Miss Withers investigates a man who appears to have hanged himself while driving As snow falls on the steps of the New York Public Library; a line of cars moves sluggishly down Fifth Avenue. Oblivious to the traffic, a blue Chrysler roadster tears down the street, hops the curb, and slams to a halt. The car is empty, its driver thrown half a block back. He is stone dead, his cigarette still burning, and a noose tied tight around his neck. First on the scene is Detective Oscar Piper, followed closely by Hildegarde Withers, a schoolmarm with more than a passing interest in crime. They are a close-knit pair, and would have been married by now if murder didn't keep getting in the way. Piper and Miss Withers must race across New York, attempting to learn how a man can be hanged while driving, and to do whatever it takes to keep his twin from suffering the same fate. Murder on Wheels is part of the Hildegarde Withers Mysteries series, which also includes The Penguin Pool Murder and Murder on the Blackboard. Attorney Seth Bader and his wife, Vicki, moved to New Hampshire in 1992.

Three tumultuous years later, their marriage ended and left Vicki a broken woman, driven to the edge as Seth seduced their teenage son Joey into a violent plot to kill her in cold blood. What followed was one of the most bizarre and harrowing crime stories in New Hampshire history.

Edinburgh November 1745 As the nights grow longer in the depths of a Scottish winter, Robert Young, Captain Travers, their families and friends, chase the darkness away as they gather to celebrate a joyful engagement. But grim news casts a pall over the happy atmosphere. A sobbing woman has carried the body of a child into the headquarters of Edinburgh's Town Guard. In her hand she still clutches a bloody dagger. What at first was thought to be no more than a domestic tragedy soon becomes a hunt for a cold blooded killer who runs the worst possible sort of brothel. Robert Young faces a race against time to find the guilty and save other children from the same fate. His investigation will bring him face to face with his deadliest and most ruthless adversary to date and leave him fighting for his life!

What started as kinky fun just became deadly serious. All summer, Tom's biggest worry was keeping the women who owned him happy. It was a cushy gig until a .22-caliber bullet and a dark truth changed everything.

Just how far will he go to repay those student loans? At times rough and raw, this is a story of love and trust, deception and revenge, and its own definition of family, told with a good share of tongue in cheek humor. This fast-paced, dark, psychological thriller set in Boston is much more than meets the eye. With a cast of kinky characters who think nothing of swapping partners or teaming up on one another within their private little world, there is no shortage of heat and sexual intrigue. But that's not what Bound is about. The steamy sex lives of the humble man and strong women of The Arch Nathan Foundation family are a subtext. It is in how these characters interact with the outside world that drives the drama in the Wicked Dark Boston Thrillers Series. In these very visual tales, you'll find spies, gangsters, and other random representatives of the Boston underworld who betray and murder one another almost casually. BOUND IS NOT FOR EVERYONE. If you are uncomfortable with open relationships, much profanity, the language of BDSM--including repeated use of the words "slave" and "master" in their most fetishized and politically incorrect forms--or characters who get off on hurting and controlling the people they claim to love, you won't stick around to see that this is really a story about love and trust as the cast struggle to find some sense of home and family

in their unconventional relationships while keeping their world secure. Other books in the Wicked Dark Boston Thrillers Series may contain "triggers" for survivors, but Bound only contains references to past sexual violence. For all the kinky, adult themes, there is little sex in Bound. IT IS NOT EROTICA. You don't get a complete sex scene until about halfway through the book and it's short. This was intentional. Of this decision, says one reviewer: "[it] allowed the story to move along freely, without the interruption of overwhelming or repetitive erotic scenes. However, the nature of the relationships and the language which is used to both describe [them] and...the characters' dialogue make this book unsuitable for those that wouldn't normally be interested in reading erotic novels." Bound is a revised version of The Family Trust Books 2 and 3. Synopsis: After 24-year-old Tom graduated from college, his mysterious benefactor, The Arch Nathan Foundation, suddenly demanded full repayment. Without a dollar to his name, he fell right into the trap set for him and became the indentured servant/slave of two of the sexiest strong women in Boston. The 1st book in the series, Bound, picks up at the end of that summer when his relationships with the women of The Arch Nathan Foundation have grown from exploitative to fulfilling and fun. But there's trouble in the home.

Ginger and her partner, Jacqueline are struggling, and Tom thinks he is "on to" their assistant, Stella, who secretly abuses him whenever she can get away with it. It's bad enough that he is willing to risk what has become a cushy gig to document her breaking one of the kinky little family's rules. In the first of several twists, Tom and Ginger soon find themselves tangled with spy-turned-gangster Jimmy Connelly's underworld associates. It will take all the trust and luck the good guys can muster to keep from losing everything. If you're in a racy mood, give it a shot.

Fleeing a disastrous love affair, university librarian Amy Webber moves in with her aunt in a quiet, historic mountain town in Virginia. She quickly busies herself with managing a charming public library that requires all her attention with its severe lack of funds and overabundance of eccentric patrons. The last thing she needs is a new, available neighbor whose charm lures her into trouble. Dancer-turned-teacher and choreographer Richard Muir inherited the farmhouse next door from his great-uncle, Paul Dassin. But town folklore claims the house's original owner was poisoned by his wife, who was an outsider. It quickly became water under the bridge, until she vanished after her sensational 1925 murder trial. Determined to clear the name of the woman his great-uncle loved, Richard implores Amy to help him investigate the case. Amy is skeptical until their research raises questions about the culpability of the town's leading families... including her own. When inexplicable murders plunge the quiet town into chaos, Amy and Richard must crack open the books to reveal a cruel conspiracy and lay a turbulent past to rest in *A Murder for the Books*, the first installment of Victoria Gilbert's *Blue Ridge Library* mysteries.

***International Bestseller #1 U.K. Bestseller The Wall Street Journal Bestseller Los Angeles Times Bestseller In the summer of 1909, Sigmund Freud arrived by steamship in New York Harbor for a short visit to America. Though he would live another thirty years, he would never return to this country. Little is known about the week he spent in Manhattan, and Freud's biographers have long speculated as to why, in his later years, he referred to Americans as "savages" and "criminals." In The Interpretation of Murder, Jed Rubenfeld weaves the facts of Freud's visit into a riveting, atmospheric story of corruption and murder set all over turn-of-the-century New York. Drawing on case histories, Shakespeare's Hamlet, and the historical details of a city on the brink of modernity, The Interpretation of Murder introduces a brilliant new storyteller, a novelist who, in the words of The New York Times, "will be no ordinary pop-cultural sensation."***

The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black***

*REVISED EDITION. Bound to Die is the true crime story of Florida serial killer Bobby Joe Long. In 1984 Long was convicted of the heinous murders of nine women in Florida's Tampa Bay area. The first body of 19 year old disco dancer Lana Long was found in a field on Mother's Day. Six months later, the bloody rampage ended when the ninth victim was discovered. All had been tortured with rapes and savagely beaten and raped. The killer's confession of his crimes is haunting. The vividly rendered results of his historical trials and appeals are equally shocking.*

In celebration of our 20th anniversary, Poisoned Pen Press has commissioned original short stories from thirty-five of its authors, past and present. Some names will be immediately recognizable to mystery aficionados-Kerry Greenwood with her Phryne Fisher mysteries, now also a popular television program, or Laurie R. King who has charmed Sherlockians worldwide with her beloved Mary Russell series. Some have gone on to big

deals with the big leagues-Carolyn Wall, whose debut novel, *Sweeping Up Glass*, was purchased by Penguin Random House, or James Sallis, whose novella, *Drive*, was critically acclaimed and made into major motion picture starring Ryan Gosling. Several have been translated into other languages with foreign publishers. Some authors have been on hiatus, and are writing something new for the first time in years. Most have remained comfortably ensconced with us here at the Press, enjoying a modicum of fame and a steadily growing base of loyal readers who eagerly anticipate their next-in-series. This anthology celebrates our authors, their talent, and their diversity. Some have chosen to feature characters well-established within their own series-protagonists, supporting cast, and even one villain-turned-hero. Others have gone in totally different directions, inventing new characters and going dark or cozy for the first time, with chilling and delightful results. Yet as different as these authors and their stories are, they all share a common passion for finely crafted tales of crime and murder. From Greece to Italy, India to Australia, Great Britain to Canada; from the East Coast to the Pacific Northwest and New Mexico to the Savannah low country, they are a community *Bound by Mystery*, and we are proud to present their short fiction to you for the first time ever.

*"He is a talented and very promising young policeman. Make no mistakes, he deserves the promotion." But when gay Detective Sergeant Dave Lyon is assigned to Detective Inspector Claire Summerskill's team as part of the Service's 'positive discrimination policy', no-one at Foregate Street Station is happy. And that includes Summerskill and Lyon. Mutual suspicion and mistrust must be shelved however, when a young man's beaten body is found on a canal tow path, and a dead-end case of 'happy slapping' unexpectedly turns into a murder investigation. Why would someone want to kill middle class arts student Jonathan Williams? And how is his death linked to that of rent boy and would be 'adult' film star Sean? As Summerskill and Lyon's investigations proceed, the newly promoted detectives begin to untangle a web of connections, false assumptions and sheer prejudices that force them both to question closely not just their relationship with each other but with the rest of their colleagues at Foregate Street Station and with the Police Service as a whole. "It's A Sin" is the first in the "Summerskill and Lyon" police procedural novels.*

He watched the father of 17-year-old Nicole Edmonds cry over the corpse of his dead daughter, murdered for a cellphone. But now for the first time Sewell has decided to share the insights and the pain, the dehumanizing effects of crime and waves of psychic despair and social dysfunction in his groundbreaking book, Why Do We Kill? "I think people deserve to know the truth," said Sewell, a 20-year veteran of Baltimore City's police department. "They need to get a sense of why people kill in Baltimore. "I want people to see what we see as detectives," he explained. "I think there are misconceptions about crime in Baltimore, and I hope this book will clear them up." Blake continues to profess his love for Jenna if she'll have him back, no matter the consequences. And the consequences are grave, indeed, when Missy turns up dead. All evidence points to Blake, who was the last one to see her alive. He begs Jenna to help him clear his name. Blake's mother, Gwendolyn, is also bent on exonerating her son. Jenna doesn't believe Blake could have killed Missy, and she starts digging for suspects. It could have been Missy's ex-boyfriend, who proclaims a love for her he says only death could sever. Or might it have been Missy's bitter little sister, who was secretly besotted with Missy's ex. Evidence turns up that links Missy's death to embezzlement and another murder—crimes that had falsely implicated Jenna herself less than a year ago. As Gwendolyn continues to beg Jenna to help prove her son's innocence, Jenna wonders if Blake could truly be innocent. "Edward Cooper, you have been convicted by a jury of your fellow countrymen of the murder of your own child. One whom you were bound to protect, to love and to take care of, particularly considering his state of deformity and weakness, arising from his early misfortune. Probably tempted by feeling a difficulty in supporting this child, you yielded to temptation and took his life. You must have done that with considerable premeditation, and the jury, very rightly, have adjudged you guilty. They would not have done their duty to the country if they had returned another verdict. you the awful sentence of the law and to hope that by prayer and penitence you may be prepared to meet it. The sentence of the court is, that for the murder of your son, you be taken hence to the place from whence you came, and from thence to the place of execution, and that there you shall be hanged by the neck till you are dead, and that your body be buried within the precincts of the prison where you are last confined after this conviction, and may the Lord God Almighty have mercy upon your soul." This book tells the stories of some very interesting cases, including murder but other capital crimes dating from the early 1800`s to modern times. It commences at a time when there were no official police forces. Law and order was implemented by part-time Parochial Constables untrained, often working for reward money put up by victims. The stories being considerable in number are recorded generally by the type of crime rather than date order. In those far off days punishments were punitive by today's standards. Females becoming pregnant out of wedlock, petty thefts, even servants being absent or running away were considered serious offenders. Punishments ranged from fines, floggings to imprisonment and transportation beyond the seas. The object being to be rid of criminals but also to provide staff for businessmen in the United Kingdom but with enterprises overseas. The death penalty was used frequently for a wide variety of crimes, many of which would now be considered minor. Murder and other crimes were investigated surprisingly thoroughly for the times. The reports of the trials and executions do contain explicit descriptions of violence both in the crimes committed and executions, from accounts recorded at the time. The reader

August in Taylorsford, Virginia finds library director Amy Webber and her new husband, dancer Richard Muir, settling into married life--and a new project. Richard and his dance partner, Karla, are choreographing a suite based on folk music and folk tales, while Amy scours the library's resources to supply background information on the dance's source material. But the mellifluous music comes to a jarring halt when an unknown woman's body turns up in Zelda Shoemaker's backyard gazebo. Chief Deputy Brad Tucker puts Zelda at the top of his suspect list, thanks to a blackmail letter he finds in the dead woman's pocket. Zelda's best friend, Amy's aunt Lydia Talbot, begs Amy to use her research skills to clear Zelda's name. But the task is confounded by Zelda's very out-of-character refusal to reveal why the victim might have blackmailed her. Complicating matters further, Amy unearths records of a long-ago tragedy that casts doubt on Zelda's innocence. She enlists hubby Richard, Aunt Lydia, art dealer Kurt Kendrick, Mayor Sunny Fields, and sundry other quirky townsfolk in a quest to exonerate Zelda. But will revealing the truth end up forcing Zelda to spend the rest of her life behind bars? Meanwhile, the killer is still out there. Amy had better be fleet on her feet, because death is on her dance card,
