Handbook of GST Procedure, Commentary and Rates

About the Book With the rapid change in statutory environment, Corporate Law has also been evolving at faster pace from past several decades. The complexities in the laws have also been rising, which poses constant challenge to practising professionals. There also exist a lot of issues which perhaps may not be addressed by legislation and delegated legislation, some of which are addressed by the judiciary. The present book is a Compendium of Key Issues under Corporate Laws covering a wide spectrum of subjects in Corporate Laws, in five Volumes. This book brings out issues in Corporate Law covering aspects that professionals face in practice. It also brings out a lot of aspects that readers should be aware of. Legislation and case laws from other jurisdictions have been analysed to provide insight into the issues. Key Features ? Topic-wise detailed analysis of various Corporate Law issues. ? Various issues organised under topic heads addressing the key issues concerning the topic. ? Detailed analysis of statutory provisions along with relevant judicial pronouncements and provisions of allied laws (wherever applicable) for each topic has been provided; e.g. SEBI Act and various Regulations issued by the SEBI. ? Analysis of certain landmark judicial pronouncements. ? Comparative position of various topics between Companies Act, 2013 and Companies Act, 1956. ? Certain new concepts of Companies Act, 2013 explained in detail. ? Rules of interpretation of statutes have been discussed wherever necessary.

Familiarity with guarantees and how they function under various national jurisdictions are essential for principals, guarantors, and beneficiaries of international contracts. This enormously useful handbook provides a practical overview of the guarantee regimes in twenty-eight European countries, with country-by-country contributions from regional expert practitioners and academics. For easy comparison, each country report follows the same structure, from preliminary discussion on the provisions of a guarantee to its negotiation, drafting, and enforcement. Focusing on specific issues to consider at every stage, each chapter provides detailed information and guidance on such aspects as the following: . who can issue guarantees; . limitations as to the type of obligations which may be subject to a guarantee; . issues relating to the protection of the contracting parties; . formal requirements which need to be complied with; . stamp duties or other tax payable; . presence of implied terms; . legal framework applicable to joint and several obligations; . modification of the situation; . conditions for release and actions to be taken to ensure a valid release; . opening of bankruptcy proceedings against the principal; . court enforcement; and . incorporation of uniform rules. Each chapter includes references and model guarantee forms that readers can use to draft their own documents. Invaluable to corporate counsel and law firms with an international practice, this peerless handbook will prove the first order of business in trade negotiations across Europe, among European nations themselves as well as with their global partners.
