Raising Young Kids in the City (A Rodale Trade Paperback Original; Publication Date: September 1, 2004; Price: \$17.95) by Kathy Bishop and Julia Whitehead is a practical advice book, reference guide, and survival manual all rolled

Download Ebook Bugaboo Frog User Guide

into one. Written with insight and humor by two New York City mothers, it provides invaluable information from a slew of experts across the country as well as insider tips that can come only from those who have been there. Geared to

Download Ebook Bugaboo Frog User Guide

people just considering raising kids in a city as well as to parents who already shiver with night sweats over how to get in to that great city school or whether they will be evicted because their tots are being, well tots, it provides the city spin on a plethora

Download Ebook Bugaboo Frog User Guide

of child-rearing topics. Starting with finding the right neighborhood for raising little ones, authors Bishop and Whitehead walk readers through virtually every imaginable aspect of child rearing in urban areas. Part One deals with the

Download Ebook Bugaboo Frog User Guide

all-important basics: the fundamentals of family apartment living; staying sane in small spaces; handling those urban health hazards and safety issues; and the nuances of city childcare. Part Two takes the reader out and about,

Download Ebook Bugaboo Frog User Guide

providing a primer on playgrounds; ways to help kids connect with nature and fitness when open spaces are in short supply (of course, it includes a list of the best city pets); tactics on getting around with kids in tow-from strollers to breastfeeding-on-

Download Ebook Bugaboo Frog User Guide

have on even the youngest children, giving advice on how to turn the potential negatives of city exposure - jadedness, rudeness, intolerance - into the character-forming experiences you always hoped to offer your child.

Download Ebook Bugaboo Frog User Guide

Part three focuses on education, providing ground rules valuable to any parent dealing with the urban education conundrum, a solid digest of the basics of private and public city systems and actions the smart city parent should take to

Download Ebook Bugaboo Frog User Guide

obtain a great education for their child. Throughout THE CITY PARENT HANDBOOK are helpful "City Savvy Tips," "City Parent Rules," "Urban A-Lists," and "City Wise Warnings," which deliver constructive, real-life suggestions and information

including: "The four rules for choosing the best city neighborhood for your family" Ten must-haves for making the most of storage in cramped quarters" How and why you must talk the ER talk with your pediatrician" Why urban lead is more of a problem
