

Online Library Build Real Wealth Practical

Build Real Wealth Practical

In good times and in bad times, you can Build Real Wealth! Build Real Wealth brings a fresh perspective to the subject of financial prosperity. Real money is not paper—it is value, something you cannot see with your eyes. There is a much deeper dimension to money than the hundred dollar bill. Pastor and author Sam Adeyemi has successfully applied the insights in Build Real Wealth with outstanding results in his

Online Library Build Real Wealth Practical

life and ministry. He has taught them to hundreds of audiences with exciting transformations in the finances of thousands of people. Now it is your turn for God to take you into higher dimensions in your finances as the blessing of Abraham becomes your tangible reality.

Want to become rich(er)? A veteran financial journalist reveals lessons learned while covering Wall Street's top portfolio managers and executives. This book tells readers how to "c"

and the temple, in a book that attempts to bring integrity, creativity and a caring heart into the world of business.

10TH ANNIVERSARY EDITION

Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used

Online Library Build Real Wealth Practical

car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly

Online Library Build Real Wealth Practical

trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of

Online Library Build Real Wealth Practical

HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of

Online Library Build Real Wealth Practical

elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to

Online Library Build Real Wealth Practical

you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an

Online Library Build Real Wealth Practical

alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

This life-changing book goes far beyond simple "money magic." This is a tome of true financial sorcery that will show you how to ensure success no matter what

Online Library Build Real Wealth Practical

life throws at you. Financial Sorcery will give you the step-by-step instructions on how to improve your fiscal situation. You will learn how to: Stop using magic to fix emergency problems and start using it to build your dream life. Use times of economic uncertainty to create new opportunities rather than cause problems. Work joyfully with money as part of your spiritual discipline rather than as a necessary evil.

Online Library Build Real Wealth Practical

Make offerings to help increase the flow of prosperity around you. Ditch old concepts and retrain your mind to make money in today's world. Use the interplay of macro- and micro-enchantment to find jobs and get promoted. Deploy strategic sorcery to kill your debt. Create secondary income streams that will ensure continued revenue. What makes you wealthy? Are you, like most people, thinking: 'Money'? If so, get

Online Library Build Real Wealth Practical

Download the Bundle right now and discover the power of your own personal financial freedom. It's your life. Choose to make it amazing! Take control of your investment decisions The investment industry is in a state of inertia. Recent events highlight an overreliance on mathematical foundations and flawed investment models. Investors need to find new paths to effective wealth creation. The Empowered Investor provides a proven framework for wealth creation. Built around 7 key principles and practical real-world examples, the book provides insight into the limitations of traditional investment concepts, and illustrates how investors can take control of their investments. Instead of relying on often flawed financial advice, investors need to develop their own investment

Online Library Build Real Wealth Practical

approach, drawing on their unique skill sets and experiences. This book:

- Presents a practical strategy for wealth creation, based on practical experience and sound theoretical foundation;
- Provides real world cases and excerpts from interviews with highly successful investors;
- Demonstrates how investors can build on their core strengths, exploit opportunities and differentiate their investments;
- Illustrates how to protect a portfolio from threats and risks

This book will help you:

- Build on your core strengths;
- Identify and make the most of new opportunities;
- Cultivate quality networks;
- Differentiate your investments;
- Protect yourself against threats and risks;
- Understand and manage the time dimension;
- Execute with efficiency.

Written in a practical and straightforward manner, The

The go-to guide for smart REIT investing The Intelligent REIT Investor is the definitive guide to real estate investment trusts, providing a clear, concise resource for individual investors, financial planners, and analysts—anyone who prioritizes dividend income and risk management as major components to wealth-building. Later this year, the REIT industry will experience a watershed event when Standard & Poors creates a new Global Industry Classification Standard (GICS) sector called Real Estate. On September 1st, publicly traded equity REITs will be removed from

Online Library Build Real Wealth Practical

Financials, where they have been classified since their creation in 1960, and begin trading as their own S&P Sector. This separation from banks and financial institutions already is attracting new investors, but REITs require an industry-specific knowledge that is neither intuitive or readily accessible to newcomers—until now. Using straightforward language and simple example to illustrate important concepts, this book will enable any reader to quickly learn and understand the lexicon and valuation techniques used in REIT investing, providing a wealth of practical resources that streamline the learning process. The discussion explains terminology, metrics, and other key points, while examples illustrate the

Online Library Build Real Wealth Practical

calculations used to evaluate opportunities. A comprehensive list of publicly-traded REITs provides key reference, giving you access to an important resource most investors and stockbrokers lack. REITs are companies that own or finance commercial rental properties, such as malls and apartment buildings. Despite historically high total returns relative to other investments, such as the Nasdaq or S&P 500 index, most investors are unfamiliar with the REIT industry, and wary of investing without adequate background. This book gets you up to speed on the essentials of REIT investing so you can make more informed—and profitable—decisions. Understand REITs processes, mechanisms, and industry

Online Library Build Real Wealth Practical

Calculate key metrics to identify suitable companies
Access historical performance tables and industry-specific terminology
Identify publicly-traded REITs quickly and easily
REITs have consistently outperformed many more widely known investments. Over the past 15-year period, for example, REITs returned an average of 11% per year, better than all other asset classes. Since 2009, REITs have enjoyed positive returns; large cap stocks and cash are the only other classes that paralleled that record. Even in 2015, a 'year of fear' related to rising rates, REITs returned 2.4%, beating most all other asset classes. REITs have a long history (over fifty years) of performance, and are about to enter the big leagues. If you feel like

Online Library Build Real Wealth Practical

you've been missing out, don't keep missing out. Prepare yourself, and your portfolio, to benefit from the demand for REITs that will follow the creation of a Real Estate GICS sector. The Intelligent REIT Investor gives you the information you need to invest wisely and manage your real estate risk effectively. By maintaining a tactical exposure in the brick and mortar asset class, investors should benefit from the information contained in The Intelligent REIT Investor. Join the REIT world and look forward to owning stocks that will help you to sleep well at night.

***I have called this book The Real
Wealth of Nations because it shows
that our most important economic
assets are not financial - that the
real wealth of nations consists of
the contributions of people and our
natural environment....To address
the needs of our world today, we
have to bring together knowledge
from many areas. I therefore draw
from many fields in addition to
economics, including advances in
both the social and natural
sciences. I also propose practical***

Online Library Build Real Wealth Practical

steps for moving both economic and social systems in a positive direction....I have written this book to invite discussion and action. It is a book for everyone who wants a better life and a better world, and is looking for practical tools to realize these goals. I am confident that together we can build a new economic system that promotes creativity and generosity rather than greed and destructiveness. Indeed, I am convinced that this is the only viable option at this critical juncture in our cultural and planetary evolution. ----Riane Eisler Smart Mom, Rich Mom explores how women today are navigating the financially challenging career/parenting years. Written by a national money columnist and mom of two, the book chronicles people

Online Library Build Real Wealth Practical

who have stayed in the game-full-time, freelance, self-employed, and more-and emerged more prosperous and empowered.

"I have known Michael for over twenty years. He has one of the smartest business minds I know. When he gives me advice, I pay attention, and you should, too. Automatic Wealth is full of wisdom and insight filtered by a master and brought to you in a well-written and delightful style." -John Mauldin, Editor of the bestselling book, Just One Thing: Twelve of the World's Best Investors Reveal the One Strategy You Can't Overlook "I am not usually a fan of this kind of book. One entitled Automatic Wealth made me suspicious. But I am a fan of Michael Masterson, and when I read the book, I was

Online Library Build Real Wealth Practical

impressed. Masterson manages to go beyond the theory to tell you exactly how real people make real money in the real world. That, I think, is his genius. He's able to open his own eyes and see for himself what actually works. The result is original, clever, and very helpful to anyone who is serious about building wealth." -Bill Bonner, coauthor of Empire of Debt: The Rise of an Epic Financial Crisis "Michael Masterson has been a great friend of mine for over twenty years. I know for a fact that the strategy he teaches is the exact same strategy he has personally used to amass extraordinary wealth and prosperity for himself. He's reduced a normally daunting process down to six simple and unfailing steps YOU can absolutely

Online Library Build Real Wealth Practical

use to vastly and rapidly increase your financial situation, often times doubling and redoubling your wealth every few years. This book will become your financial bible."

-Jay Abraham, author of Getting Everything You Can Out of All You've Got: 21 Ways You Can Out-Think, Out-Perform, and Out-Earn the Competition "Michael Masterson's book is brilliant and concise, packed with breakthrough insights and unique wealth-building tips. Best of all, it's practical because it combines proven investment and financial planning advice with street-smart business and real estate secrets." -Robert Ringer, author of Action!, Looking Out for #1, and To Be or Not to Be Intimidated?

Start building your fortune with the

Young Adults***

You Don't Need to Make Millions to Get Rich. Believe Me. This comprehensive 8-step guide provides the blueprint to achieve financial freedom at a young age, regardless of income. No B.S., just answers. In Get Rich Action Plan, you will learn the lifelong habits to

Online Library Build Real Wealth Practical

become financially independent sooner than you thought possible. Do we really need another personal finance book? YES. The outdated status quo advice of "Save 10% for 40+ years" simply doesn't work. It's time to rethink the conventional wisdom that only serves to continue the vicious cycle of wage slavery and the "live to work" mentality. In an age of globalization and abundance, I'm here to tell you there is another way! It is time to change how we think about personal finance, budgeting, and investing. The 8 steps in this book each work in unison to

Online Library Build Real Wealth Practical

create a rapid snowball effect that will make your money work for you immediately, so you can afford time off of work or even retire in your 30's. From saving money to investing to growing your income, all of the specifics are covered in this action plan. Get Started on the Right Foot and Change How You Think About Finances I have never made much money by Western standards. In fact, I have never made more than a middle class income. But by employing these strategies, I was able to increase my net worth dramatically at a very young age. It took only 6 years of full-time employment

Online Library Build Real Wealth Practical

to build an "FU money" fund of hundreds of thousands of dollars, providing me the freedom to travel and take time off of work to pursue other interests. I was able to do this by quickly taking action and ignoring conventional advice. After years of trial and error, I have developed a strategy and philosophy that simply works. And I want to share with you everything I have done to build this large nest egg. I have nothing to hide. The truth is that the path to wealth is not complicated, and you do not need to make millions to get there. More and more of us are

Online Library Build Real Wealth Practical

realizing that financial freedom is possible in 10 years or less. But the media will never tell you this. Your politicians will never tell you this. They want you to live to work instead of work to live. Now is the time to flip the script and live free! The Time To Take Action Was Yesterday. The Next Best Time is Now. Whether you are in your 20's and looking for sound advice to get started, or you're later in your career and haven't really thought about financial freedom, it's not too late to start! Once you put these systems in place, financial independence will no longer be a lifelong battle. Ditch the

Being an investor is one of the greatest ways to make the world

Online Library Build Real Wealth Practical

a better place. What Tomie has done with her experience in setting up and running various investment clubs is to provide a ready-to-use guide for those who want to put the money to work. I believe following the guidelines she has laid out here will help you build a worthwhile investment club.- Tomi Davies, Founding President of the African Business Angel Network (ABAN)If you're tired of reading and hearing the same thing over and over again about simply saving and investing your money to build wealth, this book is for you. This book is a practical easy-to-read guide on

Online Library Build Real Wealth Practical

how to join forces with like minded people to create real wealth. It provides a step by step guide on how to succeed with investment clubs today. You'll also find real life stories about people who created partnerships to invest in real assets and, as a result, generated additional income for themselves. If you are a beginner investor looking to enhance your knowledge of investment clubs and start your investing journey, this book is for you! If you're a seasoned investor looking to make bigger money moves and spread your risks, this book is for you as well!

Online Library Build Real Wealth Practical

What makes you wealthy? Are you, like most people, thinking: 'Money'? If so, get ready to turn that idea on its head - it's time to realize that wealth comes first. This book will transform your attitudes towards wealth and money and show you how to achieve financial freedom and lasting prosperity. In the midst of the worst financial crisis in decades, we need all the help we can get, and one of the greatest gifts you can give yourself is a financial education. People who know about finance are using it to their advantage, right now. Wealth is flowing fast towards the financially

Online Library Build Real Wealth Practical

informed. Governments and banks are exerting control and the middle class is being financially squeezed more than ever. It's time to open our eyes and get smart about wealth. Do you really understand the roots of the current financial crisis? More importantly, do you know what to do to preserve and grow your wealth? The Financial Advisor to Building Wealth is the book you need. • Packed with practical advice for wealth creation • Action-focused and motivating • Structured into bite-sized articles for effective learning • Clear and jargon-free Entrepreneur, financial

Online Library Build Real Wealth Practical

advisor and personal development coach Thomas Herold has put together a set of profound insights and action-focused learning resources, which will transform your attitude to wealth and help you create abundance in your life. Herold, author of three previous books with 200,000 copies published worldwide, sets out simply and clearly how our financial system works, and how you can use it to your advantage. Change The Way You Think About Wealth What really makes us prosperous? Can you imagine a life where wealth doesn't simply equal the

Online Library Build Real Wealth Practical

balance of your bank account?
Changing your financial mindset opens up new, exciting ways to become wealthy. You'll learn: • How to recognize hidden factors that influence your financial decisions • Why going against traditional financial wisdom is the best choice right now • The real difference between money and wealth • How to build habits for lasting financial success One of the most precious gifts you can give yourself these days is a financial education. Once you know why the current crisis is happening, you can do what you need to protect and grow your wealth.

Online Library Build Real Wealth Practical

The Financial Advisor gives you invaluable, practical advice on how to think about wealth, and how to create wealth for yourself. Transform Your Attitudes And Your Actions It's time to think differently and the Financial Advisor is a perfect guide through the complexities of modern finance. You'll be surprised and delighted at the insights you'll encounter. This book will confirm what many have felt for a long time: the accepted wisdom of 'how to get rich' is just not working for most people. You'll discover:

- What is really going on in the economy and markets
- What

Online Library Build Real Wealth Practical

caused the current crisis and where it's going to lead • Where the few safe havens for your wealth lies • How you can still make money in a hugely volatile market The Financial Advisor it a resource you will dip into over and over. You'll find information on useful blogs and websites, apps for iPhone and iPad, workshops and other learning resources, to continue your valuable financial education. This edition of the Financial Advisor is based on the publications of the successful Online Wealth Building Course from the second quarter of 2011. Herold has put together

Online Library Build Real Wealth Practical

action-focused resources, based on:

- Understanding what's happening to you and your money
- Changing what's not working based on new money rules
- Shifting your mindset from money to wealth

Securing your retirement funds

Up to date, relevant and practical, the Financial Advisor is an ideal primer for building real, sustainable wealth.

How to Create Real Wealth is every woman's guide to investing in things money can't buy. It's a practical and spiritual guide that will inspire a new perspective on your view of wealth, while encouraging you

Online Library Build Real Wealth Practical

to focus on personal and spiritual development. Wealth is a by-product of these. In an easy, conversational style, Shamarion Whitaker shares empowering wisdom that will give you a vision for the things in life that are important, and motivate you to set your sights on things that bring purpose and meaning to life.

A Practical Approach to Building
Wealth

The Financial Advisor to
Building Wealth - Winter 2010
Edition

The gap between the rich and the middle class is growing at a faster rate than ever before. The rich really are getting richer while the poor are only getting poorer as the years go by. What is going on in society that's driving the alarming growth of this wealth gap? The answer is actually very simple. The poor and middle class are busy chasing after the American Dream, and in doing so are unconsciously

Online Library Build Real Wealth Practical

burying themselves in a huge amount of financial trouble. You see, the meaning of the American Dream has changed since its inception...and has in essence been hi-jacked by banks and financial institutions who have turned around and used it to their marketing advantage. "Live the American Dream" they tell you, which really means: -Go to a Prestigious College -Have a Huge Wedding -Buy a Big House -Buy nice Cars -Send your Kids to Private Schools -Eat at Fancy Restaurants -Take Extravagant Vacations -Buy top of the line Clothes, Shoes, and Accessories

Online Library Build Real Wealth Practical

-Retire Comfortably and Sail around the World It all sounds amazing! But all costs a ton of money that most Americans simply don't have. That doesn't stop the majority of people from spending however, because banks and financial institutions are there to save the day in the form of loans, credit cards, and financing. In other words, banks and financial institutions are happy to finance our purchases through DEBT. Why are they happy when people are in debt? Because they make money! Lots and lots of money. The part that is really unfortunate however

Online Library Build Real Wealth Practical

is that by the time most people realize they are in financial trouble it's usually too late. They have an overwhelming amount of debt, are living pay check to pay check, can barely afford to get by, aren't able to save any money, are stuck at a job they usually hate, drive hours and hours in traffic, and really have no idea what to do to move forward. This only leads to more problems: people become extremely anxious about the future, frustrated at the situation they are in, become desperate for a way out, feel like a huge weight is on their shoulders holding them down,

Online Library Build Real Wealth Practical

incredibly stressed and pressured to keep up with their payments, ashamed of what has transpired, unfulfilled with their life and career, angry at themselves for not being able to do more, jealous and envious of others who were able to "figure it out", and at the end of the day disappointed and discouraged about not being able to make a change. It's a sad truth that millions and millions of Americans are having to come to terms with. Retirement has truly become out of reach for the majority of individuals. What can you do to not land in this predicament you

Online Library Build Real Wealth Practical

might be wondering? The answer is....Education, but not in the form of formal education though schools and universities. Instead, self-education when it comes to your finances. Through financial and self-education you'll be able to shift your mindset from an obedient student-employee to a think outside the box business-investor perspective which will allow you to actually have control of your own future. It'll put you on the other side of the equation allowing you to profit when others are in debt, you'll see opportunities where others only see problems, you'll be able to pursue

Online Library Build Real Wealth Practical

your passions and have a fulfilling life and career, you'll provide an abundance of options for yourself and your family, you'll be able to give back to your community, and live a life of freedom without financial worry. Which is the exact aim of this book. Through a common, no non-sense approach this book takes the reader on a journey of basic financial literacy and provides a road map to financial prosperity. Forget about "little known secrets" to amass massive riches, get rich quick pyramid schemes, and insider stock and trading tips. If you're ready to stop burning

Online Library Build Real Wealth Practical

through money and build real wealth, this is the

A straightforward, values-based

Online Library Build Real Wealth Practical

approach to managing your wealth. After the worst recession in our country's history, we all have different, sometimes difficult, decisions to make about how to manage our money. That's what makes Real Wealth by Bruce Helmer so timely and relevant. In this updated edition of Money and the People You Love Bruce shows you how the critical piece missing from "personal financial planning" is the personal part: your relationships and your values. He shares an uncommonly common-sense approach to wealth management based on what matters most to you in your life. Real Wealth is an

Online Library Build Real Wealth Practical

essential book for right now. And for your future.

Holocaust survivor and Nobel Prize winner Elie Wiesel has said that there is a new commandment: "Thou shalt not stand idly by." This book articulates a progressive faith that represents a true marriage of the academic work of the modern biblical critical movement and the historical Jesus work of the Jesus Seminar applied within the life of an active parish. Setting aside the magic and superstition found in much of traditional religious life and affirming an evidence-based approach to faith, author Roger Ray strives to apply Wiesel's

Online Library Build Real Wealth Practical

injunction to actively respond to the injustice, violence, and discrimination in the world. In concrete terms, Ray describes what progressives can embrace intellectually and morally, and how those convictions can be lived out in a faith community.

The greatest transfer of wealth in the nation and the world is now unfolding. Money is about to flow away from the financially uninformed and flow towards the financially well-informed in the years ahead. Whenever governments start to dilute their money investors transfer their money into gold and silver.

Although gold is a great way to

Online Library Build Real Wealth Practical

preserve your wealth, it's silver you could actually make a fortune with. Protect your savings and create a substantial investment income every single month.

Financial ignorance is the only reason you are not yet cashing in on the biggest wealth transfer in history. A Solid Method to Achieve Financial Freedom This book will show you exactly how to live and prosper by the new laws of money in the new economy. It will show you how to beat the new money thieves (Banks and Governments) at their own game while quietly profiting from the money meltdown that is now underway. We are approaching a

Online Library Build Real Wealth Practical

monetary crisis of epic proportions never before seen. You are probably aware of the rising price of gold that's been going on for almost 10 years now. Most recently, gold started climbing with even greater speed. History repeats itself again and again. Whenever governments start to dilute their money investors transfer their money into gold and silver. Gold and silver have intrinsic value and will always prevail in any economy. Many financial experts predict that gold could at least double to \$3,000 . . . \$3,500 . . . and some say even \$5,000! But experts also predict the price of silver could

Online Library Build Real Wealth Practical

rise seven to eight times its current value before hitting its peak. What most non-investors and investors – including yourself – probably don't realize is that although gold is a great way to preserve your wealth, it's silver that could actually make you rich! The price of gold has already risen dramatically, but silver is just beginning its parabolic climb. Over the last 9 years the silver price increased an average of 29% per year! Compare this to the stock and real estate market, which declined when adjusted for inflation. Nine Reasons Why Silver is a Unique Wealth Building Instrument Silver, like gold, has

Online Library Build Real Wealth Practical

intrinsic value Silver has been in a commodity bull cycle since 2000 Silver is a safe hedge against currency inflation Silver is a security choice during times of financial crisis Silver is rarer than gold Silver is used in 90% of all electronics – and its mostly non-renewable Silver leasing – the scam will be exposed soon Silver investment markets are expanding thanks to the Chinese

What You Will Learn From Building Wealth with Silver You will discover why the Federal Reserve was created and why you and I have been kept in the dark about its true purpose. You will find out why the U.S. dollar is

Online Library Build Real Wealth Practical

quietly being destroyed without fanfare and the reason this process is being publically denied and covered up. Learn Why Silver is the Best Investment

Opportunity Right Now. Get the facts on silver production and consumption, and all the details behind silver's projected five- to eight-fold increase over the next several years. Financial

Education Is The Solution To Financial Freedom Discover the facts about our global banking and government system that will change the way you look at money forever. You will learn how to buy silver at the lowest price. Professional trading techniques

Online Library Build Real Wealth Practical

that leverage and maximize your profit. Understanding how the money system works will give you financial freedom. During the next few years the global financial system will be restructured on a scale that has never seen before. There are a few opportunities for you to profit from it - silver is one of them. Special Bonus: This book also includes a \$200 coupon for the author's Wealth Building Course.

Money in Real Estate

The Simplified Beginner's Guide

Online Library Build Real Wealth Practical

to Successfully Securing Financing, Closing Your First Deal, and Building Wealth Through Real Estate The American Dream is Keeping You Broke

Tired of the endless cycle of living paycheck to paycheck, feeling no matter how hard you work you never get ahead? If you're ready to stop living paycheck to paycheck, you must read the book now. In this practical, easy to follow, step-by-step guide to personal financial planning, you'll learn six time-tested and proven techniques of money management that will get you off the paycheck-to-paycheck treadmill and onto the path to a bright, secure, and prosperous financial future. Best of all, the personalized financial blueprint this book will guide

Online Library Build Real Wealth Practical

you to create will not leave you relying on your emotions or psychological gimmicks to achieve success. Things like finding motivation, self-discipline, or willpower to gain control over your financial life won't be needed. Instead, you will discover how to initiate a "set it and forget it" personal money management system by putting it all on automatic. No more dull bookkeeping chores trying to keep track of every penny and spending your precious free time every week pouring over and updating a budget. No more trying to follow gimmicks designed to trick you into cutting spending to save a few dollars. Alternatively, you will discover and learn to use a set of timeless, practical money management moves that have helped people build real wealth since money first replaced barter as the

Online Library Build Real Wealth Practical

accepted medium of exchange for goods and services. This quintessential guide will help you to build a complete and powerful money mastery plan by showing you step-by-step how to:

- Develop the pay-yourself-first habit.
- Establish an adequate stash of cash in an emergency "rainy day" fund.
- Get out and stay out of high-interest consumer debt.
- Manage your finances without making those time-wasting budgets that few ever follow anyway.
- Make smarter decisions about how you save and spend your hard-earned money.
- Protect yourself from inflation and economic recession.

Stop Living Paycheck to Paycheck Automatically gives you the tools and know-how to understand the economics of personal finances and the confidence to take charge of your spending and saving in

Online Library Build Real Wealth Practical

a way that will radically transform your finances. If you're a young adult with a moderate income, once you start using the money management techniques you'll learn, you will be on your way to eliminating money worries forever.

You will discover not only how to start improving your financial circumstances almost immediately but will learn the techniques that will make certain you will never run out of money in the future. Get the best and most useful tools available today for taking control of your hard-earned money. Grab your copy of the *Stop Living Paycheck to Paycheck Automatically NOW* and start transforming your finances TODAY. You'll agree that this is only personal finance guide you will ever need to help build a happy, secure, and prosperous financial future.

I met Bob Doroghazi when he dropped

Online Library Build Real Wealth Practical

the first draft of his manuscript of *The Physician's Guide to Investing: A Practical Approach to Building Wealth* at my office. I will have to admit I was a bit skeptical: a physician writing a book on investments? During that first meeting with Bob, it became evident that he had been a successful physician and a successful investor, so I agreed to take a look at the book. I was in for a pleasant surprise. Bob's manuscript was easy to read and had specific advice useful to physicians, interspersed with lots of practical tidbits for any investor. Having written three college-level finance and investment texts, I was excited to be in on a project aimed at offering practical investment advice to a more general, yet specialized, audience. I had high expectations for the book and am pleased to say that I believe Bob has

Online Library Build Real Wealth Practical

delivered a book that every physician interested in building wealth and protecting assets should read. Bob is a straight shooter; he tells it like he sees it in his book. Some doctors might be indignant on reading his statements, such as "Physicians sometimes have no idea of their limitations. This type of arrogance and ego can result in investing disaster." However, if you do have these limitations (and most professionals, even college professors, do), then reading Bob's book will help you recognize situations in which they can lead to poor investment decisions.

Do you strongly desire to become financially independent? Has the thought of building massive wealth ever cross your mind? Have you ever imagined living the lifestyle of your dreams when money is no longer a
