

Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Emergency Care, Twelfth Edition, has set the standard for EMT training for over 30 years. Updated with the latest research and developments in emergency medical services, this edition meets the 2010 American Heart Association guidelines for CPR and ECC, providing all the practical information students need to succeed in the classroom and in the field. Using the National EMS Education Standards as a foundation, this edition goes beyond the Standards to provide the most current, accurate reflection of EMS practice today. Getting students to think like an EMT, the text integrates scientific principles in a way that's easy to understand, and a host of critical thinking features-including a new chapter, "Critical Thinking and Decision Making,"-helps students learn key concepts while getting a dose of the reality of being an EMT. 0133251942 / 9780133251944 Emergency Care Plus NEW MyBradyLab with Pearson eText -- Access Card Package Package consists of 013254380X / 9780132543804 Emergency Care Q 0133055493 / 9780133055498 NEW MyBradyLab with Pearson eText -- Access Card -- for Emergency Care

The AAP's authoritative guide on preventing, recognizing, and treating more than 200 childhood infectious diseases. Developed by the AAP's Committee on Infectious Diseases as well as the expertise of the CDC, the FDA, and hundreds of physician contributors.
