units of the syllabus. Students of BTEC First ICT programmes will find this text essential reading for the duration of their study - all the core material they will be following throughout their course is included in this book. Each chapter includes numerous illustrations, learning outcome summaries, definitions, learner activities, test your knowledge quiz questions and exercises. The result is a clear, straightforward and easily

accessible text, which encourages independent study and acts as a reference to various topics within the qualification. The choice of specialist units reflects the breadth of Information and Communication Technology, rather than focusing on specific computing areas such as hardware and programming, and puts the emphasis on practical rather than academic units. It provides students with an excellent portfolio of

The guide is an essential resource for trainee teachers working towards the Teachers' Standards for qualified teacher status (QTS). It also helps newly qualified teachers (NQTs) and more experienced teachers have an 'understanding of, and always act within, the statutory frameworks which set out their professional duties and responsibilities' Teachers' Standards. Higher Level Teaching Assistants
