

Boy And The Striped Pajamas Chapter Summaries

Berlin 1942 When Bruno returns home from school one day, he discovers that his belongings are being packed in crates. His father has received a promotion and the family must move from their home to a new house far far away, where there is no one to play with and nothing to do. A tall fence running alongside stretches as far as the eye can see and cuts him off from the strange people he can see in the distance. But Bruno longs to be an explorer and decides that there must be more to this desolate new place than meets the eye. While exploring his new environment, he meets another boy whose life and circumstances are very different to his own, and their meeting results in a friendship that has devastating consequences.

About the Novel: *The Boy in the Striped Pajamas* is a classic story told from the point of view of a young German boy as he befriends a Jewish boy at a concentration camp. Nine-year-old Bruno lives with his family at Auschwitz Concentration Camp. They move there when Bruno's father is promoted to Commandant. While at his new home, Bruno meets and befriends a young boy named Shmuel who lives on the other side of the wire fence that surrounds the camp. One day, Bruno's mother convinces his father to let the family move back to Berlin. Before they leave, Bruno disguises himself and sneaks into the camp to help his friend find his missing father.

A thoughtful and age-appropriate introduction to an unimaginable event—the Holocaust. The Holocaust was a genocide on a scale never before seen, with as many as twelve million people killed in Nazi death camps—six million of them Jews. Gail Herman traces the rise of Hitler and the Nazis, whose rabid anti-Semitism led first to humiliating anti-Jewish laws, then to ghettos all over Eastern Europe, and ultimately to the Final Solution. She presents just enough information for an elementary-school audience in a readable, well-researched book that covers one of the most horrible times in history. This entry in the New York Times best-selling series contains eighty carefully chosen illustrations and sixteen pages of black and white photographs suitable for young readers.

The Terrible Thing That Happened to Barnaby Rooker

The New York Times Best Illustrated Picture Book, now in an oversized trim for added value and fun! The Hueys are small and mischievous, unique compared to the world's other creatures—but hardly unique to one another. You see, each Huey looks the same, thinks the same, and does the same exact things. So you can imagine the chaos when one of them has the idea of knitting a sweater! It seems like a good idea at the time—he is quite proud of it, in fact—but it does make him different from the others. So the rest of the Hueys, in turn, decide that they want to be different too! How? By knitting the exact same sweater, of course! The first in a series of child-friendly concept books by the #1 bestselling artist of *The Day the Crayons Quit*, *How to Catch a Star*, *Stuck*, and *This Moose Belongs to Me*, *The New Sweater* proves that standing apart can be accomplished even when standing together.

Re-creates an infamous serial killer case involving the 1910 Scotland Yard investigation into the murder of Bella Elmore, whose body is discovered in the cellar of her husband and killer Hawley Crippen, a doctor who has fled in disguise along with his mistress on a cruise ship bound for America. Reader's Guide included. Reprint. 30,000 first printing.

A Daring Tale of Wartime Adventure

The Boy in the Striped Pajamas

She was a young German Jew. He was an ardent member of the Hitler Youth. This is the story of their parallel journey through World War II. Helen Waterford and Alfons Heck were born just a few miles from each other in the German Rhineland. But their lives took radically different courses: Helen's to the Auschwitz extermination camp; Alfons to a high rank in the Hitler Youth. While Helen was hiding in Amsterdam, Alfons was a fanatic believer in Hitler's "master race." While she was crammed in a cattle car bound for the death camp Aushchwitz, he was a teenage commander of frontline troops, ready to fight and die for the glory of Hitler and the Fatherland. This book tells both of their stories, side-by-side, in an overwhelming account of the nightmare that was WWII. The riveting stories of these two remarkable people must stand as a powerful lesson to us all.

A tale of acceptance from the bestselling author of The Boy in the Striped Pajamas. Barnaby Brocket is an ordinary eight-year-old boy in most ways, but he was born different in one important way: he floats. Unlike everyone else, Barnaby does not obey the law of gravity. His parents, who have a fear of being noticed, want desperately for Barnaby to be normal, but he can't help who he is. And when the unthinkable happens, Barnaby finds himself on a journey that takes him all over the world. Drifting from Brazil to New York, from Canada to Ireland, and even to space, the floating boy meets all sorts of different people--and discovers who he really is along the way. This whimsical novel will delight middle-graders, while readers of all ages will find themselves questioning what it means to be "normal." Named one of NPR's Best Books of 2017 "Both original and moving—and a whole lot of fun."—CAROLINE LEAVITT, New York Times Book Review "A must-read."—People "Fans of Salinger's stories about Manhattan's elite will enjoy this novel about privileged siblings who grapple with the state of their inheritance and long-held secrets that emerge in the wake of their father's death."—InStyle Six months after Rupert Falkes dies, leaving a grieving widow and five adult sons, an unknown woman sues his estate, claiming she had two sons by him. The Falkes brothers are pitched into turmoil, at once missing their father and feeling betrayed by him. In disconcerting contrast, their mother, Eleanor, is cool and calm, showing preternatural composure. Eleanor and Rupert had made an admirable life together—Eleanor with her sly wit and generosity, Rupert with his ambition and English charm—and they were proud of their handsome, talented sons: Harry, a brash law professor; Will, a savvy Hollywood agent; Sam, an astute doctor and scientific researcher; Jack, a jazz trumpet prodigy; Tom, a public-spirited federal prosecutor. The brothers see their identity and success as inextricably tied to family loyalty—a loyalty they always believed their father shared. Struggling to reclaim their identity, the brothers find Eleanor's sympathy toward the woman and her sons confounding. Widowhood has let her cast off the rigid propriety of her stifling upbringing, and the brothers begin to question whether they knew either of their parents at all. A riveting portrait of a family, told with compassion, insight, and wit, The Heirs wrestles with the tangled nature of inheritance and legacy for one unforgettable, patrician New York family. Moving seamlessly through a constellation of rich, arresting voices, The Heirs is a tale out Edith Wharton for the 21st century.

Stranded in the woods, they might not be as alone as they thought.... Damaged, Deceptive, Dangerous, Darling. When a group of teens wake up in the woods, these words are inked onto their skin. Are they labels? A warning? They must find the truth before a killer finds them. While on a mandatory senior field trip, a flash flood cuts off Sera and three classmates from their group with no way to call for help. But they're not as alone as they thought...

Anita Lobel was barely five years old when World War II began and the Nazis burst into her home in Kraków, Poland. Her life changed forever. She spent her childhood in hiding with her brother and their nanny, moving from countryside to ghetto to convent—where the Nazis finally caught up with them. Since coming to the United States as a teenager, Anita has spent her life making pictures. She has never gone back. She has never looked back. Until now.

The astonishing true story of a girl who survived the Holocaust thanks to Oskar Schindler, of Schindler's List fame. Rena Finder was only eleven when the Nazis forced her and her family -- along with all the other Jewish families -- into the ghetto in Krakow, Poland. Rena worked as a slave laborer with scarcely any food and watched as friends and family were sent away. Then Rena and her mother ended up working for Oskar Schindler, a German businessman who employed Jewish prisoners in his factory and kept them fed and healthy. But Rena's nightmares were not over. She and her mother were deported to the concentration camp Auschwitz. With great cunning, it was Schindler who set out to help them escape. Here in her own words is Rena's gripping story of survival, perseverance, tragedy, and hope. Including pictures from Rena's personal collection and from the time period, this unforgettable memoir introduces young readers to an astounding and necessary piece of history.

The Boy at the Top of the Mountain

One of the best-selling young adult books of all time, written by Pulitzer Prize-winning author Paul Zindel. John Conlan is nicknamed "The Bathroom Bomber" after setting off firecrackers in the boys' bathroom 23 times without ever getting caught. John and his best friend, Lorraine, can never please their parents, and school is a chore. To pass the time, they play pranks on unsuspecting people and it's during one of these pranks that they meet the "Pigman." In spite of themselves, John and Lorraine soon get caught up in Mr. Pignati's zest for life. In fact, they become so involved that they begin to destroy the only corner of the world that has ever mattered to them. Can they stop before it's too late?

Survive. At any cost. 10 concentration camps. 10 different places where you are starved, tortured, and worked mercilessly. It's something no one could imagine surviving. But it is what Yanek Gruener has to face. As a Jewish boy in 1930s Poland, Yanek is at the mercy of the Nazis who have taken over. Everything he has, and everyone he loves, have been snatched brutally from him. And then Yanek himself is

taken prisoner -- his arm tattooed with the words PRISONER B-3087. He is forced from one nightmarish concentration camp to another, as World War II rages all around him. He encounters evil he could have never imagined, but also sees surprising glimpses of hope amid the horror. He just barely escapes death, only to confront it again seconds later. Can Yanek make it through the terror without losing his hope, his will -- and, most of all, his sense of who he really is inside? Based on an astonishing true story.

The powerful, unforgettable new novel from the bestselling author of *The Boy in the Striped Pajamas*, for ages 12+. When Pierrot becomes an orphan, he must leave his home in Paris for a new life with his Aunt Beatrix, a servant in a wealthy household at the top of the German mountains. But this is no ordinary time, for it is 1935 and the Second World War is fast approaching; and this is no ordinary house, for this is the Berghof, the home of Adolf Hitler. Quickly, Pierrot is taken under Hitler's wing, and is thrown into an increasingly dangerous new world: a world of terror, secrets and betrayal, from which he may never be able to escape.

"Bruno doesn't like his new house. He had to leave all his friends behind in Berlin, and there are no children to play with here - until Bruno meets Shmuel, a boy who lives on the other side of the wire fence near Bruno's house, and who wears a strange uniform of striped pyjamas. A stunning anniversary edition of John Boyne's powerful classic bestseller, with illustrations from award-winning artist Oliver Jeffers."

'Gripping and well-honed...consummately constructed, humming with tension... a defence of literature's need to shine a light on the darkest aspects of human nature and it does so with a novelist's skill, precision and power' THE GUARDIAN From the author of the globally bestselling, multi-million-copy classic, *The Boy in the Striped Pyjamas*, comes its astonishing and powerful sequel. 'When is a monster's child culpable? Guilt and complicity are multifaceted. John Boyne is a maestro of historical fiction. You can't prepare yourself for the magnitude and emotional impact of this powerful novel' John Irving 'An incredible feat of storytelling. *All the Broken Places* is a stark confrontation of evil, an examination of guilt and deflection, and an old-fashioned page-turner. John treads the finest of narrative lines with skill and grace and proves himself yet again to be among the world's greatest storytellers.' Donal Ryan Ninety-one-year-old Gretel Fernsby has lived in the same mansion block in London for decades. She leads a comfortable, quiet life, despite her dark and disturbing past. She doesn't talk about her escape from Germany over seventy years before. She doesn't talk about the post-war years in France with her mother. Most of all, she doesn't talk about her father, the commandant of one of the most notorious Nazi concentration camps. Then, a young family moves into the apartment below her. In spite of herself, Gretel can't help but begin a friendship with the little boy, Henry, though his presence brings back memories she would rather forget. One night, she witnesses a violent argument between Henry's mother and his domineering father, one that threatens Gretel's hard-won, self-contained existence. Gretel is faced with a chance to expiate her guilt, grief and remorse and act to save a young boy - for the second time in her life. But to do so, she will be forced to reveal her true identity to the world. Will she make a different choice this time, whatever the cost to herself? *All the Broken Places* is a devastating, beautiful story about a woman who must confront the sins of her past and a present in which it is never too late for bravery.

From the bestselling author of *A Ladder to the Sky*—a darkly funny novel that races like a beating heart—(People)—comes a new novel that plays out across all of human history: a story as precise as it is unlimited. This story starts with a family. For now, it is a father and a mother with two sons, one with his father's violence in his blood, one with his mother's artistry. One leaves. One stays. They will be joined by others whose deeds will determine their fate. It is a beginning. Their stories will intertwine and evolve over the course of two thousand years. They will meet again and again at different times and in different places. From Palestine at the dawn of the first millennium and journeying across fifty countries to a life among the stars in the third, the world will change around them, but their destinies remain the same. It must play out as foretold. From the award-winning author of *The Heart's Invisible Furies* comes *A Traveler at the Gates of Wisdom*, an epic tale of humanity. The story of all of us, stretching across two millennia. Imaginative, unique, heartbreaking, this is John Boyne at his most creative and compelling.

Thomas Buergethal is unique. Liberated from the death camps of Auschwitz at the age of eleven, in adulthood he became a judge at the International Court in The Hague. In his honest and heartfelt memoirs, he tells the story of his extraordinary journey - from the horrors of Nazism to an investigation of modern day genocide. Aged ten Thomas Buergethal arrived at Auschwitz after surviving the Ghetto of Kielce and two labour camps, and was soon separated from his parents. Using his wits and some remarkable strokes of luck, he managed to survive until he was liberated from Sachsenhausen in 1945. After experiencing the turmoil of Europe's post-war years - from the Battle of Berlin, to a Jewish orphanage in Poland - Buergethal went to America in the 1950s at the age of seventeen. He eventually became one of the world's leading experts on international law and human rights. His story of survival and his determination to use law and justice to prevent further genocide is an epic and inspirational journey through twentieth century history. His book is both a special historical document and a great literary achievement, comparable only to Primo Levi's masterpieces.

Having witnessed the deaths of his mother and stepfather in 1758, Matthieu Zela realizes that he has stopped aging, a situation that hundreds of years later culminates in his frustration about his limited prospects for finding love. By the author of *Crippen*. Reprint. 15,000 first printing.
