

Book List By Title

Willy Wonka’s famous chocolate factory is opening at last! But only five lucky children will be allowed inside. And the winners are: Augustus Gloop, an enormously fat boy whose hobby is eating; Veruca Salt, a spoiled-rotten brat whose parents are wrapped around her little finger; Violet Beauregarde, a dim-witted gum-chewer with the fastest jaws around; Mike Teavee, a toy pistol-toting gangster-in-training who is obsessed with television; and Charlie Bucket, Our Hero, a boy who is honest and kind, brave and true, and good and ready for the wildest time of his life!

Love Bird is the story of a squirrel family’s dilemma of dealing with a very rude neighbor who just moved in to the branch above their home in the backyard oak tree. Their well-meaning attempts to be neighborly are shockingly returned with sarcasm and mockery. Because the whole neighborhood quickly becomes offended by this bird’s behavior, the Squirrel family calls an emergency meeting where they manage to convince everyone to take an unusual approach to dealing with this neighborhood nuisance. They will respond to him with love. Everyone agrees to only speak words that are kind to this mockingbird, and in the end their wisdom is rewarded as he learns to repeat the kind words he is hearing. Everyone learns that love is not always just a fuzzy feeling, but sometimes a choice we must will ourselves to carry out.

Saddle up for a “wild, witty, and wonderful” ride with the Carson family in the first novel of the Southern Comfort series (Jo Goodman, New York Times bestselling author). In this warm and witty new series, author Sarah Title introduces readers to the down home Kentucky hospitality of the Carson family and their Wild Rose Farm and Stables. It’s a place where love is always possible—and sweeter than ever the second time around. . . . Mallory Thompson and Keith Carson are far from impressed with each other when she arrives at his family’s horse farm, fleeing an abusive marriage. Mallory sees nothing but a gruff man who’s as patronizing as her soon-to-be ex-husband, and Keith has no time for a city girl who’s afraid of dogs. But the struggling Wild Rose is too small to allow anyone to keep their distance. As one by one, Mallory wins the hearts of his family, from his cranky father to his headstrong younger sister and three-legged dog, Keith finds himself more than a little attracted to her stubborn charm. And the longer Mallory stays, the more she realizes Keith is nothing like the overbearing bully she married—and the more she fantasizes about being in his strong, loving arms. Maybe some folks get a second chance to make a first impression after all. . . . Praise for Sarah Title’s Southern Comfort Romance series “Quite a sexy book.”—USAToday.com “A really cute and fun story. . . . It’s sexy and made me laugh!”—Smexy Books “A fast-paced read that provided just as many smiles from the humor as it did sizzles from the romance.”—The Book Diva’s Reads

What We Talk About When We Talk About Love

If you do more than one thing for work, then you are more than one thing. If this describes you, then you may be a hybrid professional. Until recently, hybrids have been hidden in the workforce. But today and moving forward, the secret is out. In today's world, professional identity is no longer just about being an expert or a generalist. Now, workers can be both. These hybrid professionals have unique talents that defy conventional labels because they work at the intersections of their multiple identities. Discover how hybrid professionals are revolutionizing the workforce and leading exciting, one-of-a-kind work. If you're a jack-of-all-trades or trying to figure out what differentiates you from others, give yourself permission to become a hybrid professional and be more than your title.

An exploration of why we play video games despite the fact that we are almost certain to feel unhappy when we fail at them. We may think of video games as being "fun," but in The Art of Failure, Jesper Juul claims that this is almost entirely mistaken. When we play video games, our facial expressions are rarely those of happiness or bliss. Instead, we frown, grimace, and shout in frustration as we lose, or die, or fail to advance to the next level. Humans may have a fundamental desire to succeed and feel competent, but game players choose to engage in an activity in which they are nearly certain to fail and feel incompetent. So why do we play video games even though they make us unhappy? Juul examines this paradox. In video games, as in tragic works of art, literature, theater, and cinema, it seems that we want to experience unpleasantness even if we also dislike it. Reader or audience reaction to tragedy is often explained as catharsis, as a purging of negative emotions. But, Juul points out, this doesn't seem to be the case for video game players. Games do not purge us of unpleasant emotions; they produce them in the first place. What, then, does failure in video game playing do? Juul argues that failure in a game is unique in that when you fail in a game, you (not a character) are in some way inadequate. Yet games also motivate us to play more, in order to escape that inadequacy, and the feeling of escaping failure (often by improving skills) is a central enjoyment of games. Games, writes Juul, are the art of failure: the singular art form that sets us up for failure and allows us to experience it and experiment with it.

The Art of Failure is essential reading for anyone interested in video games, whether as entertainment, art, or education.

Atlas Shrugged

A BEST OF SUMMER READ ACCORDING TO NEWSWEEK, PARADE MAGAZINE, NBC NEWS, LITHUB, AND POPSUGAR! "The most heartfelt read of the summer...a surprising delight of a novel."--Shondaland An unforgettable and heartwarming debut about how a chance encounter with a list of library books helps forge an unlikely friendship between two very different people in a London suburb. Widower Mukesh lives a quiet life in Wembley, in West London after losing his beloved wife. He shops every Wednesday, goes to Temple, and worries about his granddaughter, Priya, who hides in her room reading while he spends his evenings watching nature documentaries. Aleisha is a bright but anxious teenager working at the local library for the summer when she discovers a crumpled-up piece of paper in the back of To Kill a Mockingbird. It’s a list of novels that she’s never heard of before. Intrigued, and a little bored with her slow job at the checkout desk, she impulsively decides to read every book on the list, one after the other. As each story gives up its magic, the books transport Aleisha from the painful realities she’s facing at home. When Mukesh arrives at the library, desperate to forge a connection with his bookworm granddaughter, Aleisha passes along the reading list...hoping that it will be a lifeline for him too. Slowly, the shared books create a connection between two lonely souls, as fiction helps them escape their grief and everyday troubles and find joy again.

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

One San Francisco librarian would rather check out a good romance than dare to experience it herself. Luckily, her own next chapter is full of surprises... Melissa “Bernie” Bernard isn’t familiar with fame. After all, she works at a college library with hardly any visitors. But when a video of a marriage proposal in her stacks goes viral, it’s not the bride and groom who capture the Internet’s attention. It’s Bernie—caught rolling her eyes. Now, just as she’s ready to go into hiding and permanently bury her nose in a book, a handsome reporter appears with a proposal of his own... If Colin Rodriguez doesn’t do something big to attract new readers, his boss will hire someone else to dole out dating advice. Determined to prove he’s an expert at romance—despite his own pitiful track record—he pitches a story: He will find dates for the undateable. Specifically, for the now-infamous, love-hating librarian at Richmond College. Even though Bernie doesn’t believe in happily-ever-afters, she’s not one to resist a good challenge. Yet with one disastrous date after another, she’s ready to give up. Until Colin proves he’ll do anything to find her the perfect match—even if it means putting himself up for the role... Praise for Sarah Title’s Southern Comfort Romance series “Sexy and made me laugh!” —Smexy Books “A fast-paced read that provided just as many smiles from the humor as it did sizzles from the romance.” —The Book Divas Reads “Wild, witty, and wonderful.” --New York Times bestselling author Jo Goodman “Quite a sexy book.” —USAToday.com

This book deals with medical image analysis methods. In particular, it contains two significant chapters on image segmentation as well as some selected examples of the application of image analysis and processing methods. Despite the significant development of information technology methods used in modern image analysis and processing algorithms, the segmentation process remains open. This is mainly due to intra-patient variability and/or scene diversity. Segmentation is equally difficult in the case of ultrasound imaging and depends on the location of the probe or the contact force. Regardless of the imaging method, segmentation must be tailored for a specific application in almost every case. These types of application areas for various imaging methods are included in this book.

Excerpt from Finding List of Books Common to the Branches of the Public Library of the City of Boston: September, 1902 With few exceptions the titles in this list may be found at all the Branches except that at West Roxbury. Previous issues of the Branch Finding List have contained only the accessions since June 1, 1897 this issue includes all the important titles' which are common to the Branches. It should be understood, the Branch collections are still far from being uniform or adequate in certain classes, and that this list is in no sense an ideal one. Books are entered here according to classes, and under the author's name only, except. In the following divisions Individual Biography, Where the subject precedes the author; Fiction, where each-book is entered under title as well as author; Books for Younger Readers, where a separate list by titles has been added to the author list. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." --Sven Birkerts, The Atlantic

Finding List of Books Common to the Branches of the Public Library of the City of Boston

In his second collection, including the iconic and much-referenced title story featured in the Academy Award-winning film Birdman, Carver establishes his reputation as one of the most celebrated short-story writers in American literature—a haunting meditation on love, loss, and companionship, and finding one’s way through the dark.

A special fiftieth anniversary edition of Kurt Vonnegut’s masterpiece, “a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century” (Time), featuring a new introduction by Kevin Powers, author of the National Book Award finalist The Yellow Birds Selected by the Modern Library as one of the 100 best novels of all time Slaughterhouse-Five, an American classic, is one of the world’s great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber’s son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming “unstuck in time.”

An instant bestseller, Slaughterhouse-Five made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut’s writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Chrichton, Tim O’Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut’s words. Jonathan Safran Foer has described Vonnegut as “the kind of writer who made people—young people especially—want to write.” George Saunders has declared Vonnegut to be “the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves.” Fifty years after its initial publication at the height of the Vietnam War, Vonnegut’s portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era’s uncertainties. “Poignant and hilarious, threaded with compassion and, behind everything, the cataract of a thundering moral statement.”—The Boston Globe

Introduce the latest version of the fundamental SQL language used in all relational databases today with Casteel’s ORACLE 12C: SQL, 3E. Much more than a study guide, this edition helps those who have only a basic knowledge of databases master the latest SQL and Oracle concepts and techniques. Learners gain a strong understanding of how to use Oracle 12c SQL most effectively as they prepare for the first exam in the Oracle Database Administrator or Oracle Developer Certification Exam paths. This edition initially focuses on creating database objects, including tables, constraints, indexes, sequences, and more. The author then explores data query techniques, such as row filtering, joins, single-row functions, aggregate functions, subqueries, and views, as well as advanced query topics. ORACLE 12C: SQL, 3E introduces the latest features and enhancements in 12c, from enhanced data types and invisible columns to new CROSS and OUTER APPLY methods for joins. To help readers transition to further studies, appendixes introduce SQL tuning, compare Oracle’s SQL syntax with other databases, and overview Oracle connection interface tools: SQL Developer and SQL Plus. Readers can trust ORACLE 12C: SQL, 3E to provide the knowledge for Oracle certification testing and the solid foundation for pursuing a career as a successful database administrator or developer. Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, Atlas Shrugged is Ayn Rand’s magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America’s best-loved novels by PBS’s The Great American Read. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. Atlas Shrugged, a modern classic and Rand’s most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century’s leading artists. "The Encyclopedia of Library and Information Science provides an outstanding resource in 33 published volumes with 2 helpful indexes. This thorough reference set--written by 1300 eminent, international experts--offers librarians, information/computer scientists, bibliographers, documentalists, systems analysts, and students, convenient access to the techniques and tools of both library and information science. Impeccably researched, cross referenced, alphabetized by subject, and generously illustrated, the Encyclopedia of Library and Information Science integrates the essential theoretical and practical information accumulating in this rapidly growing field."

This 1992 volume presents a wide sampling of the political writings and polemical essays of James Mill (1773-1836).

2018 CFR e-Book Title 8, Aliens and Nationality

A dozen women join a secret 1850s Arctic expedition—and a sensational murder trial unfolds when some of them don't come back. Eccentric Lady Jane Franklin makes an outlandish offer to adventurer Virginia Reeve: take a dozen women, trek

into the Arctic, and find her husband's lost expedition. Four parties have failed to find him, and Lady Franklin wants a radical new approach: put the women in charge. A year later, Virginia stands trial for murder. Survivors of the expedition willing to publicly support her sit in the front row. There are only five. What happened out there on the ice? Set against the unforgiving backdrop of one of the world's most inhospitable locations, USA Today bestselling author Greer Macallister uses the true story of Lady Jane Franklin's tireless attempts to find her husband's lost expedition as a jumping-off point to spin a tale of bravery, intrigue, perseverance and hope.

Title 11, Federal Elections

Ready to establish a consistent writing habit, once and for all? Monica Leonelle digs into the best literature on forming habits and shares the top strategies professional authors are using to make sure they write each and every day. Each tip is easy to implement and will get you writing more in the "in-betweens"—the inactive moments of your life where you are commuting, waiting in line, or otherwise physically stuck with your brain unoccupied! If you've struggled to find time to write due to a day job, family, or an active, busy lifestyle, this book will help you clear your blocks around writing for good and get you writing more often, just a few words at a time. For writers who still haven't found their rhythm and don't have time for long experiments, tracking spreadsheets, or full pomodoros—establish a writing habit that actually fits into your life! BONUS: This book includes the full 8x8 Challenge: 8 days to implement the very best shortcuts to writing more, 8 minutes at a time!

Discusses the use of leveled texts in kindergarten through eighth-grade classrooms, examines the "text base" needed for effective language literacy instruction, provides guidelines for creating a high-quality leveled book collection and matching books to readers, and explains how to analyze and level books.

From the World's No. 1 Storyteller, James and the Giant Peach is a children's classic that has captured young reader's imaginations for generations. One of TIME MAGAZINE's 100 Best Fantasy Books of All Time After James Henry Trotter's parents are tragically eaten by a rhinoceros, he goes to live with his two horrible aunts, Spiker and Sponge. Life there is no fun, until James accidentally drops some magic crystals by the old peach tree and strange things start to happen. The peach at the top of the tree begins to grow, and before long it's as big as a house. Inside, James meets a bunch of oversized friends—Grasshopper, Centipede, Ladybug, and more. With a snip of the stem, the peach starts rolling away, and the great adventure begins! Roald Dahl is the author of numerous classic children's stories including Charlie and the Chocolate Factory, Matilda, The BFG, and many more! "James and the Giant Peach remains a favorite among kids and parents alike nearly 60 years after it was first published, thanks to its vivid imagery, vibrant characters and forthright exploration of mature themes like death and hope." —TIME Magazine

No matter how much experience you have with JavaScript, odds are you don't fully understand the language. This concise yet in-depth guide takes you inside scope and closures, two core concepts you need to know to become a more efficient and effective JavaScript programmer. You'll learn how and why they work, and how an understanding of closures can be a powerful part of your development skillset. Like other books in the "You Don't Know JS" series, Scope and Closures dives into trickier parts of the language that many JavaScript programmers simply avoid. Armed with this knowledge, you can achieve true JavaScript mastery. Learn about scope, a set of rules to help JavaScript engines locate variables in your code Go deeper into nested scope, a series of containers for variables and functions Explore function- and block-based scope, "hoisting", and the patterns and benefits of scope-based hiding Discover how to use closures for synchronous and asynchronous tasks, including the creation of JavaScript libraries

More than simply a vital collection development tool, this book can help librarians help young adults grow into the kind of independent readers and thinkers who will flourish at college.

James Mill: Political Writings

A Novel

September, 1902 (Classic Reprint)

The riot grrrrl and the bookworm—just the pair to get the whole town talking... Liam Byrd loves Halikarnassus, New York. He loves its friendliness, its nosiness, the vibrant library at the center of it all. And now that Joanna Green is home, the whole town sizzles. A rebel like her stirs up excitement, action, desire—at least in Liam. Joanna never thought she'd have to come back to her dull, tiny fishbowl of a hometown ever again. She almost had a record deal for her all-girl rock band. She almost had it made in L.A. And then her deal went sour and her granny broke her leg . . . and now here she is, running into everybody's favorite librarian every time she heads to a dive bar or catches up with old friends. He has charm, he has good taste in music—and the sight of him in running shorts is dangerously distracting. But when he loves her old town and she can't wait to check out, their new romance is surely destined for the book drop... Praise for The Undateable

"Socially aware and laugh-out-loud funny, with a love story that's real enough to imagine reading about on Twitter. A delightful start to Librarians in Love." —Kirkus Reviews, STARRED Review "Title launches her Librarians in Love contemporary romance series with a hilarious and charming first installment . . .

Funny, engrossing, and delightfully written." —Publishers Weekly, STARRED Review

The "highly entertaining and thoroughly reprehensible" #1 New York Times bestseller—now with sixteen pages of photos and a new introduction (The New York Times). My name is Tucker Max, and I am an asshole. I get excessively drunk at inappropriate times, disregard social norms, indulge every whim, ignore the consequences of my actions, mock idiots and posers, sleep with more women than is safe or reasonable, and just generally act like a raging dickhead. But, I do contribute to humanity in one very important way: I share my adventures with the world. --from the Introduction Actual reader feedback: "I find it truly appalling that there are people in the world like you. You are a disgusting, vile, repulsive, repugnant, foul creature. Because of you, I don't believe in God anymore. No just God would allow someone like you to exist." "I'll stay with God as my lord, but you are my savior. I just finished reading your brilliant stories, and I laughed so hard I almost vomited. I want to bring that kind of joy to people. You're an artist of the highest order and a true humanitarian to boot. I'm in both shock and awe at how much I want to be you."
