertie's not-so-humble opinion. Finally, a bizarre accident involving an elderly drunken citizen Linc mistakes as a hit man, a golf cart, a trip to the hospital, and a positive pregnancy test has tongues wagging in Sweet Meadow, Georgia. Did Bertie really get knocked up on a golf cart by her tow truck driver? Will Bertie be able to douse the rumors? Will she be able to save

her faithful employee from the mob? More importantly, will she pass the wife test? *INSTANT NEW YORK TIMES BESTSELLER* *INSTANT USA TODAY BESTSELLER* *INSTANT #1 INDIE BESTSELLER* From the New York Times bestselling author of Red, White & Royal Blue comes a new romantic comedy that will stop readers in their tracks... For cynical twenty-three-year-old August, moving to New York City is supposed to prove her right: that things like magic and cinematic love stories don't exist, and the only smart way to go through life is alone. She can't imagine how waiting tables at a 24-hour pancake diner and moving in with too many weird roommates could possibly change that. And there's certainly no chance of her subway commute being anything more than a daily trudge through boredom and electrical failures. But then, there's this gorgeous girl on the train. Jane. Dazzling, charming, mysterious, impossible Jane. Jane with her rough edges and swoopy hair and soft smile, showing up in a leather jacket to save August's day when she needed it most. August's subway crush becomes the best part of her day, but pretty soon, she discovers there's one big problem: Jane doesn't just look like an old school punk rocker. She's literally displaced in time from the 1970s, and August is going to have to use everything she tried to leave in her own past to help her. Maybe it's time to start believing in some things, after all. Casey McQuiston's One Last Stop is a magical, sexy, big-hearted romance where the impossible becomes possible as August does everything in her power to save the girl lost in time. "A dazzling romance, filled with plenty of humor and heart." - Time Magazine, "The 21 Most Anticipated Books of 2021" "Dreamy, other
