

## Blue Sky Blue Devils Book 1

*A gothic thriller romance, set against a creepy summer backdrop. Nothing much exciting rolls through Violet White's sleepy, seaside town . . . until River comes along. River rents the guesthouse behind Violet's crumbling estate, and as eerie, grim things start to happen, Violet begins to wonder about the boy living in her backyard. Is River just a crooked-smiling liar with pretty eyes and a mysterious past? Or could he be something more? Violet's grandmother always warned her about the Devil, but she never said he could be a dark-haired boy who takes naps in the sun, who likes coffee, who kisses you in a cemetery . . . who makes you want to kiss back. Violet's already so knee-deep in love, she can't see straight. And that's just how River likes it. With shades of Stephen King and F. Scott Fitzgerald, this is a must-read for fans of Beautiful Creatures, The Unbecoming of Mara Dyer, and Anna Dressed in Blood. "Looking for dark and eerie read...? Look no further than April Genevieve Tucholke's YA debut, Between the Devil and the Deep Blue Sea." —EntertainmentWeekly.com "Deliciously creepy." —TheAtlanticWire.com \*"A stunning debut with complex characters, an atmospheric setting, and a distinct voice... Tucholke has real talent." —VOYA, starred review*

*Alana Albertson brings you an emotional love story between a widowed Blue Angel pilot and the one woman who is forbidden to him—his baby's nanny. Don't sleep with the nanny. The one rule I swore to myself that I would obey. And as a United States Naval Officer and a pilot for the world famous Blue Angels, I always play by the rules. Hell, I make the rules. And I never break them. Until I meet Paloma. I can't ignore how she makes me feel alive again after I was certain that my heart was closed to love. We have nothing in common besides our love for my daughter. I'm rich; she's poor. I'm her boss; she's my employee. I'm dead inside; she's full of life. Despite our differences, I let lust control my actions and kiss her like it's the last night of the world. Which it is, because our passionate kiss has changed my life forever. I may be a Blue Angel, but she has woken the devil inside. And I'll do anything to make her mine. Blue Sky is an epic standalone, slow burn, ugly cry romance*

*The Blue Devil is a dashing, brooding spy set to catch a traitor who uses a finishing school for young ladies as a base of operations. But he's having trouble keeping his mind on his mission, for one of the students reminds him too much of the mysterious Titania, a fairy queen who fled after they kissed at a glittering masquerade ball. Kathryn St. David is pretending to be a student at the school in order to recover her dear auntie's lost diary, which contains a scandalous secret that could ruin them both. But she's horrified to discover that her roommate is the ward of the notorious, darkly attractive Marquis of Blackshire--who seems to be keeping secrets of his own. Will he recognize her as the fairy queen and expose her as the lady who kissed him like a strumpet in the moonlight? A mix of humor, angst, and derring-do all rolled up in a traditional Regency comedy-of-manners: masquerades, mistaken identities, chase scenes, spies, and dotty (or are they?) old ladies. Regency romance at its best!*

The 88th Division played a major role in the battle of Italy, where it was rated by the Germans after the summer

of 1944 as the best American division in Italy. Because of the outstanding job it did in Italy, the 88th contributed its share to the winning of the war. It was the first of the draft infantry divisions to enter combat on any front in World War II and it was among the top divisions in the American Army. It won its share of territory and honors during its 344 days of combat. It paid dearly for all that it won—it lost 15,173 officers and men killed, wounded and missing in action. Only thirteen other divisions in the U.S. Army suffered heavier losses. The 88th fought its battles on what was called “a forgotten front.” Some day history will appraise the true worth of the Italian campaign in the overall war picture. Military historians will analyze and sift and publish detailed volumes on the operational contribution of the 88th in the battle for Italy. This book is not a history, in the true sense of the word. It is not intended to be such. It is rather the story of a combat division from its beginning to its end. It is a story compiled both from official journals and from the personal experiences of the citizen-soldiers who made up its squads and platoons. It is a story which never can be told in every complete detail. For every one of the incidents related here, a reader can remember scores that are not found in these pages. There are not enough words, or paper, to list them all. The incidents related are considered to be representative of the experiences of the majority of 88th men.

A plantation house with dark secrets that infect every corner of a small South Carolina town. Will Jacob McGinnas' dream house become a nightmare for him and everyone he cares about? In 1837, Briarwood Plantation was abandoned when Ezra Woodbine slaughtered his fiancée's entire family. Now, after nearly two centuries, life returns to Briarwood. But for how long? Serena Decatur is a thirty-year-old Black woman trapped in a life she never asked for. Widowed, underemployed, drowning in debt, she is living with her in-laws in the small town where she grew up. An inventive, page-turning crime thriller with "palpable emotional depth" (New York Times Book Review) in which the Red Scare never ended. USA, 1958. President Joseph McCarthy sits in the White House, elected on a wave of populist xenophobia and barely-concealed anti-Semitism. The country is in the firm grip of McCarthy's Hueys, a secret police force evolved from the House Un-American Activities Committee. Hollywood's sparkling vision of the American dream has been suppressed; its remaining talents forced to turn out endless anti-communist propaganda. LAPD detective Morris Baker—a Holocaust survivor who drowns his fractured memories of the unspeakable schnapps and work—is called to the scene of a horrific double-homicide. The victims are John Huston, a once-promising but now forgotten film director, and an up-and-coming young journalist named Walter Cronkite. Clutched in the hand of one of the dead men is a cryptic note containing the phrase "beat the devils" followed by a single name: Baker. Did the two men die in an attack fueled by better-dead-than-red sentiment, as the Hueys are quick to conclude, or were they murdered in a cover-up designed to protect—or even set in motion—a secret connected to Baker's past? In a country where terror grows stronger by the day, and paranoia rises unchecked, Baker is determined to bring justice for two men who raised their voices in a time when free speech comes at the ultimate cost. In the course of his investigation, he stumbles into a conspiracy that reaches deep into the halls of power and uncovers a secret that could destroy the City of Angels—and the American ideal itself.

From L.A. to Miami, Satan, accompanied by Eustice Seeney, the only man who managed to escape Hell twice (and live to never shut up about it), some bent doctor, an average medium femme fatale with a Tarot tattoo, and an angelic escort service hit the road. Satan manages to finagle his way into one of life's affairs after another culminating in an explosive finale revealing who or what puts the lighting in our dreams, and begs the question: who would rid the world of the Devil they know?

Sky's small town turns absolutely claustrophobic when his secret promposal plans get leaked to the entire school in this witty, heartfelt, and ultimately hopeful debut novel for fans of *What if it's Us?* and *I Wish You All the Best*. Sky Baker may be openly gay, but in his small, insular town, making sure he was invisible has always been easier than being himself. Determined not to let anything ruin his senior year, Sky decides to make a splash at his high school's annual beach bum party by asking his crush, Ali, to prom—and he has thirty days to do it. What better way to start living loud and proud than by pulling off the gayest promposal Rock Ledge, Michigan, has ever seen? Then, Sky's plans are leaked by an anonymous hacker in a deeply homophobic e-blast that quickly goes viral. He's fully prepared to drop out and skip town altogether—until his classmates give him a reason to fight

back by turning his thirty-day promposal countdown into a school-wide hunt to expose the e-blast perpetrator. But what happens at the end of the thirty days? Will Sky get to keep his hard-won visibility? Or will his small-town blues stop him from being his true self?

Between the Devil and the Deep Blue Sky is a first-person, narrative non-fiction account of the period the author spent living as a 'dependant spouse' in Baghdad during the final year of the Saddam Hussein regime, and later as the Australian Broadcasting Corporation's correspondent in post-war Iraq. It's an account of terror, ambition, and betrayal in Iraq, and how she became the main character in a story she never wanted, or expected, to find. The book looks at the challenges and adjustments she had to make when she decided to abandoned her career, albeit temporarily, in order to support her husband in his new job with the United Nations Children's Fund, UNICEF. It also focuses on the friendships forged with ordinary Iraqis, despite the enormous hurdles of almost constant government surveillance and the overwhelming atmosphere of fear and suspicion under Saddam Hussein.

#1 NEW YORK TIMES BEST SELLER • John Grisham takes you to a different kind of court in his first basketball novel. Samuel “Sooley” Sooleymon is a raw, young talent with big hoop dreams—and even bigger challenges off the court. “Hard to put down ... the pages turn quickly ... building to a climax that won’t leave readers doubting whether this is a John Grisham novel.” —Associated Press  
In the summer of his seventeenth year, Samuel Sooleymon gets the chance of a lifetime: a trip to the United States with his South Sudanese teammates to play in a showcase basketball tournament. He has never been away from home, nor has he ever been on an airplane. The opportunity to be scouted by dozens of college coaches is a dream come true. Samuel is an amazing athlete, with speed, quickness, and an astonishing vertical leap. The rest of his game, though, needs work, and the American coaches are less than impressed. During the tournament, Samuel receives devastating news from home: A civil war is raging across South Sudan, and rebel troops have ransacked his village. His father is dead, his sister is missing, and his mother and two younger brothers are in a refugee camp. Samuel desperately wants to go home, but it’s just not possible. Partly out of sympathy, the coach of North Carolina Central offers him a scholarship. Samuel moves to Durham, enrolls in classes, joins the team, and prepares to sit out his freshman season. There is plenty of more mature talent and he isn’t immediately needed. But Samuel has something no other player has: a fierce determination to succeed so he can bring his family to America. He works tirelessly on his game, shooting baskets every morning at dawn by himself in the gym, and soon he’s dominating everyone in practice. With the Central team losing and suffering injury after injury, Sooley, as he is nicknamed, is called off the bench. And the legend begins. But how far can Sooley take his team? And will success allow him to save his family? Gripping and moving, Sooley showcases John Grisham’s unparalleled storytelling powers in a whole new light. This is Grisham at the top of his game.

They have ordered her to befriend Ally Wilson, the deputy ambassador's wife. Huda has no wish to be an informant, but fears for her teenaged son, who may be forced to join a deadly militia. Nor does she know that Ally has dangerous secrets of her own. Huda's former friend, Rania, enjoyed a privileged upbringing as the daughter of a sheikh. Now her family's wealth is gone, and Rania too is battling to keep her child safe and a roof over their heads. As the women's lives intersect, their hidden pasts spill into the present. October 1943: The tide of war in the Pacific has begun to turn in favor of the United States and her allies. With the opening of a new offensive campaign, the U.S. military deploys a number of new air groups in the Solomon Islands, including a naval fighting squadron known as the Blue Devils, commanded by Lieutenant Commander Drew McLachlan. From their base at a remote island known only as Conquest, McLachlan and his brave pilots mount a number of successful raids against the enemy, eventually making a name for themselves that comes even to the attention of the Japanese. Soon, however, a new and sinister force begins to stir on the island, seemingly disturbed by the very presence of the American fighting forces. Several men disappear under mysterious circumstances, but their bodies turn up horribly mutilated. The sound of drums begins pounding out of the jungle. And Lieutenant Commander McLachlan witnesses a gigantic, half-invisible shape moving atop the mountain at the center of the island. Soon, the Blue Devils are forced to fight on two fronts: against the known enemy, the Japanese, and an unknown, predatory force on the island that threatens to destroy McLachlan and his men.
