Ivor Novello (born David Ivor Davies) was a Welsh composer, singer and actor who became one of the most popular British entertainers of the early 20th century. He first became well known through the song *Keep the Home Fires Burning* which he composed during World War I. After the war, he began a film career, and also appeared on stage in the West End, in musical shows of his own devising, most notably *The Dancing Years*. Novello starred in two early Hitchcock films before

Over the past seven years, Bruce Springsteen has privately devoted himself to writing the story of his life, bringing to these pages the same honesty, humor, and originality found in his songs. He describes growing up Catholic in Freehold, New Jersey, amid the poetry, danger, and darkness that fueled his imagination, leading up to the moment he refers to as The Big

Bang: seeing Elvis Presley's debut on The Ed Sullivan Show. He vividly recounts his relentless drive to become a musician, his early days as a bar band king in Asbury Park, and the rise of the E Street Band. With disarming candor, he also tells for the first time the story of the personal struggles that inspired his best work. Born to Run will be revelatory for anyone who has ever enjoyed Bruce Springsteen, but this book is much more than a legendary rock star's memoir. This is a book for workers and dreamers, parents and children, lovers and loners, artists, freaks, or anyone who has ever wanted to be baptized in the holy river of rock and roll. Rarely has a

performer told his own story with such force and sweep. Like many of his songs ("Thunder Road," "Badlands." "Darkness on the edge of Town." "The River" "Born in the U.S.A." "The Rising," " and "The Ghost of Tom Joad," to name just a few). Bruce Springsteen s autobiography is written with the lyricism of a singular songwriter and the wisdom of a man who has thought deeply about his experiences.

stunningly produced expansion of their groundbreaking Higher Ground podcast, featuring more than 350 photographs, exclusive bonus content, and never-before-seen archival material. Renegades: Born in the USA is a candid, revealing, and entertaining dialogue between President Barack Obama and legendary musician Bruce Springsteen that explores everything from their origin stories and career-defining moments to our country's polarized politics and the growing distance between the American Dream and the American reality. Filled with full-color photographs and rare archival material, it is a compelling and beautifully illustrated portrait of two

outsiders—one Black and one white—looking for a way to connect their unconventional searches for meaning, identity, and community with the American story itself. It includes:

- Original introductions by President Obama and Bruce Springsteen
- Exclusive new material from the Renegades podcast recording sessions
- Obama's never-before-seen annotated speeches, including his "Remarks at the 50th Anniversary of the Selma to Montgomery Marches"
- Springsteen's handwritten lyrics for songs spanning his 50-year-long career
- Rare and exclusive photographs from the authors' personal archives
- Historical photographs and documents that

provide rich visual context for their conversation. In a recording studio stocked with dozens of guitars, and on at least one Corvette ride, Obama and Springsteen discuss marriage and fatherhood, race and masculinity, the lure of the open road and the call back to home. They also compare notes on their favorite protest songs, the most inspiring American heroes of all time, and more. Along the way, they reveal their passion for—and the occasional toll of—telling a bigger, truer story about America throughout their careers, and explore how our fractured country might begin to find its way back toward unity and global leadership.

A vibrant biography of one of the greatest rock 'n' rollers, the America that made him, and the America he made. This smart, incisive biography traces Bruce Springsteen's evolution from a young artist who wasn't sure what he wanted to say to an acclaimed musician with a distinctive vision for a better society. Brilliantly analyzing and evoking Springsteen's output, Marc Dolan unveils the pulsing heart of his music: its deep personal,

political, and cultural resonances, which enabled Springsteen to reflect on his experiences as well as the world around him. The book is now updated with a new chapter on The Promise, Wrecking Ball, and the 2012 tour.

** Bruce Springsteen, legendary rock 'n' roll star, live on stage!* Photos by Janet Macoska, whose work has appeared in Rolling Stone, Creem, Mojo, NY Times and at The Rock and Roll Hall of Fame* Springsteen and the E Street Band in glorious black and white and color photos, including iconic, rare, unseen and contact sheets* Photographs cover multiple performances over five decadesFive decades of blue-jeans, down-to-earth rock 'n' roll. commentary, global tours and even a Broadway show. Bruce Springsteen hasn't just left an impact on the surface of modern music, he helped shape its foundations. From the early beginnings in 1974 to the seminal Born in the USA - one of the best-selling albums of all time - to the 2016 River Tour, the highest grossing tour of the year, Springsteen has a truly timeless appeal, captured here by lauded rock photographer, Janet Macoska. Macoska charts Springsteen through the ages. Through her lens we witness his enduring energy on the stage, from 1974 to 2016. Here is Springsteen at his finest: a down-to-earth superstar, whose powerful performances stand the test of time. "Bruce would rip his heart out and

give it to his audience. He put everything into his performance. He was all over the stage, and the whole rest of the band was in lockstep, complimenting that energy. It was going out to the audience in bundles. We were sending it back , too, and that's really electric. That energy, those visuals? Photographers love that. It's perfect to have something like that to photograph." - Janet Macoska

This all-inclusive volume contains 76 songs from his first seven albums plus 17 more titles written or co-written by Bruce Springsteen, in "facebook style" that includes many transcribed parts and chord frames for guitar plus all the vocal parts with complete lyrics. There are also six pages of full-color photos.
