There is always a charm in typical and allegorical interpretation of Scripture, when undertaken soberly and in accord with the general teaching of the word of God. Scripture itself abounds in illustrations of this method,

while the parables of our Lord show how constantly He made use of it. No apology then need be made for finding the gospel in the Book of Ruth. That which appeals to the heart, too, has a place which must not be overlooked in these days of mental activity and selfishness. Heart history appeals to all who have hearts, and thus this story which is an appeal to the affections throughout has ever had an attraction for the people of God. The following pages contain little or nothing that is new; if they freshly bring to the memory well-

known truths, and induce simpler faith in a well-known Lord, their purpose will have been met. The reader will notice that the dispensational features have been touched upon throughout. It should be remembered that the book is Jewish, and the first application must be to God's earthly people. This, so far from hindering its application to the present time, will be found to give an added charm. One slight correction should be made by the reader. In commenting on Ruth 2:18, the passage was treated as if Ruth after

reaching home ate of what she had gleaned before giving to her mother-in-law. No doubt what is referred to in that verse is what she had left over from the midday meal spoken of in ver. 14 of the same chapter. She ate and was sufficed and left some of what had been given her. Of this she gave to Naomi. The lesson remains the same, but the charge of apparent selfishness is removed by this interpretation which is entirely permissible. The passage will be found in the relevant section in the "Gleanings." These pages are

but "gleanings" in a field whose golden grain is offered to us with a largeness of heart and a freedom of which that of Boaz was but a type. That they may stir to fresh zeal in the searching of Scripture which will be most richly rewarded, is the prayer of the writer. S. Ridout.

Her violent childhood, during which she was beaten on an almost daily basis, transformed her into a desperate and suicidal teenager, and led her to question the faith and culture she had been born into. After starting a new life in London, a shocking turn of events led Ferzanna and her younger sister to be tricked by their family into going into Pakistan, where they were held captive. Inspiring and moving, this astonishing story paints a picture of an amazing woman who broke the cycle of abuse and survived against all the odds.

The woman in Revelation 12 is somewhat of a mystery because the Holy Bible only gives a snippet about the woman, and a lot of folks have their own interpretation, but I have a theory too. I myself never gave the woman too much thought until 2012 because the Book of Revelation is hard to understand. However, God provided me with the tools, clues, and signs that I needed to help

me understand the woman and her struggles.I also believe when folks think about people of the Bible, they don't think about someone in the here and now, only in the past.I too had that same mind frame until God allowed Jesus Christ to open my heart and show me the signs that opened my mind.Here are a few things that were placed in my hands to help me understand. These books called Warning! Revelation Is About To Be Revealed, Understanding the End of Times, and Revelation Explained at Last!! happen to believe that we're living in the times of the Book of Revelation because I just feel it in my spirit; and the way we treat each other, it's very unsettling.I see our world is becoming like a volcano that's getting ready to erupt. I

feel that way because I see the lack of kindness, compassion, and empathy that we humans have for one another, and it's getting worse every day. In Matthew 24:15, it talks about "The Great Tribulation." It states, "Therefore when you see the 'abomination of desolation,'" which means emptiness. That's because our world is dying and it's coming to a close because humanity is dying, and without humanity, there's no life or world. Also, in Revelation 12, it spoke about the woman being persecuted, and it has helped me to understand some strange and hurtful things. That has happened to me by my family and others in my life, so I do believe I'm the woman in Revelation 12. You can believe it or not. 2 Twilight has always been a time that has been of utmost

No wonder the dawn is equally mesmerizing, but I am not at all a morning person and dawn is pretty much a haze for me. So, the twilight. I always wish for it to stretch a minute longer so that I could observe tiny birds returning home and settling into the silhouettes of trees; office-goers and commuters returning to the warmth of their families. Twilight, a predecessor to dusk is a bridge that connects a harsh day to a homely night. How a previously circulating sand tires itself out and settles noiselessly onto the sleeping ground, readying itself for yet another day. That is why the title attempts, in vain, to shelter the

journeys were fraught with danger. To reach the tiny islands, fearless pilots flew unreliable and fragile aircraft outfitted with primitive air navigation equipment. The Dole Derby was an unprecedented 1927 air race in which eight planes set off at once across the Pacific, all eager to reach the islands first and claim a cash prize offered by "Pineapple King" James Dole. Military men, barnstormers, a schoolteacher, a Wall Street bond salesman, a Hollywood stunt flyer and veteran World War aces all encountered every type of hazard during their perilous flights. With so many pilots taking aim at the far-flung islands in so many different types of planes, everyone wondered who would reach Hawaii first, or at all.
