Brothers In Arms Jack Steel

From the bestselling author of Normandy '44 and Sicily '43, a brilliant new history of the last days of the war 'Seldom is war so vividly described...An assault on the senses...Painful to read, impossible to put down' Gerard DeGroot, The Times 'Epic and moving...Holland brings this cramped universe vividly to life' Patrick Bishop, Daily Telegraph _____ It took a certain type of courage to serve in a tank in the Second World War. Encased in steel, surrounded by highly explosive shells, a big and slow-moving target, every crew member was utterly vulnerable to enemy attack from all sides. Living - and dying - in a tank was a brutal way to fight a war. The Sherwood Rangers were one of the great tank regiments. They had learned their trade the hard way, in the burning deserts of North Africa. From D-Day onwards, they were in the thick of the action til the war's end. They and their Sherman tanks covered thousands of miles and endured some of the fiercest fighting in Western Europe. Their engagements stretch from the Normandy beaches to the bridges at Eindhoven. They were the first British unit into Germany, grinding across the Siegfried Line and on into the Nazi heartland. Through compelling eye-witness testimony and James Holland's expert analysis, Brothers In Arms brings to vivid life the final bloody scramble across Europe and gives the most powerful account to date of what it was really like to fight in the dying days of World War Two.
The first in a stunning new historical adventure series, perfect for all fans of Sharpe
'Wonderfully imaginative' Bernard Cornwell, author of The Last Kingdom. British Intelligence maverick James Keane goes undercover in Napoleon's Paris for his most daring espionage mission yet. Perfect for fans of Simon Scarrow and Bernard Cornwell. It's 1812, and one man is on the top of the world. Napoleon Bonaparte has enjoyed victories all over Europe and is rebuilding the glorious city of Paris. Meanwhile, his enemies struggle to keep alive the embers of rebellion that still burn at the city's heart. To aid this noble cause, a few British intelligence officers have been smuggled in, and James Keane is one of them. Keane finds himself at once adrift in a world of gambling houses and derelict cemeteries - of ex-Jacobites, disaffected French royalists, Irishmen and Americans, all of them voicing dissension. If Keane is to succeed, a means must be discovered by which to persuade these miscreants to rise against Napoleon's rule, without alerting the endless spies and informers that surround them. Forging alliances between unlikely collaborators proves especially difficult for Keane, whose honourable nature objects so strongly to this double-dealing. But he must persevere, or else lose the golden opportunity to aid in the defeat of the tyrannical French Emperor once and for all.
Falcon Hunt awakens without a past, or at least not one he can recall. He's got brothers he can't remember, and he's interested in the prettiest woman in the area, Cheyenne. Only trouble is, a few flashes of memory make Falcon wonder if he's already married. He can't imagine abandoning a wife. But his pa did just that--twice. When Falcon claims his inheritance in the West, Cheyenne is cut out of the ranch she was raised on, leaving her bitter and angry. And then Falcon kisses her, adding confusion and attraction to the mix. Soon it's clear someone is gunning for the Hunt brothers. When one of his brothers is shot, Falcon and Cheyenne set out to find who attacked him. They encounter rustled cattle, traitorous cowhands, a missing woman, and outlaws that take all their savvy to overcome. As love grows between these two independent people, Falcon must piece together his past if they're to have any chance at a future.

Blackness in Opera critically examines the intersections of race and music in the multifaceted genre of opera. A diverse cross-section of scholars places well-known operas (Porgy and Bess, Aida, Treemonisha) alongside lesser-known works such as Frederick Delius's Koanga, William Grant Still's Blue Steel, and Clarence Cameron White's Ouanga! to reveal a new historical context for re-imagining race and blackness in opera. The volume brings a wide-ranging, theoretically informed, interdisciplinary approach to questions about how blackness has been represented in these operas, issues surrounding characterization of blacks, interpretation of racialized roles by blacks and whites, controversies over race in the theatre and the use of blackface, and extensions of blackness along the spectrum from grand opera to musical theatre and film. In addition to essays by scholars, the book also features reflections by renowned American tenor George Shirley. Contributors are Naomi André, Melinda Boyd, Gwynne Kuhner Brown, Karen M. Bryan, Melissa J. de Graaf, Christopher R. Gauthier, Jennifer McFarlane-Harris, Gayle Murchison, Guthrie P. Ramsey Jr., Eric Saylor, Sarah Schmalenberger, Ann Sears, George Shirley, and Jonathan O. Wipplinger.
An intrepid band of intelligence officers and warriors, led by Captain James Keane, have been given their toughest job yet by Wellington. Both British and French armies have retreated from the old university city of Coimbra, leaving it in ruins, the inhabitants destitute and the houses full of wounded from all sides. Infiltrating the streets are Spanish guerrillas who may support either side, local Portuguese determined to avenge the horrors inflicted upon their city and rival spies seeking a book of ciphers, hidden in the famous library of Coimbra, guarded by a dissident Jesuit group. James Keane and his men are sent into the midst of this not only to prevent the book falling into enemy hands but also to discover which of the ruthless guerrilla groups are to be trusted and supported by the British. But should they follow Wellington's orders - or follow others in the hunt for Massena's hidden gold?
A stand-out character in an entertainment industry where persona is everything, George "The Animal" Steele shares how he balanced his real life as Jim Myers, a highly respected high school teacher and coach, with the green tongued, hairy backed, turnbuckle eating wrestling icon he was in the ring. The memoir delves into the golden era of wrestling in the 1970s and 1980s and his entry into the World Wrestling Federation where he earned a spot in professional wrestling history despite only speaking in animal-like grunts. In reality, the educated man that overcame his struggles with dyslexia and Crohn's Disease was a father and an inspiration to many of his students and players, and the dichotomous personalities that marked this much-loved man's life are explored in his own words. The book is filled with nostalgic and humorous anecdotes about the whirlwind life of wrestling alongside such notables as Hulk Hogan and Bruno Sammartino, both in and out of the ring.
A serial killer stalks the streets of London in this "top-notch debut thriller"—the first Jack Caffery novel from the acclaimed author of Gone (Kirkus Reviews). In his first case as lead investigator with London's murder squad, Det. Inspector Jack Caffery is called on to investigate the murder of a young woman whose body has been discovered near the Millennium Dome in Greenwich, southeast London. Mutilated beyond recognition, the victim is soon joined by four others discovered in the same area—all female and all ritualistically murdered. And when the postmortem examination reveals a gruesome signature connecting the victims, Caffery realizes exactly what he's dealing with—a dangerous serial killer. A finalist for the Edgar Award, Birdman explores the darkest reaches of the human mind and introduces a fascinating detective to the world of British crime fiction. "Treading the grisly path blazed by Thomas Harris in 1981 with Red Dragon, promising newcomer Hayder crafts a blood-curdlingly creepy debut thriller." —Publishers Weekly, starred review "A deftly plotted assault on the nerves . . . Birdman preys on the reader's expectations expertly, and Hayder handles her story's complicated time scheme with enviable assurance. Graphic, disturbing, splendidly readable." —Kirkus Reviews
Brothers in Arms
Keane's Challenge
An Eric Steele Novel
A gripping historical adventure of war and courage set in Delhi
Rumours Of War
Shake Loose the Border
With their longships storm-blown to the southern coast of Engla-land, Thorgrim Night Wolf and his men find themselves rich with plunder and safely ensconced in a priory called Christchurch. But that cannot last. Thorgrim, in a wolf dream, has seen the enemy armies closing in, and he knows that their peace will soon be at an end. The gods do not go so easy on him and his men. He has learned that through experience and hard use. Nor are the gods the only threat they face. As Nothwulf, brother of the murdered ealdorman of Dorset, and Cynewise, his sister-in-law, fight for rule of the shire, each seeks to make the raiders unwitting pawns in their game, maneuvering toward a final battle that each hopes will spell the end of the other and crush the Norse strangers who have invaded their shores.
The first book in the classic vigilante action series from a "writer who spawned a genre" (The New York Times). Overseas, Mack Bolan was dubbed "Sgt. Mercy" for the compassion he showed the innocent. On the home front, they're calling him the Executioner for what he's doing to the guilty. In the jungles of Southeast Asia, American sniper Mack Bolan honed his skills. After twelve years, with ninety-five confirmed hits, he returns home to Massachusetts. But it's not to reunite with his family, it's to bury them—victims in a mass murder/suicide. Even though Bolan's own father pulled the trigger, he knows the old man was no killer. He was driven to madness by Mafia thugs who have turned his idyllic hometown into a new kind of war zone. Duty calls . . . Introducing an action hero "who would make Jack Reacher think twice," this is the first book in the iconic series of vigilante justice that has become a publishing phenomenon (Empireonline.com). With more than two hundred million Executioner books sold since its debut, the series continues to stimulate. Gerry Conway, cocreator of Marvel Comics' The Punisher, credits the Executioner as "my inspiration . . . that's what gave me the idea for the lone, slightly psychotic avenger." The series is also now in development as a major motion picture. War Against the Mafia is the 1st book in the Executioner series, but you may enjoy reading the series in any order.
THE FIRST NOVEL IN LEE CHILD'S #1 NEW YORK TIMES BESTSELLING JACK REACHER SERIES—NOW AN ORIGINAL SERIES ON PRIME VIDEO! "From its jolting opening scene to its fiery final confrontation, Killing Floor is irresistible."—People Ex-military policeman Jack Reacher is a drifter. He's just passing through Margrave, Georgia, and in less than an hour, he's arrested for murder. Not much of a welcome. All Reacher knows is that he didn't kill anybody. At least not here. Not lately. But he doesn't stand a chance of convincing anyone. Not in Margrave, Georgia. Not a chance in hell.
The war is coming to an end... Now the fighting can really start. The thrilling conclusion to Robert Low's epic and savage Border Reivers Trilogy It is 1548, and the war with the English is winding down. But in the savage heart of the Borders, peace is far from secured. One-armed Batty Coalhouse, bounty hunter, explosives specialist, border wanderer, is doing what he usually does: ripping the enemy apart. But then he's sent on an unusual errand. An old friend has been taken to Berwick, England's northernmost point. Batty needs to get him back. Nothing is ever simple on the Border, and soon Batty is fighting enemies old and new. But in this blood-soaked world, it's not just your enemies you need to worry about... Hold tight for a last, wild ride. An unforgettable novel from a unique historical imagination, Shake Loose The Border will blow you away.

One Legendary Tank Regiment's Bloody War from D-Day to V-E Day
The Engineer

Charismatic hero Jack Steel's perilous adventures are for the first time available in one place.
Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.
Jack Steel Adventure Series Books 1-3: Man of Honour, Rules of War, Brothers in ArmsHarperCollins UK
The Iberian Peninsula, 1809. French troops led by one of Napoleon's best generals are massing on the border. Wellington's outnumbered force and his unreliable Spanish allies need to pick off the smaller French units if they are to stand their ground. For that they need information: accurate intelligence on numbers, arms and whereabouts. That's where Captain Keane and his company of reformed scouting officers are invaluable tools - despite being unpopular with the regular soldiers. But it soon becomes apparent that someone high up in Wellington's headquarters is a spy for the French. Only someone able to travel widely outside the camp, someone privy to battle plans, could be the double agent - and Keane's enemies within the army are quick to point the finger. Keane must defend his crew against their accusers - or root out the traitor himself. Keane's Challenge draws a fascinating picture of a disparate group of men brought together in a Peninsular War adventure that sees maverick hero Keane ride again.

"[These volumes] are endlessly absorbing as an excursion into cultural history and national memory."--Arthur Schlesinger, Jr. "[These volumes] are endlessly absorbing as an excursion into cultural history and national memory."--Arthur Schlesinger, Jr.
"Fast, hard, and effortlessly authentic—both lead character Eric Steele and author Sean Parnell are the real deal."—Lee Child "An exciting, action-packed debut! Bristling with intrigue, deceit, power, and treason—once you pick this book up, you will NOT be able to put it down. Sean Parnell has knocked it out of the park!"—Brad Thor The New York Times bestselling author of Outlaw Platoon makes his fiction debut with this electrifying military thriller—a gripping tale of action, suspense, and international intrigue that introduces a compelling new hero, Eric Steele. Eric Steele is the best of the best—an Alpha—an elite clandestine operative assigned to a US intelligence unit known simply as the "Program." A superbly trained Special Forces soldier who served several tours fighting radical Islamic militants in Afghanistan, Steele now operates under the radar, using a deadly combination of espionage and brute strength to root out his enemies and neutralize them. But when a man from Steele's past attacks a military convoy and steals a nuclear weapon, Steele and his superiors at the White House are blindsided. Moving from Washington, DC, to the Middle East, Europe, and Africa, Steele must use his considerable skills to hunt this rogue agent, a former brother-in-arms who might have been a friend, and find the WMD before it can reach the United States—and the world is forever changed.
"Of great use to anyone interested in the 18th century British Army as well as illustrators and others who need detailed information."—Classic Arms and Militaria Based on records and paintings of the time, this book identifies each cavalry and infantry regiment and illustrates changes in uniforms, their facing colors, and the nature and shape of lace worn by officers, NCOs and private soldiers from 1751 to 1783. Regiments that served in the American War of Independence are noted and the book includes more than 200 full-color plates of uniforms and distinctions. Divided into four sections, it not only details the cavalry and infantry uniforms of the period but also the tartans of the Highland regiments, some of which were short-lived, and the distinction of the Guards regiments. "A superb reference work, full of clearly researched details...it will be of value to family and military historians, re-enactors, figure painters, and wargamers."—FGS Forum
USA Today gave it a 4-star rating, the Houston Chronicle called it "by far the best" and the New York Times says the "Hound takes the lead in a blaze of supplemental lists". Perfect for fans of Patrick O'Brian, Bernard Cornwell and CS Forester, another engrossing Matthew Hervey adventure from the pen of THE SUNDAY TIMES BESTSELLING AUTHOR Allan Mallinson. "Captain Matthew Hervey is as splendid a hero as ever sprang from an author's pen." -- THE TIMES "I enjoyed the adventure immensely...As compelling, vivid and plausible as any war novel I've ever read" -- DAILY TELEGRAPH "With this intelligent but pacy book, Brigadier Mallinson stays well on course to be regarded as the landlubbers' Patrick O'Brian" - SUNDAY TELEGRAPH "Highly enjoyable novel. Great story. Thoroughly recommend for lovers of adventure novels." -- ***** Reader review "An amazing author with an extraordinary knowledge and ability to recreate the famous wars of the late 18 and 19th centuries. A really worthwhile read, as indeed is the whole series" -- ***** Reader review ********** Portugal 1826: Newly returned from India, Matthew Hervey joins a party of officers sent to lend support to the Portuguese regent. But the Peninsula is a place redolent with memories. For it was here as a seventeen-year-old cornet that Hervey had his first taste of military action: the French had forced the British army into humiliating retreat until, under the leadership of Sir John Moore, they made a defiant stand at Corunna. As he prepares for battle once more, Hervey finds himself confronting ghosts from his past... Rumours of War is the six book in Allan Mallinson's Matthew Hervey series. His adventures continue in An Act of Courage. Have you read his previous adventures A Close Run Thing, The Nizam's Daughters, A Regimental Affair, A Call to Arms and The Sabre's Edge?
INSTANT BESTSELLER "Jack Carr and his alter-ego protagonist, James Reece, continue to blow me away." —Mark Greaney, #1 New York Times bestselling author of Mission Critical In acclaimed author Jack Carr's follow-up to The Terminal List, former Navy SEAL James Reece's skill, cunning, and heroism put the US government back in his debt and set him on another path of revenge. When a string of horrific terrorist attacks plagues the Western world during the holiday season, the broader markets fall into a tailspin. The attacks are being coordinated by a shadowy former Iraqi commando who has disappeared into Europe's underground. The United States government has an asset who can turn the Iraqi against his masters: James Reece, the most-wanted domestic terrorist alive. After avenging the deaths of his family and team members, Reece emerges deep in the wilds of Mozambique, protected by the family of his estranged best friend and former SEAL Team member. When a series of events uncovers his whereabouts, the CIA recruits him, using a Presidential pardon for Reece and immunity for the friends who helped him in his mission of vengeance. Now a reluctant tool of the United States government, Reece travels the globe, targeting terrorist leaders, unraveling a geopolitical conspiracy that exposes a traitorous CIA officer, and uncovering a sinister assassination plot with worldwide repercussions. A high-intensity roller-coaster race against time, True Believer is "one of this year's hottest thrillers, and a perfect fit for fans of Vince Flynn, Brad Thor, and Daniel Silva" (The Real Book Spy).
Jack Lark, once the Scarlet Thief, is back in The Lone Warrior by Paul Fraser Collard - and he's about to march right into the bubbling centre of the Indian Mutiny. This series is perfect for fans of Conn Iggulden and Bernard Cornwell and 'evokes the horror of that era with great brio. Enthralling' (The Times) Bombay, 1857. India is simmering with discontent, and Jack Lark, honourably discharged from the British Army, aims to take the first ship back to England. But before he leaves, he cannot resist the adventure of helping a young woman escape imprisonment in a gaming house. He promises to escort Aamira home, but they arrive in Delhi just as the Indian Mutiny explodes. As both sides commit horrific slaughter and the siege of Delhi begins, Jack realises that despite the danger he cannot stand by and watch. At heart, he is still a soldier... The Lone Warrior is a scintillating tale of battle and courage from the author of The Scarlet Thief. Praise for Paul Fraser Collard: 'I love a writer who wears his history lightly enough for the story he's telling to blaze across the pages like this. Jack Lark is an unforgettable new hero' Anthony Riches 'Sharpe fans will be delighted to welcome a swashbuckling new hero to follow... Marvellous fun' Peterborough Telegraph 'A confident, rich and exciting novel that gave me all the ingredients I would want for a historical adventure of the highest order' For Winter Nights 'It felt accurate, it felt real, it felt alive... The battles had me hooked, riveted to the page, there were times when I was almost as breathless as the exhausted soldiers' Parmenion Books
From the best-selling and award winning Dear Canada series comes the second Dear Canada Collector's Set, featuring CLA award nominee Brothers Far From Home by Jean Little and Whispers of War by Kit Pearson, in a handsome slipcase. In Whispers of War, young Susanna Merritt and her mother struggle to keep the family farm going while her brother and father fight in the War of 1812. And in Brothers Far From Home, Eliza Bates hopes and prays that her beloved older brother, reported as missing after the WWII battle of Vimy Ridge, will return home safely.

By Tank to Germany

Charismatic hero Jack Steel returns, in a new and perilous adventure.
From the bestselling author of Normandy '44 and Sicily '43 comes the untold story of the Sherwood Rangers It took a certain type of courage to serve in a tank in World War Two. Encased in steel, surrounded by highly explosive shells, a big and slow-moving target, every crew member was utterly vulnerable to enemy attack from all sides. Living - and dying - in a tank was a brutal way to fight a war. The Sherwood Rangers were one of the great tank regiments. They had learned their trade the hard way, under the burning sun of North Africa, on the battlefields of El Alamein and Alam el Halfa. By the time they landed on Gold Beach on D-Day, they were toughened by experience and ready for combat. From that moment on, the Sherwood Rangers were in the thick of the action til the war's end. They and their Sherman tanks covered thousands of miles and endured some of the fiercest fighting in Western Europe. The first British unit to cross into Germany, their engagements stretch from the Normandy beaches, to the bridges at Eindhoven, and the grinding crossing of the Siegfried Line and on into the Nazi heartland. Through compelling eye-witness testimony and James Holland's expert analysis of the war in the West, Brothers In Arms brings to vivid life the final bloody scramble across Europe and gives the most powerful account to date of what it was really like to fight in the dying days of World War Two.
Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the importance her family attributes to having land of their own.
The renowned historian and author of Normandy '44 recounts the operations and personal experiences of the legendary Sherwood Rangers during WWII. One of the last cavalry units to ride horses into battle, the Sherwood Rangers were transformed into a "mechanized cavalry" of tanks in 1942. After winning acclaim in the North African campaign, they spearheaded one of the D-Day landings in Normandy and became the first British troops to cross into Germany. Their courage, skill and tenacity contributed mightily to the surrender of Germany in 1945. Inspired by Stephen Ambrose's Band of Brothers, historian James Holland profiles this extraordinary group of citizen soldiers. Informed by never-before-seen documents, letters, photographs, and other artifacts from Sherwood Rangers' families, Holland offers a uniquely intimate portrait of the war at ground level. Brothers in Arms introduces heroes such as Commanding Officer Stanley Christopherson, squadron commander John Semken, Sergeant George Dring, and others who helped their regiment earn the most battle honors of any in British army history. Weaving their exploits into the larger narrative of D-Day to V-E Day, Holland offers fresh analysis and perspective on the endgame of WWII in Europe.

Enjoy heart-meltingly beautiful and toe-curlingly sexy romance in Tempted by Love, an emotionally riveting story about a man who has lost it all and carries a torturous secret, a divorced single mother who has everything to lose, and the little girl who helps them heal. Fall in love on the sandy shores of Silver Island, home to coffee shops, boat races, midnight rendezvous, and the sexy, sharp-witted Steeles.In USA Today bestseller TEMPTED BY LOVE?Years ago, bestselling author Jack "Jock" Steele lost his girlfriend and baby in a horrific accident that drove a wedge between Jock and his family, keeping him from sharing a devastating secret. An aging philanthropist saved him from the brink of despair, and for a decade Jock cared for his ailing friend who became his family. Now his friend has passed away and left him a fortune-on the condition that he publishes another book. Jock is floundering, unsure how to rebuild the life he'd walked away from, much less find his muse, another relationship with a woman, or even think about having a family of his own. But he can't get his sweet, sexy new friend, single-mother Daphne Zablonski out of his head, and her adorable toddler must know something he doesn't, because she wraps her tiny fingers around his heart and won't let go.Daphne has been through the wringer with her ex-husband and doesn't believe true love is in the cards for her. Friends she can handle, but letting a man see her mom bod naked? Especially someone as strikingly handsome and unbelievably sexy as Jock? No, thank you. Besides, she has a toddler to chase after and enough fictional boyfriends to fill her lonely nights. If only her book boyfriends could make her body tingle the way one look from her mysterious neighbor does.As Jock and Daphne's friendship turns to something too tempting to deny, their lives take an unexpected turn. Can a man who has lost everything find redemption with a woman who has everything to lose? And then there's that secret?
A remarkable debut novel, 'Four Days in June' is an imaginative but accurate reconstruction of five men – all real figures – five points of view, and four days of one of the world's most famous battles.
Jack Steel, first met in Man of Honour, is a splendid hero on a new and dangerous mission. Perfect for all fans of Bernard Cornwell's Sharpe.
"Kids like me didn't go to Vietnam," writes Jack McLean in his compulsively readable memoir. Raised in suburban New Jersey, he attended the Phillips Academy in Andover, MA, but decided to put college on hold. After graduation in the spring of 1966, faced with the mandatory military draft, he enlisted in the United States Marine Corps for a two-year stint. "Vietnam at the time was a country, and not yet a war," he writes. It didn't remain that way for long. A year later, after boot camp at Parris Island, South Carolina, and stateside duty in Barstow, California, the Vietnam War was reaching its peak. McLean, like most available Marines, was retrained at Camp Pendleton, California, and sent to Vietnam as a grunt to serve in an infantry company in the northernmost reaches of South Vietnam. McLean's story climaxes with the horrific three-day Battle for Landing Zone Loon in June, 1968. Fought on a remote hill in the northwestern corner of South Vietnam, McLean bore witness to the horror of war and was forever changed. He returned home six weeks later to a country largely ambivalent to his service. Written with honesty and insight, Loon is a powerful coming-of-age portrait of a boy who bears witness to some of the most tumultuous events in our history, both in Vietnam and back home.
