

## Bpp Ethics And Governance

A Core Study Text for the ACCA Qualification. The examiner-reviewed Study Text provides everything you need to know for P1. It explains the theories behind the key areas of corporate governance and ethics, and demonstrates how the theories translate into practice. The Study Text gives lots of examples of the risks that organisations face. It also shows how businesses are coping with their wider social responsibilities, which the examiner has highlighted as very important.

organization. Lack in sufficient attention on these aspects has shown to result in the collapse of companies, such as Enron and WorldCom. The combination of effective governance and management systems and consideration of ethics during decision making will help to eliminate this threat. This report highlights Mercury's current governance arrangement and associated risks, and evaluates its decisions in the light of governance arrangements and ethics. Mercury's faces potential damages both non-financial and financial because of recent campaigning and publicity by rival newspapers about phone hacking and airbrushed photograph. As a result, the company may be involved in costly legal action, which has already happened against Mirror group, where 20 claimants took legal action against mirror group over phone hacking allegation. Readers have already started to boycott the products of Mercury, which will reduce the company's revenue and eventually do damage to the shareholders' wealth.
