After Louis Brittz and his family became the victims of an armed robbery, abduction, death threats and rape, they experienced how, in Louis's words, 'By God's grace we could walk out of that experience without any harm to our soul and spirit.' They have experienced immediate wholeness and healing and people thought that they were either lying or possessed some kind of superpower. But Louis has realised that God had been teaching them for years to live according to certain principles. This, together with God's presence, enabled them to deal with what had happened in such a remarkable way. Out of this experience Born to Win was born. We are born to win and everyone – from the most ordinary person to the super talented – can be a winner. It has been written into our DNA by God Himself. This book is not an action plan. It is an invitation to bring spesific areas of your life before God and ask Him to change you. Neither is it a book that tries to deal with every little issue that could possibly improve your quality of life. It will not tell you what music to listen to, where to spend your holiday or how drinking green tea will aid digestion. Louis focusses on matters that he believes are essential for living in victory. It is a journey through God's resources to change his children into winners. Louis discusses topics such as: • Winners have lost everything • Winners are able to forget • Winners know who they are • Winners ask the hard questions • Winners can master their thoughts • Winners are baggage free Born to Win offers you a blueprint of the things that differ in the life of a winner from that of someone else, and will enable you to be more than a conqueror in all circumstances.

Ready or not, you are in the run of your life. Whether you run like lightning, or crawl at a snail's pace, God has chosen you to run the race set before you. His word calls to you: "Let us throw off everything that hinders...let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith." (Heb 12:1-2) Not an athlete? Doesn't matter. Still warming up? The race has already begun. Winded and limping? Keep moving forward. Stumbled or fallen? You have not been disqualified. Or maybe, while running in perfect stride, you've hit daunting obstacles. Do not give up! Why? Because this isn't a one-person race. It's a relay. You are not alone, but are part of a team assembled by God to achieve his purposes. And God is unstoppable. Fortunately, God has not left you on our own to muddle through the race untrained. His word and his story written into the lives of believers are filled with the wisdom to train you to successfully run the divine relay. Discover how to receive your baton, how to grasp firmly and carry forward all that God entrusts to you—his uncompromising truth, his piercing light, his radical change, his world-transforming love. And be trained in how to release what is no longer yours to carry so that every member of God's team can press on toward the goal to win the prize for which God has called us heavenward in Christ Jesus. In *Unstoppable*, best-selling author, global evangelist, and human-trafficking activist, Christine Caine, mesmerizes us with true stories and eternal principles that equip us to run the race we were born to win, receiving and releasing the baton of faith in sync with our team, the body of Christ. God has plucked us out of eternity, positioned us in time, and given us gifts and talents to serve him in this generation to bring the light of Jesus Christ into a broken world. Our race is now. This is our time in history. We've been handed the baton of faith and asked to carry that light and dispel the darkness. If we receive and pass on the baton in the divine relay, we will be unstoppable.

"Me and E: A Baseball Odyssey is a reflection on parenting a highly skilled, nationally-ranked and difficult baseball prodigy, told through the author's eyes as he witnessed and participated in the successes and failures of his son playing baseball and growing up in Central Florida. It deals with the changing world of competitive youth sports, over-involved parents, fanatical coaches, the hypocrisies inherent in high school athletics, the college recruiting process and how we teach our kids to grow up and become decent human beings - despite ourselves. It involves well-known sports figures as well as local sports icons with traits and characteristics that everyone will recognize. It's a book about flawed parenting, about living vicariously through a gifted child and learning, finally, that being a good father is as much about letting go as it is about being there. Call it Moneyball meets Everything I Know I Learned in Kindergarten.

Although the American Revolution ended in 1783, tensions between the

United States and Britain over disruptions to American trade, the impressment of American merchant sailors by British ships, and British support of Native American resistance to American expansion erupted in another military conflict nearly three decades later. Scarcely remembered in England today, the War of 1812 stood as a veritable "second war of independence" to the victorious Americans and ushered in an extended period of peaceful relations and trade between the United States and Britain. This major reference work offers a comprehensive day-by-day chronology of the War of 1812, including its slow build-up and aftermath, and provides detailed biographies of the generals who made their marks. In the year 1464, the Kingdom is engulfed by civil war as the renowned houses of Lancaster and York fight to the death for the crown of England. Richard, Duke of Gloucester, the future Richard III, arrives, aged twelve, for the safety of Middleham Castle to begin his training for knighthood. His new companions discover he can change from kindness to cold rage within the wink of an eye. Men, it was said, watched him with wary eyes, for they knew when the young pup found his teeth, he would make a dangerous enemy. Far in the north, Margaret of Anjou, warrior Queen to Henry VI, prepares to fight against the advancing armies of Edward IV. Why does she abandon her husband, and flee to France vowing never to return? Who blackmails her, seven years later, to join forces with her most hated enemy, to return and fight once again for the crown of England? King Edward IV, tall, handsome, and clever, is a brilliant warrior, whose Achilles' heel is women; he loves them all. What dark forces drive him into a secret marriage that rips his kingdom apart? He is forced to fight Louis XI of France, and the mighty Earl of Warwick, not only for his crown but also his life. From the courts of Edward IV, Louis XI, and Margaret of Anjou, comes intrigue, betrayal, witchcraft, and love. The Dreams of Kings weaves plots and characters together to make a roller-coaster read of the period they call the WAR of the ROSES.

Better Never to Have Been

You Were Born to Win

I do comprehend that my life was predestinated by God before He set the entire universe in order. My adventurous journey of.... Life failures, challenges, and my prison circumstances has caused me to realize that there is no demarcations Which can hinder me from reaching my God given Destiny, unless you place those limitations in your life. Remember that the choices you make today will determined whom you will become tomorrow. You are the product of your mind. Thomas Edison quoted "Many of life's failures are people who did not realized how close they were to success when they gave up." You Are Born To Win is an inspirational Christian autobiography by an extraordinary prisoner whom was convicted to twelve years imprisonment for several high profile cases. Nhlakanipho Tsakane Siyanda Sikobi has spent many awkward years on the street.... sleeping in the cold freezing weather without blankets, he was also imprisoned on many occasions. Nevertheless he never stopped seeking the main core of his dreams, purpose, identity and his destiny through God's Word regardless of his daily prison ordeals. For the longest loneliest hard times he experienced behind those darkest prison corridors. However God's light shone upon his life then the zeal of transformation and to discover his Identity was birthed. However he is absolutely certain that winners never

intended to be life springbok, nevertheless they are very similar to a chameleon. They can transform their color anywhere and anytime to reflect the environment they are going through. What I believe is, they are born with perseverance they are determined to walk slowly to reach their destiny. Chameleon's understands that perseverance is the sign of Victory.... No matter where they are they will never change their desire, instinct and determination. Success isn't for people who run like a springbok. It is for people who will imitate a chameleon whom will never be inferior of how long the journey of success is. However they are determined and optimistic. If your potential to excel is strong enough.... Failure will not defeat the enthusiasm of success within you, and the power to discover the core purpose of life. I'm absolutely certain that failure will uplift you to a better place than yesterday. A genuine success is made up through life's failures and life's challenges, it is never made through success activities. Yet failure is the only door and the bridge to go through and to access greener pastures.

Hearing Before the Committee on Indian Affairs, United States Senate, One Hundred Eighth Congress, First Session, on Confirmation Hearing of the Nomination of David W. Anderson to be Assistant Secretary for Indian Affairs, October 22, 2003, Washington, DC.

Better Never to Have Been argues for a number of related, highly provocative, views: (1) Coming into existence is always a serious harm. (2) It is always wrong to have children. (3) It is wrong not to abort fetuses at the earlier stages of gestation. (4) It would be better if, as a result of there being no new people, humanity became extinct. These views may sound unbelievable - but anyone who reads Benatar will be obliged to take them seriously.

You are born to win, overcome or reign in this life. However to win you must learn how to win. Life will throw challenges, obstacles, difficulties, and opposition at you. Yet in all that life will throw at you, you can and will emerge victorious if you know what to do to win and do it. God's will for you is to win and that is why you were born a victor, not a victim. You are born to win in life always and in all things. If you practice the laws or principles for living a victorious life, winning will become a habit for you. God the Creator of everything has given us time-tested and infallible principles in His word to help His creation live an all round victorious life. In the book Will to win... and you will, you will learn how to win so that winning becomes a habit for you.
