*I wanted to say, "I would love to know your obsessions, Is it landed house, gadgets, power, domestic life, succulent plants, achievements, money, work, more likes and followers, health, validations, sex, organic food, pets, perfect selfies, children, sports, Religion & Spirituality, relationship, minimalism, perfection, muscles, urban toys, shoes, traveling, or fame?" but nobody is prepared for that kind of question on a first date. So I said, "You look great."*

*Thrilling...an engrossing, emotionally rankling speed-read...original and sure-footed.' Big Issue [UK] Told in short, cinematic bursts, Vengeance Is Mine, All Others Pay Cash is gloriously pulpy. Ajo Kawir, a lower-class Javanese teenage boy excited about sex, likes to spy on fellow villagers in flagrante, but one night he ends up witnessing the savage rape of a beautiful crazy woman. Deeply traumatised, he becomes impotent, turns to fighting as a way to vent his frustrations. Vengeance Is Mine, All Others Pay Cash shows Eka Kurniawan in a gritty, comic, pungent mode that fans of Quentin Tarantino will appreciate. But even with its liberal peppering of fights, high-speed car chases, and ladies heaving with desire, the novel continues to explore Kurniawan's familiar themes of female agency in a violent and corrupt male world. Eka Kurniawan was born in 1975 and is the author of novels, short stories, essays, movie scripts, and graphic novels. He has been described by the Jakarta Post as 'one of the few influential writers in Indonesia.' His first novel to be translated into English, Beauty Is a Wound, was released in 2015. 'An unusual and provocative novel...A page turner, and well worth your attention.' AU Review '[Kurniawan] habitually drives his narratives between the extreme poles of the crass and the sublime, the tragic and the comedic, the surreal and the real.' South China Morning Post 'It's funny, enraging, and touching.' Village Voice 'I believe the phrase is "page-turner"' Words Without Borders 'Kurniawan gives the reader an original plot while managing to include a good helping of black humour, plenty of irony, corruption and a man who talks to his penis (which occasionally answers him)...Funny and a bit crazy.' BookMooch 'Eka Kurniawan's English-language debut, Beauty Is a Wound, was released to much acclaim in 2015, introducing the Indonesian writer to a whole new audience. Told in short, cinematic bursts, his follow-up is gloriously pulpy as it continues to explore familiar themes of female agency in a violent and corrupt male world. Kurniawan is not for the faint-hearted, but his gritty, comic style will definitely be appreciated by fans of Quentin Tarantino.' Readings 'An arresting portrait of Indonesia's struggle for nationhood, delights in obscenity: no topic is spared from its bloodthirsty brand of satire.' New Yorker on Beauty is a Wound 'Beauty Is a Wound is an epic of a kind that could only come from the pen of an Indonesian...Kurniawan's creative ambition and scope are traditional in some senses, but his deeply strange work is profoundly original.' Australian on Beauty is a Wound Previous ed.: Yogyakarta: Gadjah Mada University Press, 1983.*

*This book presents a historical overview of the Indonesian film industry, the relationship between censorship and representation, and the rise of Islamic popular culture. It considers scholarship on gender in Indonesian cinema through the lens of power relations. With key themes such as nationalism, women's rights, polygamy, and terrorism which have preoccupied local filmmakers for decades, Indonesia cinema resonates with the socio-political changes and upheavals in Indonesia's modern history and projects images of the nation through the debates on gender and Islam. The text also sheds light on broader debates and questions about contemporary Islam and gender construction in contemporary Indonesia. Offering cutting edge accounts of the production of Islamic cinema, this new book considers gendered dimensions of Islamic media creation which further enrich the representations of the 'religious' and the 'Islamic' in the everyday lives of Muslims in South East Asia.*

Meet Karl Floor: friendless, motherless, put-upon, living with his loudmouth stepfather and pretending to take satisfaction from teaching high school math. Karl returns home one day to

discover his apartment being robbed by a beautiful woman named Sylvia. So begins a strange and mostly inadvertent saga: Karl, now in love with this unexpected woman, finds himself introduced to her friends and family, making promises to her, defending her honor (which she definitely has) against assailants (which she only might have). Sylvia is devastatingly attractive, and caught up in a situation that Karl, bless his heart, does his best to understand. As he gets pulled further into her life, and begged to solve her problems, Karl also begins to see his own limitations. Confronting his confusing paternal situation, his issues with class and responsibility, Karl emerges as an ingeniously funny, memorable, and heartwarming anti-hero. Matthew Sharpe addresses his heady themes with warmth and charisma. *You Were Wrong* is a lovingly satiric, intelligent, and deeply enjoyable novel with a voice all its own.

The Redemption of Philip Thane is *Bridgerton* meets *Groundhog Day* in this rip-roaring regency romantic comedy for fans of Julia Quinn, Jane Austen and Georgette Heyer. 'One of the most exciting historical fiction writers in a long time' – Julia Quinn, author of the Netflix series *Bridgerton*, on Lisa Berne. How many times can a rake get it wrong . . . before he becomes Mr Right? Philip Thane – rogue, rake, and scoundrel extraordinaire – hadn't wanted to show up in the little town of Whittlesey to give a speech. He also didn't expect to somehow find himself stuck in time, waking up every morning to live exactly the same day over and over again. On the plus side, it's giving him time to further his acquaintance with the delightful Miss Margaret Allen, in town to research the book she's writing. And Philip has no doubt she'll fall starry-eyed into his arms, just like so many other ladies of the ton have done before. Yet Miss Allen stands firm against his wiles, day after day. How is it even possible? Why won't she change her mind? What must he do to win her heart? Maybe, just maybe, it isn't Margaret who needs to change, but rather a certain rogue, who – if only he knew it – is head over heels in love . . . and badly in need of redemption.

How Success Almost Ruined My Life

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

A simple and authoritative challenge to the conventional wisdom about AIDS, this newly revised book probes widely held assumptions about the risks, tests, and treatments associated with this controversial disease. The ideas of the general public—that everyone is at risk, that AIDS is widespread, that HIV is proven to cause AIDS, and that drug treatments or vaccines offer the only hope to resolve health problems associated with AIDS—are refuted, and new information is presented on AIDS in Africa and recent research on the effects of AZT, protease inhibitors, and combo cocktails. A recommended reading list and website directory supply tools for further study, and first-person accounts from naturally healthy HIV-positive men, women, and children give the facts a human face.

*Fundamentals of Fire Protection for the Safety Professional* provides safety managers with a guide for incorporating fire hazard awareness and protection into their safety management plans. Industrial fires pose one of the greatest threats to organizations in terms of financial, human, and property losses. In her most famous novel, *The Mandarins*, Simone de Beauvoir takes an unflinching look at Parisian intellectual society at the end of World War II. In fictionally relating the stories of those around her -- Jean-Paul Sartre, Albert Camus, Arthur Koestler, Nelson Algren -- de Beauvoir dissects the emotional and philosophical currents of her time. At once an engrossing drama and an intriguing

political tale, *The Mandarins* is the emotional odyssey of a woman torn between her inner desires and her public life. "Much more than a roman a clef . . . a moving and engrossing novel." -- New York Times

Palemia tells the story of how a boy from an isolated village grew up to become Prime Minister of Samoa. It follows his journey from Lepa to Apia, Wellington, Brussels, Singapore, Beijing, Tokyo, London, New York and many other international destinations, always returning to Lepa and the Fa'asamoa that shaped him. Tuila'epa Sa'ilele Malielegaoi is Samoa's longest-serving Prime Minister. His premiership has been marked by political and economic crises, natural disasters, regional tensions and local challenges. Tuila'epa's political career started during turbulent times but has resulted in an unprecedented period of political stability and economic development through his leadership in modernising the economy, improving education and health and reducing poverty in Samoa. Palemia captures the voice, documents the life, and places in context a record of the most significant Samoan political leader of this generation, and contains many useful insights into the social, cultural and economic development of Samoa and the wider Pacific region. 'In collaboration with Peter Swain, a superb conveyer of information, Tuila'epa narrates his entry into politics and his rise to power. The book is a fascinating biography and provides a stimulating, thoughtful, original and authoritative perspective on Samoan political life - from the inside.' --Professor Stephen Levine.

**Corporate social responsibility (CSR) has become an increasingly heated topic since the 1980s. But there are severe limitations with the concept of CSR and the effectiveness of CSR practices. Addressing such limitations, this volume proposes that the concept of Corporate Social Irresponsibility (CSI) offers a better theoretical platform to avoid the vagueness, ambiguity, arbitrariness and mysticism of CSR. It challenges conventional modes of thinking, unveils the CSR mask of business practices and redirects public attention to the core issues of CSR. This collective work sets up an initial theoretical framework for the subject of CSI and examines the fundamental reasons for irresponsibility in and beyond a corporate context. Rooted in theory and practice it seeks to understand how boundaries of CSR and CSI have been constructed in society, and explores some systemic and structural issues of CSI in practice.**

*As I was called, like Abraham, to leave my father's house and follow Christ, my journey would take me and my children to many places which God has caused us to "Triumph" in Christ Jesus. I was told to share my story and write the things I've seen and heard and lived through so others can know they too can do the same when they put ALL of their Trust in the Holy God of Israel. When You Only See One Set of Footprints is like an open letter to all "Living Epistle," for my life has seen everyday living and living for Christ. To give people hope no matter where you are, He can be there, also to show my children and others what "Faith" looks like despite what people think it ought to look like, to give people hope and encouragement to follow God to the end. This was also a walk for the destroying of "Generational Curse" so my children (Donelle, Nathifa, Monae, Dominique, Nakeya, Simone), and now my grandson (Nook, Nook), would not have to encounter because I have gone before them to destroy all curses in their path. To bring about transparency in this walk and to show "We can come through all things through Christ who strengthens us," so may all be encouraged as well as inspired to continue in the faith and to fight the good fight of faith and know you fight not alone, for you too can see there were only one set of footprints. God Bless.*
