undergraduate (B. Sc.
First year) students. It
is based on UGC model
curriculum and as per
revised syllabus of Dr.
Babasaheb Ambedkar
Marathwada University,
Aurangabad (w.e.f. June*

2013). Present book covers the syllabus of Organic chemistry and Inorganic chemistry papers prescribed for first semester followed by Physical and Inorganic chemistry papers of second semester. The prime objective behind writing this book is to facilitate our dear students for grasping better knowledge of chemistry in an easy, lucid and understandable language. Each topic in the text is provided

with point-wise description and elaborated figures. Furthermore, separate Question Bank comprising of long answer questions which are frequently asked in the university examinations with lot of multiple choice questions have been provided at the end of each chapter which will help students to face successfully not only the university examinations but also competitive exams like GATE, SET, NET/JRF, IIT,
