*GENRE: Children's Adventure (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen) Book 1: The Big Prank My name is Cody, and for once I'm at a place where everyone thinks I'm the cool twin...but that might just be because people don't know that I have a twin. My brother Dylan is the wild one. He is always pulling pranks and throwing parties to make the kids at our old school like him. Well, now that's over with because I got sent to the gifted school and he's stuck at our old school. Everyone here loves me, and this school was my favorite place. That is, until my brother left his school and started to cause me a world of trouble, and all because of the legend of the Herobrine. I'm starting to think he might be my evil twin after all... Hopefully I can get him out of my hair, and out of my school, before he completely ruins my reputation. Book 2: My Brother Strikes Back My name is Cody, but I'm often confused for my terrible identical twin, Dylan. My dream came true of finally being away from my brother when I got to go to a private boarding school, but now that summer is here, I'm dreading having to hang out with him. He nearly ruined my time at school by pretending to be a Herobrine, and I have a suspicion that summer break is only going to encourage him to get up to even more trouble, and I have a bad feeling that he's going to find a way to drag me into it. I hope my summer is a breeze, and if it's not, it's all going to be at the fault of my evil twin. Book 3:*

Another Herobrine? My name is Cody, and this summer has been wild already, but with friends like mine, I'm sure it's going to be even wilder! I think it's safe to say that so far my summer has been worse than any other kid's in the Overworld, but my friend, Patrick, is about to change all of that. His family is crazy rich, and he's invited me and some of my other friends to stay at his family's beach house for a few weeks! I can't say no to an offer like that! I just hope that my parents can't say no to an offer like that either... If I am with my friends, I am sure I will have more fun than I ever would at home. Besides, I'm dying to get away from all of the Herobrine drama that my brother has gotten me into. I'm ready for a Herobrine-free summer, and with my friends, I am sure I can get that. It's not like a beach house can be haunted, right? It's probably just a joke from one of his friends. Dan is thinking just that, when there's a knock at the door. A strange woman, dressed in all white, has arrived at Dan's front door. stairs. "I'll be right down!" Dan yelled back. "I've just got to save the world!" Dan's mom, who was making a racket in the kitchen that made Dan think she was throwing every pot on the ground, didn't respond. That was okay. Dan didn't want to have to explain anyways. He was saving the world. Well... a world. The Minecraft world that he and a couple friends had been working on for over a year. They had magnificent houses and had built huge statues of their avatars in the game. Dan's pride and joy was built on the server too: The Cow Cannon 2000. The Cow Cannon 2000 did... well it did exactly what you would expect it to. It fired cows at blinding speed into the far away expanses of Minecraft. It fired them so far that Dan and his friends had never found any remains of the cows or the mine carts that they were fired in. The best part is that the machine worked automatically. It lured cows to the machine and then fired them off as soon as they got close enough. Dan was incredibly proud of it. A work of art, he told himself. And, really, everything had been perfect in that huge-housed, massive-stated, cow-raining world, until the griefers had shown up. Somehow, a bunch of older kids had found the server and at first it was fine. They built their own stuff. That was fine. But soon they were bored of that and started destroying anything and everything they could find. Dan had urged his friends to just not react. The griefers would get bored, he thought, and leave them alone. But they didn't get bored. So, it was time to take more drastic measures. The griefers' next target was Platinum Plateau where Dan's friends' houses were built, along with the Cow Cannon 2000. Dan wasn't going to let the griefers anywhere near it. He had spent the last week building a series of "secret" entrances to the plateau via mine cart. The idea was that the griefers would find the "secret" entrances and not be able to resist riding the mine carts into the centre of the plateau to surprise Dan and friends. But little did they know that the mine cart would take them right to the Cow Cannon 2000, and before they knew it, BAM! They'd be taking a free flight, courtesy of Dan airlines. What are you waiting for? Get reading!

The final battle to defeat Herobrine will take Gameknight999 over land and under water! Herobrine is rallying all the monsters of Minecraft on one server in hopes of eliminating Gameknight999 and his friends once and for all. They destroy every village they find, threatening to continue until the User-that-is-not-a-user surrenders. Gameknight has just two things: the Oracle's command to seek out the lost ocean monument and an impenetrable riddle: "Look to the lowliest and most insignificant of creatures, for that is where your salvation will lie." Haunted by this seemingly useless clue, Gameknight searches for the mysterious underwater lair where the Book of Wisdom is hidden, and he is told holds the secret to the riddle and the key to defeating Herobrine. But at every turn lies a massive army of monsters. With no guide to lead them, Gameknight and his friends will fight for their lives to reach the deep ocean destination, and a terrifying creature awaits them there. The Mystery of Herobrine series comes to an explosive conclusion on the shores of Minecraft, where one false move could spell the end for Gameknight999 and company! My dream came true of finally being away from my brother when I got to a private boarding school, but now that summer is here, I'm dreading having to hang out with him. He nearly ruined my time at school by pretending to be a Herobrine, and I have a suspicion that summer break is only going to encourage him to get up to even more trouble. I have a bad feeling that he's going to find a way to drag me into it. I hope my summer is a breeze, and if it's not, it's all going to be at the hands of my evil twin. Book 3: Another Herobrine? Finding Herobrine

Last Stand on the Ocean Shore

*Stevie has been having repeated nightmares about the mysterious figure known as "Herobrine." Some say Herobrine is an old ghost story. Some say he's a virus. But no one believes he is real...except maybe Stevie, whose nightmares are telling him that Herobrine is going to take over the Overworld. His cousin Alex has come to visit, and during one of her explorations, she finds a music disc that predicts the destruction of the Overworld! Are Stevie's nightmares and the music disc connected? Stevie and Alex hook up with Stevie's best friend Maison, and the three quickly begin looking for answers. While they look, Herobrine is drawing ever closer. Someone is stealing the villagers' most precious belongings, including Stevie's cat, Ossie. People are angry and turning against one another. And there are mysterious signs appearing around the Overworld. Stevie, Maison, and Alex must unearth more music discs, piece together clues from the nightmares, and, ultimately, confront Herobrine—the most feared being of all—at his dark home in an abandoned temple high atop a forbidding mountain. The fate of the Overworld is depending on them. **GENRE:** Children's Adventure (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen) Herobrine, the feared mythical creature, known for trolling and griefing innocent players, pulling pranks on them and destroying their

constructions while they are asleep, has been a part of Minecraft since early stages of the game. This is what Herobrine likes to do, right? Wrong! Despite the popular belief that Herobrine is a single creature whose only desire is to cause harm and chaos, there are several Herobrines living in each server, and instead of destroying and trolling, their only objective is to do the exact opposite: to help and protect humans. Our main character is a player called Angie. Angie is one of the few humans who were chosen among the best players to become Herobrine, the famous entity who possesses magical powers. Angie now belongs to an organization called the Herobrine Agency, which is spread across the server in five different branches: the Central, where the Master Herobrine Vince lives; the North, East, West and the South agency, where Angie lives and works with his fellow Herobrine friends, led by the leader Carley. Together with his other colleagues, Angie and the other Herobrines do their best to protect the humans living in the cities from any harm. But recently, a mysterious glitch has appeared in all regions, and the Herobrine Agency is doing its best to get rid of the unknown threat. Join Angie in Agent Herobrine - Book 1 and read more about his stories in the Herobrine Agency, as well as his detailed transcriptions of his past; how he became a Herobrine, how the Herobrine Agency was created, and much more. Being Coach Herobrine is not without a challenge. After successfully helping two other Herobrines complete their mission, the third Herobrine was stubborn and arrogant causing him and Mark to be imprisoned by the very people they come to help. Since Mark is an experienced Herobrine, Jeb trusted him to assist all the new Herobrines during these hard trials. Some of the missions are easy enough to be completed in a matter of a few days. However, others will prove to be too challenging that Mark has to put all of his experience as Herobrine into use, if he wants to succeed at helping others. The Herobrines must complete their objectives if they want to stay in their respective servers. Failing one or more missions might result in a permanent ban from the game. Mark is committed to never let that happen to anyone, but the third Herobrine is a different story. Will Mark be able to help him if the third Herobrine is not willing to follow Mark's advice? Or will this be Mark's first failure as a Coach?
