PDF Bright

Futures

happiness, sadness,
Preventive
fulfillment, and anger.

Guidelines
Parenting of young
children today takes
place in the context of
significant ongoing
developments. These
include: a rapidly
growing body of
science on early
childhood, increases
in funding for
programs and
services for families,

Download File PDF Bright

changing
demographics of the
U.S. population, and
greater diversity of
family structure.

Additionally, parenting
is increasingly being
shaped by technology
and increased access
to information about
parenting. Parenting
Matters identifies
parenting knowledge,
attitudes, and

PDF Bright

Futures

practices associated
with positive

developmental

outcomes in children
ages 0-8;

universal/preventive
and targeted

strategies used in a
variety of settings that
have been effective
with parents of young
children and that
support the identified
knowledge, attitudes,

Download File

PDF Bright

Futures

Preventive

Guidelines

and practices; and barriers to and facilitators for parents' use of practices that lead to healthy child outcomes as well as their participation in effective programs and services. This report makes recommendations directed at an array of stakeholders, for promoting the wide-

Download File

PDF Bright

Futures

scale adoption of
effective programs

and services for

parents and on areas

that warrant further

research to inform

policy and practice. It

is meant to serve as a

roadmap for the future

of parenting policy,

research, and practice

in the United States.

Well-Being of
Young Adults
describes what
is meant by the
term young
adulthood, who
young adults
are, what they
are doing, and
what they need.
This study
recommends
actions that

Download File PDF Bright

Futures
Preventive
Guidelines

nonprofit programs and federal, state, and local agencies can take to help young adults make a successful transition from adolescence to adulthood.

According to

Download File

PDF Bright

Futures

Preventive

Guidelines

this report,
young adults
should be

considered as a
separate group
from

adolescents and
older adults.

Investing in
The Health and
Well-Being of
Young Adults
makes the case
