

Binding And Loosing Prayer Manual Win Worley

Have you ever been oppressed by a spiritual or physical infirmity and couldn't seem to break free? Have you ever wondered how Satan works or what Jesus' call to "free the captives" means for believers today? In this book, Mary Garrison imparts the wisdom she's gathered in her years of ministry on how to conduct spiritual warfare. Along with sharing personal experiences and testimonies of people who have broken free from spiritual strongholds, she equips readers to distinguish between the kingdom of God and the kingdom of darkness. Join her in discovering how to effectively engage in spiritual warfare, exploring questions such as... Who is the enemy? How do I recognize Satan's strategies? How do I discern and try the spirits? By whose authority do believers work? How important is faith in spiritual warfare? This book will prepare you to take action. Every power must yield to the risen Christ. Equipped with His authority, you can cast out demons and set the oppressed free—you can walk in victory!

It is time to understand spiritual warfare...from God's vantage point. Many believers have become insensitive, numb, and virtually powerless to deal with the occult in the world today. But this is not going to stop demon-busting pastor Kim Daniels. In her loving yet confrontational style, she exposes the enemy's infiltration and strategies to keep us spiritually "dumbeddown." This primer on spiritual warfare is written with a military flare. Using her military training, she delivers a message that teaches believers to confront the devil and his demons in a great spiritual battle and come out victorious in God.

How to Wage Spiritual Warfare in the Last Days An important spiritual law was revealed by Jesus in Luke 11:21-22 and Matthew 12:29, "How can one enter into a strongman's house, and spoil his goods, except he first bind the strongman? And then he will spoil his house." Now, instead of "binding" symptoms, we can attack the sixteen strongmen or demonic spirits mentioned by name in the Bible! If God names them, they are real, and He has given us dominion over them through the Name of Jesus! In easy to understand language this book... Teaches how to zero in on and quickly identify the strongman in every situation Illustrates each strongman by a tree showing the fruits or symptoms for quick identification Instructs how to bind the enemy and loose the power of God according to Matthew 18:18 Provides instant recognition when and where Satan is attacking our lives and the lives of those around us Shows that God wants us to be free from Satan's hassles so that we can reach this world for Christ. Strongman's His Name...What's His Game offers a scriptural, balanced, and uplifting approach to present-day spiritual warfare.

Warfare Prayer provides a toolbox and an operator's manual for those who take seriously the Apostle Paul's statement that we wrestle not against flesh and blood but against principalities and powers. The demonic world around us is a reality, but all too few believers understand that realm of darkness to say nothing of having the skills to use effectively the weapons of warfare that God has given us. Based on a combination of sound biblical theology and real life experiences, this book is a user-friendly guide for those committed enough to join the army of God.

Study Manual content illuminates some aspect of the Jesus in the Gospels each week and connects Scripture to daily life and Jesus' call to discipleship. The overarching aim is to deepen discipleship through better understanding of the biblical texts and their message. The study helps group members understand that Jesus is rooted in Judaism and the Scriptures of Judaism and that Christianity and the New Testament are rooted in the Scriptures of Judaism—our Old Testament. The Study Manual guides daily study and preparation for the weekly group meeting. The main elements in the format are designated by scriptural phrases: "They have no wine" (John 2:3) is a brief statement about the human condition and alerts the reader to some aspect of daily life that Scripture can shed light on. "Beginning with Moses and all the prophets" (Luke 24:27) is a way of referring to Scripture as a whole and signals the fact that we can understand Jesus in the Gospels better by understanding the Old Testament better. "Do you want to become his disciples, too?" (John 9:27, New International Version) is designed to stimulate thoughtful reflection so readers can come to their own conclusions about what their own discipleship calls for. Accompanying each day's Scripture reading assignments are suggestions of things to look for that take the reader deeper into Scripture. As readers become aware of detail in Scripture, they might ask themselves repeatedly, What am I to make of this? The study manual provides space for writing notes on insights, observations, and questions related to the Scripture, and for putting into words personal perceptions of Jesus from the week's Scripture.

If you want to know the temperature of your spiritual life, look at the thermostat setting on your prayer life.

Prayer is the most misunderstood and neglected aspect of the Christian life. It has been estimated that most Christians pray three to five minutes a day. Compare that to the time many spend complaining, and you'll gain insight into the spiritual and emotional condition of our day. Yet God has constructed the world in such a way that there is much He won't do in a Christian's life apart from prayer. Prayer, when combined with faith, can accomplish great things. In this practical and comprehensive overview of prayer, Tony Evans covers a variety of topics, including: Principles of productive prayer The power of prayer and praise Fasting and prayer Prayer and God's purposes Tony's expositions of various passages on prayer will help you realize its critical importance and encourage you to make it a dominant mark of your life.
