

British Council IELTS Test Papers

This book investigates the issue of cloze-validity as a measure of second language reading comprehension. It starts off by making a distinction between general reading ability and the more specific reading comprehension followed by a thorough review of the related research on L2 reading comprehension and sorting out the confusion in the literature in this categorization. A comprehensive account of cloze procedure is presented discussing its origin, different versions, its use for teaching and testing purposes, as well the latest research on cloze as measures of readability, language proficiency and second language reading. The book includes studies conducted at several stages on validating cloze as a measure of reading and interview and questionnaire techniques are applied to investigate the validity of eight cloze tests, criterion reading tests, and other cloze and reading tests in general. Two new cloze tests, i.e. reader-centered cloze test and phrase cloze test, are also introduced and researched as measures of reading ability. The book concludes with suggestions for developing tests that can better measure reading comprehension in light of recent research insights on the complex and dynamic nature of reading. This book will appeal to researchers, lecturers and graduate and post-graduate students taking a course in Second Language Acquisition, Applied Linguistics, TESOL, Language Assessment, and Educational Measurement.

IELTS Speaking Test Practice - IELTS Speaking Exam Preparation & Language Practice for the Academic Purposes and General Training Modules by IELTS Success Associates contains 16 IELTS practice speaking tests. This book will help you improve your grammar, language skills, vocabulary and fluency for the IELTS speaking test. IELTS Speaking Test Practice is designed for upper-intermediate to advanced learners of English. This study guide is conveniently organised into 8 parts: PART 1: How to improve your speaking test score The study guide begins with an overview of the IELTS speaking test format. It also provides you with tips and techniques to improve your speaking test score. PART 2: Grammar and sentence construction on the speaking exam You will learn what aspects of grammar and what types of sentence construction examiners are looking for in each part of your interview. PART 3: Using conditional sentences on the IELTS speaking tasks There are exercises teaching you how to use conditional sentences in order to get a higher score. PART 4: Sample speaking exam 1 Complete speaking exam with the following sections for each of the three IELTS speaking tasks: Overview of each of the tasks, explaining the format and pointing out what is expected of you Tips for preparing for each of the tasks, with in-depth explanations Sample responses for each task with exercises and explanations PART 5: Useful conversational phrases In the next section of the study guide, we provide useful conversational phrases for you to practise for your speaking test. PART 6: Vocabulary improvement There is also a special section on how to improve your vocabulary for the IELTS speaking text. You will study lists of words for the topics most commonly tested on the IELTS speaking exam. PART 7: Three more complete IELTS speaking practice exams with model responses The book then has teacher’s comments on each task. There are also exercises that ask you to analyse how the vocabulary, grammar and phrases are used in the sample responses. Each of the three speaking practice exams has three tasks each, just like the real IELTS speaking test. There are twelve speaking tasks, and texts for twelve model responses are provided. PART 8: Twelve additional speaking practice tests The twelve additional speaking tests are on these topics: Culture and Cultural Events Education Environment Family and Friends Food and Nutrition Free Time, Hobbies and Leisure Newspapers, Media and Technology Role Models Shopping and Consumerism Television Transport Travel and Tourism See a free sample of this book: For a free sample of this book, please click on the ‘‘Look Inside’’ icon on the top left corner of this page. Cambridge IELTS 10 provides students with an excellent opportunity to familiarise themselves with IELTS and to practise examination techniques using authentic test material prepared by Cambridge English Language Assessment. It contains four complete tests for Academic module candidates, plus extra Reading and Writing modules for General Training module candidates. An introduction to these different modules is included in each book, together with an explanation of the scoring system used by Cambridge English Language Assessment. A comprehensive section of answers and tapescripts makes the material ideal for students working partly or entirely on their own. Discover everything you’ll need to know in order to write well for the IELTS test, whether you are planning to take the Academic or the General Training version. IELTS Writing will help test takers learn several essential skills, including: Task Achievement: follow a three-step model to plan, write, and revise your essays Coherence and Cohesion: practice organizing your writing and connecting ideas Lexical Resource: build your vocabulary and use it correctly Grammatical Range and Accuracy: review rules and practice applying them to your writing Each section leads you step-by-step through the process of writing an essay in response to a particular task. Learn how to apply what you’ve learned to the types of questions you’ll have to respond to on the test and how to complete your responses within the time limits, and more. An Appendix includes a selection of essays written in response to IELTS writing tasks.

This book tells the story of the British Council’s seventy-five year involvement in the field of English language testing. The first section of the book explores the role of the British Council in spreading British influence around the world through the export of British English language examinations and British expertise in language testing. Founded in 1934, the organisation formally entered the world of English language testing with the signing of an agreement with the University of Cambridge Local Examination Syndicate (UCLES) in 1941. This agreement, which was to last until 1993, saw the British Council provide substantial English as a Foreign Language (EFL) expertise and technical and financial assistance to help UCLES develop their suite of English language tests. Perhaps the high points of this phase were the British Council inspired Cambridge Diploma of English Studies introduced in the 1940s and the central role played by the British Council in the conceptualisation and development of the highly innovative English Language Testing Service (ELTS) in the 1970s, the precursor to the present day International English Language Testing System (IELTS). British Council support for the development of indigenous national English language tests around the world over the last thirty years further enhanced the promotion of English and the creation of soft power for Britain. In the early 1990s the focus of the British Council changed from test development to delivery of British examinations through its global network. However, by the early years of the 21st century, the organisation was actively considering a return to test development, a strategy that was realised with the founding of the Assessment Research Group in early 2012. This was followed later that year by the introduction of the Aptis English language testing service; the first major test developed in-house for over thirty years. As well as setting the stage for the re-emergence of professional expertise in language testing within the organisation, these initiatives have resulted in a growing strategic influence for the organisation on assessment in English language education. This influence derives from a commitment to test localisation, the development and provision of flexible, accessible and affordable tests and an efficient delivery, marking and reporting system underpinned by an innovative socio-cognitive approach to language testing. This final period can be seen as a clear return by the British Council to using language testing as a tool for enhancing soft power for Britain: a return to the original raison d’etre of the organisation.

Prepare students for the IELTS exam as well as future academic study. With its focus on academic skills, this updated version of Focus on IELTS equips students for both the IELTS examination, and the tools that they need for academic life.

Dynamics of International Business: Asia-Pacific Business Cases brings the challenges and complexities of the contemporary international business environment into the classroom. These authentic case studies, based on recent research and events, enable students to engage with the economic, social, political and intercultural factors that impact on international business and understand how these factors are addressed in the real world. Designed to facilitate a problem-based learning approach, the cases in this book: • draw on a diverse range of businesses and industries – from seafood to video games to renewable energy • illustrate fundamental themes and concerns within global business, including ethics, sustainability, emerging markets and cultural and legal differences • span many countries across the Asia-Pacific region • include discussion questions that encourage students to apply international business theory in the context of real-world scenarios • include references and suggestions for further reading. Extra resources for instructors, including case synopses and learning objectives, are available on the companion website at www.cambridge.edu/academic/internationalbusiness.

‘‘IELTS Listening Practice Tests: IELTS Self-Study Exam Preparation Book for IELTS for Academic Purposes and General Training Modules’’ contains three complete IELTS practice listening tests. Each practice listening test in this book has four sections, just like the actual IELTS exam, so there are 12 listening passages for you to try. Practice in the same format as the real test: The practice exams have questions of all of the types that you will see on the real IELTS listening test. In other words, the IELTS Listening Practice Tests: IELTS Self-Study Exam Preparation Book has: multiple choice questions form and diagram completion matching questions short answers sentence completion questions Tips to improve your IELTS listening score: The tips at the beginning of the book explain the format of the IELTS listening test and tell you what to expect on your exam day. IELTS Practice Listening Test 1 in the publication is in tutorial mode, so it includes tips and suggestions. Each question on Test 1 gives you strategies to help you answer all of the types of questions on the IELTS listening test. Includes answers and explanations: There is a complete answer key with in-depth explanations for each answer, so you can understand why each answer is the correct one. The explanations give you additional tips to help you improve your test-taking technique. Includes the texts of the recordings: The book also includes the complete scripts for each of the IELTS listening practice tests. You should read and study the scripts after completing each of the practice tests. This will help improve your knowledge of the vocabulary and idiom included on the IELTS exam. See a free sample of this book: For a free sample of this book, please click on the ‘‘Look Inside’’ icon on the top left corner of this page. How to get the CD: For the recordings that accompany this book, you should purchase the audio CD entitled ‘‘IELTS Listening Practice Tests Audio CD’’ by IELTS Success Associates. Questions are presented in different formats but they all share the same goal - to get you adequately prepared for the exam. The types of questions covered in this book include: Identifying Information Multiple choices questions Flow chart completion 100+ questions are included.

To test the limits of our ability to inhabit lives that are not our own, Charles Foster set out to know the ultimate other: the nonhumans. To do that, he chose five animals and lived alongside them, sleeping as they slept, eating what they ate, learning to sense the landscape through the senses they used. In this lyrical, intimate, and completely radical look at the lives of animals, Charles Foster mingles neuroscience and psychology, nature writing and memoir, and ultimately presents an inquiry into the human experience in our world, carried out by exploring the full range of the life around us. IELTS Test Strategy! Winning Multiple Choice Strategies for the International English Language Testing System

Practice in Listening, Reading, Writing and Speaking for the IELTS Test

IELTS is the world’s fastest growing exam for learners of English. IELTS, the International English Language Testing System, is designed to assess the language ability of candidates who need to study or work where English is used as the language of communication. IELTS is jointly managed by the University of Cambridge ESOL Examinations (formerly UCLES), British Council and IDP: IELTS Australia. The test covers the four language skills - listening, reading, writing and speaking. IELTS is recognised by universities and employers in many countries, including Australia, Canada, New Zealand, the UK and increasingly the USA. It is also recognised by professional bodies (such as medical, nursing and defence agencies), immigration authorities and other government agencies. IELTS is not recommended for candidates under the age of 16. This book investigates the ESP claim that tertiary level ESL students should be given reading proficiency tests in their own academic subject areas, and studies the effect of background knowledge on reading comprehension. ‘‘These Practice Materials are intended to give IELTS candidates an idea of what the test is like. They also give candidates the opportunity to test themselves to see whether their English is at the level required to take IELTS. These practice materials are approved by the British Council, Cambridge ESOL and IDP: IELTS Australia’’ --

Intro.

Get Ready for IELTS is the perfect course for students who are preparing to take the Academic version of the IELTS exam. It has been specially designed to help lower-level students to ‘‘get ready’’ for an IELTS preparation course - Get Ready for IELTS provides a firm foundation for lower-level students who are starting out in their IELTS preparation and are working within a band score of 3.5-4.5. The information, advice and practice material will enable students to improve their score and develop the key skills and strategies they need for success in IELTS. The Teacher’s Guide that accompanies the course provides full, detailed support and includes clear and easy-to-follow lesson plans, explanations, and instructions; activities to spot-check understanding of key language points and introduce topics; pointers on typical mistakes students make and notes on how to correct them in a way they will understand; an answer key with model answers for Writing and Speaking exercises; an audio CD with material for Listening and Speaking sections, and model answers for Speaking; and audio scripts.

DVD.

INSTANT NEW YORK TIMES BESTSELLER ‘‘One of the most important books I’ve ever read—an indispensable guide to thinking clearly about the world.’’ -- Bill Gates ‘‘Hans Rosling tells the story of ‘the secret silent miracle of human progress’ as only he can. But Factfulness does much more than that. It also explains why progress is so often secret and silent and teaches readers how to see it clearly.’’ --Melinda Gates ‘‘Factfulness by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases.’’ - Former U.S. President Barack Obama Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world’s population live in poverty; why the world’s population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In Factfulness, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don’t know what we don’t know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn’t mean there aren’t real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, Factfulness is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. --- ‘‘This book is my life-long mission to fight devastating ignorance...Previously I armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn’t enough. But I hope this book will be.’’ Hans Rosling, February 2017.

Contains practice material for the International English Language Test System.

This volume reports research that informs the development of reading and listening assessment in IELTS. This volume brings together a set of eight IELTS-related research studies - four on reading and four on listening - conducted between 2005 and 2010. Findings from these studies provide valuable evidence on the validity, reliability, impact and practicality of the IELTS test; they are also instrumental in highlighting aspects needing attention, and thus directly inform the continuing evolution of the IELTS reading and listening tests. The volume reviews and comments on the specific contribution of each study to the ongoing process of IELTS reading and listening test design and development.
