Near the end of his writing career, Cassian the monk was commissioned by the future Pope Leo the Great to reply to the Christological positions of Nestorius. Nestorius saw in

Christ two subjects, that of the Word and that of the man Jesus. Cassian's foray into ecclesiastical controversy yields a cannonade of arguments from the Scriptures and the early Fathers, bombarding the Nestorian position with an impassioned rendition of the general Christological views of East and West. Unsurprisingly, for one such as Cassian who was so concerned with Christian sanctity, it places special emphasis on the difference between the personal divinity of Christ and the indwelling of the Word in the saints—for the personal divinity of Christ is what indeed makes it possible for Christ to be

said to dwell within those saints who tread the heights of union with God. What Cassian lacks in the precision of an Athanasius or a Maximus the Confessor, he makes up for in the verve of his argumentation. (Ex Fontibus Co.)

What lies beneath . . . At first, Jean Suttman thought she had died and gone to heaven when she was granted the opportunity to study in Rome. Jean's innocent underground excursion into a sacred pagan place has trapped her in something dark and terrifying, and even the knowledge that practical, perceptive fellow American Jacqueline Kirby is on the case won't ease her fears. Because there's only so far Jean Suttman can run . . . and no escape for her except death.

I can't remember the last time I felt completely safe. Security seemed more like a luxury to me, reserved for those who were fortunate enough to have picture perfect childhoods. For those who didn't bear the ugly scars that keep me bound in constant, debilitating fear. I've run from that fear my

The way his touch radiated electricity right through her core, the way his ice blue eyes somehow made panties drop involuntarily, how his sexy half-smile crumbled the barriers around her heart...Dorian was extraordinary in every way. She ignored the alarm bells for the sake of pleasure and a little slice of peace from her mixed-up life. She thought that whatever he was, she could love him. Maybe even change him. Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God ' s wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon ' s conclusion. Edwards puts it this way,

“ And now you have an extraordinary opportunity, a

day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners. ” While those who would rather ignore God ’ s justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, “ Before the sermon was done there was a great moaning and crying through the whole House, ‘ what shall I do to be saved; oh, I am going to hell, etc. ’ ” The diary goes on to indicate that Edwards had to interrupt his sermon and come

down to minister to those who were under such awful conviction. he spent years studying the criminals that were his companions. Upon his return to St. Petersburg in the 1860s, he fought his way through gambling addiction, debilitating debt, epilepsy, the deaths of those closest to him, and literary banishment to craft an enduring classic. The germ of Crime and Punishment came from the sensational story of Pierre François Lacenaire, a notorious murderer who charmed and outraged Paris in the 1830s. Lacenaire was a glamorous egoist who embodied the instincts that lie beneath nihilism, a western-influenced philosophy inspiring a new generation of Russian

revolutionaries. Dostoevsky began creating a Russian incarnation of Lacenaire, a character who could demonstrate the errors of radical politics and ideas. His name would be Raskolnikov. Lacenaire shaped Raskolnikov in profound ways, but the deeper insight, as Birmingham shows, is that Raskolnikov began to merge with Dostoevsky. Dostoevsky was determined to tell a murder story from the murderer's perspective, but his character couldn't be a monster. No. The murderer would be chilling because he wants so desperately to be good. The writing consumed Dostoevsky. As his debts and the predatory terms of his

By the time Dostoevsky finished his great novel, he had fallen in love. Dostoevsky's great subject was self-consciousness. Crime and Punishment advanced a revolution in artistic thinking and began the greatest phase of Dostoevsky's career. for the worst. In this ever-changing world, you must hunt or be hunted. LIVES WILL BE LOST. DREAMS WILL BE CRUSHED. FEARS WILL BE REALIZED. SECRETS WILL BE EXPOSED. One capture changes everything.

The captivating third installment of the Se7en Sinners Series by New York Times Bestselling author, S.L. Jennings. tried to kill me. Perhaps I was ready the moment I was born. But as I peer into the chilling void of Death, breath shallow and heartbeat sluggish, I know that it can't end like this. He supposed the Gospels, in their present form, to be not the works of the Apostles, but rather

Most of the objections to the morality of the Old Testament that are now current were already familiarly used in the time of Augustin. Augustin's answers are only partially satisfactory, owing to his imperfect view of the relation of the old dispensation to the new; but in the age in which they were written
