LEGACY weaves a tale of hope, love, following dreams, fulfilling a destiny and making your own choices.

According to an obscure tribal prophecy, descendants of five original ancient clans, geographically

Acces PDF Bloodstone

separated for centuries because of betrayal, will unite and discover their utopia through a "special one" only if the right path is followed. A newly, formed school in Berry, Florida provides this setting. Leah, a direct

American ancient tribal descendant, is given an heirloom ruby on her fifteenth birthday awakening her unique abilities of heightened senses and the power to locate a magical fountain hidden for centuries. Florida's Fountain of Youth?

Acces PDF Bloodstone

She is guided by a voice only she can hear. Conflicts arise when arranged marriages and birth order rules are presented to twenty-first century teenagers. Leah meets Z and falls for him. They're forbidden to see

each other. Z is banished to Alaska and his original tribe because he's promised to another. Z is forced to obey his tribe to preserve the sanctity of the prophecy. Enter Heath, a rich descendant of another clan family.

Leah is torn by feelings for both and uncertainty about her destiny. Should she wait for Z, choose Heath, or pursue her plans to become a doctor? Will she give up on her dreams? What is her destiny? Her questions are halted as attempts

are made on her life and the life of her brothers. Who is trying to kill her and why? Inner clans believe Leah's brothers are threats igniting a power struggle within tribal hierarchy. Are they the culprits? A perilous journey

commences as Leah learns about her powers, the prophecy, and her place in it from an elder clan descendant. The prophecy's vague interpretation causes upheaval, mayhem, life/death choices. Who's the "special

A strange and ominous artifact could hold the key to everything...

December, 1380.

When the corpse of Sir Robert Kilverby is discovered in a locked room, Brother Athelstan accompanies the King's coroner to

investigate. Sir Robert had in his possession a priceless relic, a sacred bloodstone, which has now disappeared. Did Sir Robert die of natural causes or was he murdered? Athelstan is sceptical of rumours of a curse hanging over Sir Robert, but when it is discovered

that a second old soldier has been gruesomely slain on the same night, the rumours no longer seem so far-fetched... A scintillating murder mystery with twists and turns throughout, perfect for fans of C. J. Sansom, S. J. Parris and Michael Jecks.
