Brendan Delaney, a television news reporter, embarks on a quest to find the women who left messages in a blue cobalt bottle detailing their hopes and dreams during the Depression.

Set in Rocky Harbor, a fictional fishing village on Massachusetts' Cape Ann, The Blue Bottle tells the story of 13-year-old Charlotte Hale, the granddaughter of an aging lobsterman, who has been sent to stay for the summer with her grandparents after a less-than-successful school year. On the bus ride there, Charlotte meets an eccentric retired teacher who tells her the story of the blue bottle, a local legend that leads her on a high-stakes quest for an ancient glass bottle, reputed to hold within it all the power of the oceans.

Twenty-five years after breaking up, a bitter, widowed Delta Ballou is reunited with her old friends and fellow members of the popular 1960s musical group, the Delta Belles, when they are asked to get together to perform at their college reunion, giving all four women the chance to relive the past and reconnect with old friends. NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute.
